Rate War on in Earnest.

SAN FRANCISCO, May 28.—The Portland rate war between the Southern Pacific and Oregon Railway & Navigation Company was on in real earnest this morning when the Southern Pacific made a cut meeting the first-class rate of \$10 and the second class of \$5 maintained by the steamship company. Scarcely had the cut been officially announced when a dispatch from Portland announced the steamer rates at \$6 first-class and \$3 second-class. The first cut was made less than a week ago, and yet rates to Portland have suffered a reduction of more than 50 per cent. It is quite likely that further reductions will be made.

The Mount Lebanon Shakers have recently perfected an ingenious cure for dyspepsia. Their Digestive Cordial consists of a food already digested and a digester of foods happily combined.

The importance of this invention will be appreciated when we realize what a proportion of the community are victims of some form of stomach troubles. Thousands of pale, thin people have little inclination to eat, and what they do eat causes them pain and distress.

The Digestive Cordial of the Shakers corrects any stomach derangement at once. It makes thin people plump. Every one will be greatly interested to read the little book which has been placed in the hands of druggists for free distribution.

From the Fairhaven (N. Y.) Register.

Mr. James Rowland of this village, state that for twenty-five years his wife has been a sufferer from rheumatism. A few nights ago she was in such pain that she was nearly crazy. She sent Mr. Rowland for the doctor, but he had read of Chamberlain's Pain Balm and instead of going for the doctor he went to the store and secured a bottle of it. His wife did not approve of Mr. Rowland's purchase at first, but nevertheless applied the Balm thoroughly and in an hour's time was able to go to sleep. She now applies it whenever she feels an ache or a pain and finds that it always gives relief. He says that no medicine which she had used ever did her as much good.
