AND NOW TRILBY IS IN MOURNING

Mrs. Bradbury Was Hypnotized, But She Has Recovered and Knows All About It.

ALAMEDA, Cal., July 7 .- William J. Bryan reached this city this morning. He was met at Oakland by a large committee of citizens and with his party was driven to this city. The visitors disembarked at the Mastic station and carriages were taken. A drive was given through the principal residence thoroughfares, terminating at the Park hotel, where an informal reception took place, when a number of ladies were presented to the distinguished guest.

Breakfast was served, and in response to the toast, "W. J. Bryan the next president," Bryan said :

"I am not so much interested in who shall be the next president of the United States as I am that the next president will be a man who will not veto a silver bill when it comes before him."

At the conclusion of the breakfast there was a procession in which all the Alameda Bimetallic League, comprising about 600 men, took part. The line of march led up to a stand at the corner of Santa Clara avenue and Walnut street, where Bryan delivered an address on "Equality Before the Law," to about 3000 people.
