NOTABLE GATHERING

First Formal Gathering of Endeavor Convention.

MECHANICS' PAVILION IS CROWDED

Delegates Welcomed on Behalf of City, State and Committee—Meeting at Woodward's Pavilion.

SAN FRANCISCO, July 8.—At daylight this morning began the prayer meeting of the Christian Endeavorers. The services were held in all the principal churches of the city, the subject being the same in each, "Prayer for the Convention." Among the leaders of these meetings B. W. Wilcox, of Spokane; H. J. Fries, of Tacoma, Wash., and H. S. Gile, of Salem, Oregon.

Long before the hour appointed for the opening of the convention every seat in the vast pavilion, which accommodates over 10,000 people, was occupied, women predominating, and from the stage the sight was one never to be forgotten. Seldom has an audience equal in numbers and appearance been assembled within the walls of a building in California.

At 9:30 the great gathering was called to order by Rev. E. R. Dille, of this city, and after a musical welcome by the choir, brief devotional exercises were conducted by Rev. Phil p F. King, of Bolton, Tex. Then the welcome of the committee of '97 was delivered by Rolla V. Watt, who said:

"This morning our dreams are realized, our hopes are fulfilled, our prayers are answered, for we witness the assembling of an international Christian Endeavor convention for the first time on the shores of the mighty Pacific. God bless you! We are glad you are here; welcome, thrice welcome!

"We welcome you first and above all for the sake of our Master, whose banner of love is over all, and whose servants you are. He has said if we lift him up he will draw all men unto himself; and just as we represent him in our thoughts, our words, our deeds, in our daily lives, so will men see him. He holds in his hands the solution of all our problems, social, political and spiritual. It is the part of Christian endeavor to take these proffered gifts and offer them to mankind.

"We welcome you, therefore, knowing you are seeking to present the Savior of mankind to the world, that the world may be made better. We cannot offer you the historic sittings of Boston common, nor the beauties of the national capital; we are too young for such things; but we are proud of our city, set on more hills than Rome boasted, and of our state, with its varied and unequal attractions.

"While you are in the city I trust you will seek out the bright spots, rather than the dark ones; ascertain for yourselves what we are doing on the west coast along the lines you have chosen for your activities. Note the evidence of material, moral and religious progress, and in so doing, remember that not 50 years ago, on this little peninsula, Yerba Buena was christened San Francisco; it was then scarcely a hamlet, and was not incorporated into a town until three years afterwards.

"And let me remind you that at New York, Montreal, Boston and Washington we invited you to California; our invitation was broader than a city; and this morning, on our souvenir badges, on our flags, on our arch, on our banners, in flowers and shrubs, in our parks, you will find inscribed the magic words

which have induced you to leave your homes and to travel thousands of miles through the burning heat of the July sun—"California, '97."

After the applause which followed the remarks of Watt had subsided, the welcome of the Golden Gate pastors was given by Rev. John Hemphill, who said:

"Several centuries ago a monk of Picardy, named Peter the Hermit, went up and down Europe preaching the fiery crusade against those who held the sepulchre wherein the Savior of the world was laid, and he inspired the people wherever he went with his own wild, weird enthusiasm. All Europe flew to arms. The watchword, 'Deus vult,' burst from ten thousand times ten thousand lips, and the armies of Christendom precipitated themselves upon the holy land with the awful war cry 'God wills it,' echoing from rank to rank.

"Francis E. Clark—the Peter the Hermit of the 19th century—has for several years been going up and down our own land and other lands, preaching a far holier crusade, kindling the fires of Christian zeal and love on the altar of young hearts; and now, with a few battalions of his mighty army, he has invaded California, and we have surrendered unconditionally. In the name of the pastors of the Golden West, we bid you thrice welcome, and we invoke such showers of blessings upon you that in the coming years the San Francisco convention will be referred to as the Pentecostal convention."

A SUCCESSFUL EXPEDITION

Cubans Landed a Cargo of Supplies in Havana Province.

NEW YORK, July 8.—A special to the Journal and Advertiser from Havana says:

An expedition of Cuban filibusters from Florida is reported to have landed on Sunday in Havana province at the mouth of Jaruco bay. The Spanish gunboat Reina Maria Christina, which was cruising about the coast, endeavored to intercept the expedition, but without success.

When the cruiser arrived at the spot and disembarked her marines, they were fired upon and driven to their boats by a strong rebel force in ambush. After a brief bombardment of the insurgents' position the warship hurried to Havana for reinforcements. When she returned the filibusters had already left with their munitions and supplies for Castillo's headquarters in the Tapaste hills, closely pursued by Fonsdevicias' Spanish column, which had marched overland from Minas to intercept their movements.

a political suspect, has been liberated and ordered to leave the island, no proofs to substantiate the charges against him having been found.

Manuel Fernandez Cabuquiel, an American citizen captured with the insurgents near Jaruco 12 months ago, and since then confined in Cabanas fortress, has been notified to prepare for an early trial.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.

BY ORDER OF WEYLER.

Spanish Forces are Preparing to Evacuate Bayamo.

NEW YORK, July 8.—A Herald dispatch from Havana says:

Captain-General Weyler has at last decided it wise to evacuate Bayamo. He has already ordered the inhabitants to betake themselves to Manzanillo, and has asked the war department in Spain to authorize the withdrawal of troops and the burning of the town. The expenses of maintaining the garrison there have always been very heavy and one which the end gained did not justify.

Much sickness prevails. The insurgents are looking out for the landing of artillery along the coast of Matanzas. The Spanish army has never been so weakened by sickness before. An official estimate of the number of Spanish soldiers in hospitals throughout the island is 2500. Not long ago the Luchano battalion marched to the front 1100 strong; today the battalion numbers 150 men.

An Unconfirmed Rumor.
