MEDIATION NOT WANTED.

Greece Not Yet Ready for Interference by the Powers.

ATHENS, May 3.—The diplomatic situation may be summed up as follows: No request for mediation has been nor will be addressed by Greece to the powers until the ministers of war and marine report upon the state of the Greek forces at Pharsalos and elsewhere.

The powers have not offered mediation, although they do not conceal the fact that a request for intervention would be highly acceptable to them.

The minister of foreign affairs, M. Skoufodis, says the military situation is greatly improved, both in Epirus and Thessaly, and the victory of the Greeks over the Turks at Valesino was brilliant.

A Five Days' Armistice.

LONDON, May 3.—A dispatch from Athens announces that Edhem Pasha has sent an officer with a flag of truce to the Greek headquarters, asking an armistice of five days.

Another dispatch says that it is again reported that 200 Bulgarian irregulars have crossed the frontier of Macedonia.

The War Will Soon End.

CONSTANTINOPLE, May 3.—In influential Turkish circles the opinion is expressed that the war with Greece will soon terminate. It is pointed out that while Turkey was forced into the war by Greek aggression, and the counsel of certain powers, she will not gain any advantage by defeating Greece for the benefit of the Slay element in the Balkans. It is held that the successes attained by the Turkish troops in Greece are all the Turkish government could desire.

Cretans Will Not Compromise.

CANDIA, Crete, May 3.—The admirals commanding the fleets of the foreign powers in Cretan waters had a conference yesterday with the insurgent leaders at Paleokastro. The Cretans were promised complete autonomy including the condition that the nomination of their ruler should be subject to the Cretan assembly. The insurgent leaders, however, cut the discussion short and reiterated that their motto remained "Annexation to Greece or Death."

King George is III.

PARIS, May 3.—An Athens dispatch to Figaro asserts King George is suffering from cardiac spasms and his physician insists that a change of air to the island of Milo or Servia is necessary.

The Shakers have made a great hit. Their Digestive Cordial is said to be the most successful remedy for stomach troubles ever introduced. It immediately relieves all pain and distress after eating, builds up the feeble system and makes the weak strong.

The fact is, foods properly digested are better than so-called tonics. The Cordial not only contains food already digested, but is a digester of other foods. Food that is not digested does more harm than good. People who use the Cordial insure the digestion of what food they eat and in this way get the benefit of it and grow strong.

The little pamphlets which the Shakers have sent druggists for free distribution, contain much interesting information on the subject of dyspepsia. 17

Laxol is the best medicine for children. Doctors recommend it in place of Castor Oil.
