A Bull Comes Out Winner in a Fight.

ALGER SAYS THE WORST IS OVER

Thinks the Floods Have Reached Their Highest, and That the Homeless Can Be Easily Cared For.

YUMA, Ariz., April 12.—La Gran Fiesta de Yuma wound up last night with Wild West sports and Spanish bullfights, which constituted a crowning feature of the five days revelry. The feature of the show which drew the crowds was the Spanish bullfight, headed by the renowned fighter, Captain Carlos Garcia, from Juarez, Mexico.

Captain Garcia and his troop of toreadors and picadors, including La Carlota, a female bullfighter, displayed wonderful skill in fighting the fierce animals, but a magnificent bull proved himself invincible, and before he was dispatched in the third fight in which he was used, he caught Captain Garcia and ripped open his jaw. His wounds may prove fatal.

After going and badly mutilating Garcia, the bull stung to frenzy by the torments of toreadors and picadors, charged full at the bull pen, and though it was strongly built, after several desperate attempts, he smashed a panel of the pen and charged into the gounds which were filled with people. Many were injured. The roulette table stacked with gold and silver coins, was tossed high in the air and the money scattered in the dust. Straight through the main street went the bull, but fortunately no more people were in the way. After a long chase and hard work the bull was captured.

Alger Says the Worst is Over.

WASHINGTON, April 12.—Secretary Alger thinks the worst of the flood danger is passed in the Mississippi valley, and with a force of the war department, which is in the field co-operating with the local relief committees, there is small danger that suffering will be permitted to go unchecked and unrelieved.

The War in Cuba.
HAVANA, April 12.—Captain-General

Weyler left Placetas yesterday, escorted by the cavalry of the Puerto Principe regiment, and arrived early this morning at Santa Clara. He was not expected.

The gunboat Baracoa was fired upon by insurgents in the Mayari river, which returned the fire.

General Bernal sailed today for Spain. Instructions have been issued for a summary court-martial of Jose Guerero, Manuel Lonz and Jose Martinez, on charges of rebellion.

Ladies of the Red Cross Society have distributed money, clothing and tobacco to 300 sick soldiers at Matanzas.

A BURGLAR'S SUICIDE.

Killed Himself After shooting a Spokane Police Officer.

SPOKANE, April 12.—Police Officer McPhee lies in a critical condition, with a bullet wound in his neck. The dead body of the man who shot the officer lies in the city morgue. McPhee had the man under arrest and was taking him to the station, when the prisoner sprang back and fired a revolver at the officer. The ball struck McPhee in the jaw, went through the neck and lodged near the vertebrae.

The man who did the shooting was Arthur Chappelle of Dayton, Wash., where he has a wife and five children. He was wanted for burglary. After shooting McPhee he ran through the city several blocks and concealed himself in an outhouse. He was pursued by Deputy Sheriff Ferguson and a crowd of angry citizens.

As the deputy pulled the door open a shot was fired inside, and the officer thinking he was being fired upon shot at the man inside. Chappelle fell to the floor and was dead in a moment. It was then seen that he had shot himself through the head. Ferguson's bullet passed through the burglar's arm and made a flesh wound in his side.

Mrs. A. Inveen, residing at 720 Henry St., Alton, Ill., suffered with sciatic rheumatism for over eight months. She doctored for it nearly the whole of this time, using various remedies recommended by friends, and was treated by the physicians, but received no relief. She then used one and a half bottles of Chamberlain's Pain Balm, which effected a complete cure. This is published at her request, as she wants others similarly afflicted to know what cured her. The 25 and 50 cent sizes for sale by Blakeley & Houghton.

SPEECH CAUSED A SENSATION.

Goschen Says England Will Maintain Her Power in South Africa.

LONDON, April 12.—The speech of the first lord of the admiralty, George J. Goschen, at the farewell banquet tendered on Saturday to Sir Alfred Milner, the newly appointed high commissioner of Great Britain in South Africa, has produced a great sensation, and the imminence of war between Great Britain and the Transvaal is the common talk of the street.

Referring to the presence of British blue-jackets and marines in South Africa, Mr. Goschen said:

"They are to represent to Sir Alfred Milner the British power in South Africa. They are the guarantee to him and to our colonists, the loyal men who support British rule, that the country is determined to maintain its power in those quarters, and that it will back its high commissioner with the power of the British empire."

A dispatch from Cape Town confirms the report, apparently, of the dispatch of the British war vessel to Delagoa bay. The British warship Raccoon sailed today from Cape Town under sealed orders. The officials there refused to divulge her destination, but it is rumored that she is bound for Delagoa bay, and the report is believed.

It is semi-officially announced this afternoon that the British troops going to South Africa are merely intended to relieve the regiments already there which are bound for home at the expiration of their terms of foreign service.

Two years ago R. J. Warren, a druggist at Pleasant Brook, N. Y., bought a small supply of Chamberlain's Cough Remedy. He sums up the result as follows: "At that time the goods were unknown in this section; to-day Chamberlain's Cough Remedy is a household word." It is the same in hundreds of communities. Where ever the good qualities of Chamberlain's Cough Remedy become known the people will have nothing else. For sale by Blakeley & Houghton.

The Grand Duke Killed Himself.

CANNES, France, April 12.—The fact became public today that Grand Duke Mecklenburg-Schwerin, whose death was announced as having occurred at 9 o'clock Saturday night, committed suicide. It had been stated his death was due to arterium of the heart.

Cubans Want Judge Day.

PHILADELPHIA, April 12.—In local Cuban circles it is reported that President Betancourt, of the Cuban republic, has ordered the junta in this country to urge on President McKinley that he endeavor to make arrangements to the end that Judge Day, of Canton, shall be sent to Cuba as special commissioner, that he may be permitted by the Spanish authorities to visit President Betancourt at Cubitas to obtain a true insight into the conditions prevailing at the seat of the Cuban government.

Bryan Still Suffering.

WASHINGTON, April 12.—William J. Bryan returned to Washington today from Florida. He is still suffering as the result of the accident at St. Augustine, and is considerable bruised. His worst injury is on the left side, which pains him greatly when going about. The force of the fall can be judged from the fact that a silver match safe which Bryan carried in his vest pocket was crushed completely out of shape.

Pension Order to Be Revoked.

WASHINGTON, April 12.—A sweeping order of President Cleveland affecting consolidation of pension agencies will be revoked by President McKinley if present plans are carried out. Though it is stated no conclusion has been reached on the matter, the president, it is learned, has practically become convinced it should never be allowed to become operative.
