The Shakers have made a great hit. Their Digestive Cordial is said to be the most successful remedy for stomach troubles ever introduced. It immediately relieves all pain and distress after eating, builds up the feeble system and makes the weak strong. The fact is, foods properly digested are better than so-called tonics. The Cordial not only contains food already digested, but is a digester of other foods. Food that is not digested does more harm than good. People who use the Cordial insure the digestion of what food they eat and in this way get the benefit of it and grow strong.

The little pamphlets which the Shakers have sent druggists for free distribution, contain much interesting information on the subject of dyspepsia. 17
