Many Miners Preparing to Leave for the Clondyke.

TICKETS SOLD FOR DAWSON CITY

The Excelsior Leaves July 28 With a Full List—Perils Attending the Journey.

SAN FRANCISCO, July 20.—Notwithstanding the suggestions of the miners on the advantages of traveling overland, the Excelsior, which will sail on the 28th, is booking passengers for Dawson City by the score, and will close its books in a day or so. The steamer will arrive at St. Michael's early in August, in time to connect with the river boats running to Dawson. The goldseekers will reach their destination about September 5. As the Yukon will be frozen by October 1, no one who does not go soon will be able to reach Dawson this year by way of St. Michael's. Hundreds will doubtless make the journey overland from Juneau after the closing of the navigable streams.

The Alaska Commercial company has 500,000 pounds of supplies at St. Michael's, all of which will be forwarded to Dawson by boat before the closing of the river. The North American Transportation company has an equal amount of food and clothing at St. Michael's.

A party of 40 men is preparing to charter a schooner and sail to Juneau, from which point they will make the journey overland to Dawson.

It is hard to say at this time how many San Franciscans will leave for the new Eldorado. Hundreds are considering the question, but the danger and the possibilities of failure will keep many of them from swelling the population of Dawson City or any of the new towns which will spring up, or from journeying to possible new fields which may be discovered. The problem is a difficult one to solve, but the chances are that a couple of hundred will leave here between now and next spring.

The Walla Walla sails this morning with but few Yukoners. The Walla Walla will connect with the Mexico, which will take most of the miners bound for Juneau. The Yukon rush has caused the Pacific Coast company to arrange an extra steamer trip, which will be the George W. Elder, to leave Portland for Juneau soon, stopping at Seattle.

WANTS TO COLLECT DUTIES.

Victoria Merchant's Novel Proposition to Dominion Government.

VICTORIA, B. C., July 20.—This city is full of prospective miners waiting for the boats to take them North. In short, the gold fever has struck the town, and scores of men are throwing up good positions in order to seek their fortunes in the Clondyke gold fields.

John Pierce, a wholesale merchant, has made a somewhat novel proposition to the Dominion government. He has offered to pay \$50,000 per annum for a period of five or ten years, for the privilege of collecting duty on goods going into the Canadian section of the Yukon country. To his telegram to this effect the authorities as yet not vouchsafed an answer, but it is believed customs officers will be sent there to collect duty on American goods which are being taken into the country.

A HAZARDOUS UNDERTAKING.

ing company, is receiving hundreds of letters asking information regarding Alaska. He said today:

"The boats which sail from Seattle this month are full—every passage taken. That means that anyone who wants to go to Clondyke must wait for the August boats. And the journey is 7000 miles. People talk about it as if it walking across the street. They don't realize what Alaska is—what the Yukon is. They will need a map to convince them of the truth that the country of the Yukon and its tributaries in Alaska and British America is as large as the whole country east of the Mississippi—that it is longer than a trip to Europe before they reach Behring sea and the mouth of the Yukon; that by the time they strike the Yukon the Alaskan Arctic winter will be upon them. By September 20 the winter settles down and the Yukon country is frozen solid till next May.

"The expenses of getting from Chicago to Seattle is \$60, and from Seattle to Behring sea \$150. There will be thousands of Eastern men who will go, but of course the coast people have everything in their favor.

"One thing must be remembered, that the Clondyke country is in British domain and will be governed accordingly."

The True Remedy.

W. M. Repine, editor Tiskilwa, Ill., "Chief," says: "We won't keep house without Dr. King's New Discovery for Consumption, Coughs and Colds. Experimented with many others, but never got the true remedy until we used Dr. King's New Discovery. No other remedy can take its place in our home, as in it we have certain and sure cure for Coughs, Colds, Whooping Cough, etc." It is idle to experiment with other remedies, even if they are urged on you as just as good as Dr. King's New Discovery. They are not as good, because this remedy has a record of cures and besides is guaranteed. It never fails to satisfy. Trial bottles free at Blakeley & Houghton's Drug Store.

MORE AID FOR STRIKERS.

Locomotive Firemen Will Contribute to the Cause.

CHICAGO, July 20.—A circular has been issued from the grand lodge of the Brotherhood of Locomotive Firemen expressing sympathy with the striking miners and asking contributions from members to aid the miners during the strike. The circular is signed by E. P. Sargent and Secretary Arnold.

Sovereign Was Interrupted.

COLUMBUS, O., July 20.—J. R. Sovereign, president of the Knights of Labor, arrived today from Pocahontas, W. Va., where he spoke 10 minutes to the miners, when the mayor by proclamation, stopped "all public meetings or assemblages of more than three persons in any place within the corporate limits," alleging that such meetings were inimical to the public peace. President Ratchford copied the proclamation for future use. Sovereign reported that 100 business men of Pocahontas apologized to him for the act of the mayor.

A HOLD-UP THAT DID NOT PAY.

Bank Cashier Was Brave and the Robbers Came to Grief.

ODKEL, Ill., July 20.—Two men entered the Williams bank and placing a revolver at the head of Cashier Van Buskirk ordered him to throw up his hands and pass over the cash. Van Buskirk was ready to meet just such an emergency, as he had weapons at his command, which he raised to shoot at the intruders. The robbers fled. The cashier at once gave the alarm. People on bicycles, horses, wagons, buggies and afoot ran after the robbers, who ran to the east end of the town where they jumped in a buggy driven by two boys. They drove the horse hard until they saw that the pursuers were gaining, when they leaped out of the buggy and made for a corn field. Hundreds of people surrounded the field and after several desperate attempts to get away the miscreants were caught.

Numerous shots were fired, but no one was injured. The robbers were brought to town and lodged in jail to await the action of the grand jury. At the preliminary examination they gave the names of Frank W. Jackson and Harry Howard, both hailing from New York.

BRAZIL, Ind., July 20.—The block miners have decided to abandon their local order and join the United Mineworkers of America. One hundred and seventy-five families of miners have been given relief. Many more applied for relief, but did not receive anything, as what rations there were on hand had been exhausted.
