REPORTED TO SENATE

Tariff Bill Gets Past the Finance Committee.

JONES VOTED WITH REPUBLICANS

Retroactive Clause and Hawaiian Reciprocity Stricken Out—Numerous Changes in Schedules.

WASHINGTON, May 4.—The vote in the senate finance committee today to report the tariff bill was a surprise. The vote stood 6 to 5. Jones of Nevada voted with the Republicans to report. All the Democrats voted no.

WASHINGTON, May 4.—Senator Aldrich presented the tariff bill to the senate today and gave notice that it would be called up Tuesday, the 18th inst. The time for the bill to take effect is made July 1, instead of May 1, as provided by the house, and the words of the first paragraph, "or withdrawn for consumption" are stricken out. The retroactive clause of the Dingley bill is thus stricken from the senate bill.

The entire house provision relating to reciprocity is stricken out and sections substituted providing that whenever a country shall pay a bounty upon the exportation of any article, of merchandise and dutiable under this act greater than the duty upon the importation of any such article into the United States, there shall be levied upon it, in addition to the duty imposed by this act, a duty equal to the net amount of such bounty to be ascertained by the secretary of the treasury.

The house provision keeping in force the Hawaiian reciprocity treaty is stricken out, the effect being indirectly to abrogate the treaty and impose the same

duty on Hawaiian sugars as on sugars from other countries.

MANY CUBANS ARE STARVING.

Concentrations Dying by the Hundreds in Fortified Towns.

CHICAGO, May 4.—A special to the Tribune from Washington says official reports of the most serious character have recently come to the state department regarding the starvation and misery in Cuba, and Secretary Sherman has issued special instructions to all the consular officers in Cuba requesting detailed reports as to the situation in their districts.

In the course of a long confidential report from Matanzas, United States Consul Alexander C. Bryce said:

"Over 7000 persons have been concentrated at this place, three-quarters of whom are entirely without means of support. Women and children are dying on the streets from starvation. Death and misery walk hand in hand. Among these people there are several Americans. Yellow fever, smallpox and other diseases are prevalent. All is the result of General Weyler's inhuman policy. Aid for these sufferers should come from the United States."

Other reports of a similar character have been received from the regularly accredited agents of the United States, and have been placed before President McKinley.

ATTACK WAS ABANDONED.

Turks Made No Headway Against the Greeks at Velesino.

ATHENS, May 4.—A dispatch from Pharsalos says:

The Turks avoided making any further attack on Velesino, contenting themselves with reconnoitering the neighborhood of the place. The Greeks, it is announced, occupy strong positions which enable them to repulse the superior forces.

A Battle in Progress.

LONDON, May 4.—A dispatch from Arta this afternoon says a force of 6000 Greeks, commanded by Colonel Barac-

Celebrated for its great leavening strength and healthfulness. Assures the food against alum and all forms of adulteration common to the cheap brands.

ROYAL BAKING POWDER CO. NEW YORK.

tharis, while advancing on Pentepigadia was engaged by the Turks. A battle is now in progress.

The Attack on Velesino.

ATHENS, May 4.—Following is the first story from a correspondent with the Turks, fighting near Velesino between the forces of Turkey and Greece.

Turkish position before Velesino, Thessaly, Friday, April 30.—(Delayed in transmission)—Fighting has been in progress here since 5 o'clock this morning. The mountains form a semi-circle, of which Velesino is the center. The Greeks occupy a strong position on the hills in two wings. The Turks commenced the attack under a sustained artillery fire. The Greeks responded feebly. Our troops gradually gained ground, a battery planted on our right, where the ground was not so steep, covering the advance.

Although the Turks were met with a furious fusillade, they pushed forward, and gain summit after summit, and at the present moment are occupying strong positions while waiting the com-

ing of the rest of the troops. Our left had a difficult task. The Greeks were holding a precipitous mountain, but the Turks, teigning an attack on the front, turned the Greek position and forced the enemy to retire to the second line of defense, which he is now holding.

Our center remains quietly before one of the enemy's earthworks, while the Greek battery is commencing a duel with a battery planted on our right wing. The heat is intense, and constant supplies of water have to be sent to the troops engaged.

The Best Remedy for Rheumatism.

From the Fairhaven (N. Y.) Register.

Mr. James Rowland of this village, state that for twenty-five years his wife has been a sufferer from rheumatism. A few nights ago she was in such pain that she was nearly crazy. She sent Mr. Rowland for the doctor, but he had read of Chamberlain's Pain Balm and instead of going for the doctor he went to the store and secured a bottle of it. His wife did not approve of Mr. Rowland's purchase at first, but nevertheless applied the Balm thoroughly and in an hour's time was able to go to sleep. She now applies it whenever she feels an ache or a pain and finds that it always gives relief. He says that no medicine which she had used ever did her as much good. The 25 and 50 cent sizes for sale by Blakeley & Houghton.

The Shakers have made a great hit. Their Digestive Cordial is said to be the most successful remedy for stomach troubles ever introduced. It immediately relieves all pain and distress after eating, builds up the feeble system and makes the weak strong. The fact is, foods properly digested are better than so-called tonics. The Cordial not only contains food already digested, but is a digester of other foods. Food that is not digested does more harm than good. People who use the Cordial insure the digestion of what food they eat and in this way get the benefit of it and grow strong. The little pamphlets which the Shakers have sent druggists for free distribution, contain much interesting information on the subject of dyspepsia. 17

Laxol is the best medicine for children. Doctors recommend it in place of Castor Oil.

The Westfield (Ind.) News prints the following in regard to an old resident of that place: "Frank McAvoy, for many years in the employ of the L. N. A. & C. Ry. here, says: 'I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for ten years or longer—am never without it in my family. I take pleasure in recommending it.' It is a specific for all bowel disorders. For sale by Blakeley & Houghton.
