INSURGENTS ACTIVE

Operations in Havana Province Successful.

TAPASTA CAPTURED AND LOOTED

Spanish Troops Offered Little Resistance—La Heiba Also Taken and the Garrison Plundered.

NEW YORK, May 3.—A special to the Press from Key West says:

Havana advices show that the insurgents are active in that province. Tapasta was attacked last week by a force of 400 insurgents, and held for an entire day. The Spanish garrison in one of the blockhouses retreated completely, while the other held their ground and did not fire at the insurgents or disturb them in any way. The Cubans took possession of the vacated blockhouse, looting it of all its arms and provisions they could find, and then set it on fire.

The other blockhouse, with a garrison of 300 troops in and around it, kept quiet, no offensive operations being attempted by the Spanish officer in command. The Cubans camped within half a mile of the Spanish force, and plundered the stores of the town without opposition.

La Heiba was attacked by a force from Rodriguez's army, the first of the week, and the Spanish garrison driven out. There is a small earth fort there and two blockhouses. They attacked the earthworks early in the morning, carrying them by a dashing charge, the Spanish retreating into blockhouses at the other end of town. One of these was attacked by the Cubans, and three bombs exploded under its walls, shattering it badly and killing several inmates. The Spanish surrendered, and were paroled by the Cubans. Some firing

took place between the insurgents and the other two blockhouses, but no attack was made on them, the Cubans apparently being content with the victories they had gained. They entered the stores, took what they pleased, and loaded their plunder in ox teams in plain view of the Spanish. The Spanish loss is said to have been about seventy-five killed and wounded.

A MAJORITY IS REQUIRED.

Effort to Report the Tariff Bill Tomorrow May Fail.

WASHINGTON, May 3.—Senator Allison, chairman of the Republican committee which is preparing the tariff bill for the senate, had a conference today with the Democratic members of the finance committee and arranged a programme for getting the bill into the senate. According to agreement, the bill will be reported to the full committee tomorrow, if the Republicans find they desire to hold it no longer, and will then be passed on to the senate as soon as the Republicans make it manifest that they have a majority favorable to its being reported.

Allison renewed his efforts to secure consent to having the bill reported after tomorrow's meeting without conditions, but the Democrats would only agree not to insist upon holding the bill in committee for detailed inspection after the Republicans had shown they had a clear majority in committee favorable to the bill. Allison accepted these terms.

This arrangement will throw the responsibility of deciding the length of time the bill shall be held upon Senator Jones, of Nevada, who holds the balance of power. The indications are he will not lend himself to any prolonged consideration of the bill in committee. He practically said as much to his friends. The Democrats expect the bill will be allowed to lay on the table ten days or two weeks.

The Westfield (Ind.) News prints the following in regard to an old resident of that place: "Frank McAvoy, for many years in the employ of the L. N. A. &

C. Ry. here, says: 'I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for ten years or longer—am never without it in my family. I take pleasure in recommending it.' It is a specific for all bowel disorders. For sale by Blakeley & Houghton.

The Best Remedy for Rheumatism.

From the Fairhaven (N. Y.) Register.

Mr. James Rowland of this village, state that for twenty-five years his wife has been a sufferer from rheumatism. A few nights ago she was in such pain that she was nearly crazy. She sent Mr. Rowland for the doctor, but he had read of Chamberlain's Pain Balm and instead of going for the doctor he went to the store and secured a bottle of it. His wife did not approve of Mr. Rowland's purchase at first, but nevertheless applied the Balm thoroughly and in an hour's time was able to go to sleep. She now applies it whenever she feels an ache or a pain and finds that it always gives relief. He says that no medicine which she had used ever did her as much good. The 25 and 50 cent sizes for sale by Blakeley & Houghton.

There is a queer notion going that tea is cheaper if you buy it loose by the pound. People who think that way forget that the best part of the tea-flavor escapes first.
