UTAH'S CELEBRATION

Ten Thousand Children Offer
Floral Tributes.

BUT THEY ARE NOT ALL BRIGHAM'S

The American Museum of Natural History Has Been Short on Dinosaurs, But Now Has Two.

SALT LAKE, July 22.—Ten thousand school children laid floral offerings at the base of Brigham Young's monument today and then marched in parade. The day opened cloudy and by 11 o'clock a light rain was falling, but the program was carried out without interruption.

This was children's day and at an early hour juvenile Salt Lake was in abundant evidence on all sides. Besides the children of the city schools, adjoining counties furnished several thousand to swell the grand total. Each school was accompanied by a teacher and pupils, and all carried banners and Chinese parasols. The parade was in ten divisions, under command of Grand Marshal Nat M. Brigham. Several new floats were added to those which took part in the parade yesterday. The procession moved from Brigham Young's monument through the principal streets, returning to the monument, after which the children assembled in the tabernacle and listened to music by Professor Barrett's chorus of 1000 voices. Remarks were made by Hon. George Q. Cannon and a benediction pronounced by Rev. E. C. Lockwood. Luncheon was served after the exercises.

Fossils in Wyoming.

Bones of Monster Long-Extinct Reptiles Uncovered.

NEW YORK, July 22.—The Herald says an expedition in May last to Wyoming, sent by the American Museum of Natural History to search for fossils of extinct reptiles, has unearthed specimens which will enrich the scientific treasury of that institution. Dr. J. L. Wortman and Burnum Brown are in charge of the expedition.

The work of excavation has been carried on near Laramie City. It has been more successful than was expected. The principal work of the members of the expedition has been to unearth fossil dinosaurs, extinct lizards which existed in the Mesozoic age. Dr. Wortman and Mr. Brown have found two gigantic dinosaurs, each about 50 feet long. One has been exposed and will be ready soon for shipment. The other is being exposed. It is expected that a carload of specimens will arrive soon in this city.

The American Museum of Natural History has not had any dinosaurs. The finds of the expedition are therefore of considerable satisfaction to the museum authorities.

Lynched on Suspicion.

MADISONVILLE, Ky., July 22.—The body of Edw. Brinkley, who lived several miles from this city, was found hanging from a limb near his home this morning. He had been lynched during the early morning by a mob of 40 citizens. Several weeks ago, Thos. Croulles, a well-known citizen of the neighborhood, was assassinated. Brinkley was suspected on account of his evil reputation, but no evidence could be found to connect him with the crime.

Another Negro Lynched.

NASHVILLE, July 22.—A special from Florence, Ala., to Banner says a report from Riverton this morning says the negro caught yesterday had started for the United States prison, guarded by a party. At Cherokee he was met by a mob and

hanged. Another report, which is not credited, says he was tied to a stake and burned to death. His identity was thoroughly established by his victim, Mrs. Vaughn.

A CLONDYKER HAPPY.

Romance of the Owner of Dawson City Townsite.

NEW YORK, July 22.—A special to the World from Plattsburg, N. Y., says:

Joseph Ladue, owner of the townsite of Dawson, B. P., is now on the way to his former home at Schuyler Falls, Clinton county, New York, to be married to Miss Mason. It is said that Ladue and Miss Mason were to have been married long ago, but Miss Mason's parents opposed the match because Ladue was poor. Then Ladue went to the Black Hills in search of gold. He was quite successful, but before coming East to claim his bride he went into speculation at Deadwood and lost every dollar.

Ladue wrote to Miss Mason of his misfortune, and soon after went to Alaska. He did not return home until two years ago, and then it was settled that upon his return from another trip to Alaska they would be married. As Ladue is said to be a millionaire, the parents of the bride will offer no objection to the union, and it is probable that Mr. and Mrs. Ladue will spend their honeymoon on their way to the gold fields, where they intend to live for at least three years.

The True Remedy.

W. M. Repine, editor Tiskilwa, Ill., "Chief," says: "We won't keep house without Dr. King's New Discovery for Consumption, Coughs and Colds. Experimented with many others, but never got the true remedy until we used Dr. King's New Discovery. No other remedy can take its place in our home, as in it we have certain and sure cure for Coughs, Colds, Whooping Cough, etc." It is idle to experiment with other remedies, even if they are urged on you as just as good as Dr. King's New Discovery. They are not as good, because this remedy has a record of cures and besides is guaranteed. It never fails to satisfy. Trial bottles free at Blakeley & Houghton's Drug Store.

WEST VIRGINIA MEN STILL WORK.

Organizers Cannot Persuade Them to Go Out.

WHEELING, W. Va., July 22.—The arrival of President Hatchford at Fairmont is the event of the day in West Virginia. It is not likely Hatchford will be able to do anything which Debs could not do. Debs, Hatchford and other organizers held a conference today at Fairmont to devise plans for future work. They favor commissioning all the strikers as missionaries to work from man to man among miners in their homes.

URUGUAYAN WAR ENDED.

Rebels Are in Possession of the Entire Country.

NEW YORK, July 22.—Uruguay is practically in the hands of the rebels, says the Herald's correspondent at Montevideo, and the war is at an end. While the rebels have not upset the government, they have forced it into a corner from which there seems no escape, and the final result undoubtedly will be a complete turning over of existing conditions in Uruguay.

An armistice between the rebels and the government was signed a few days ago. It was to remain in force until August 1. Peace negotiations were immediately set on foot. The negotiations have led to a proposal to form a government of the rebel chiefs, the rebels to be given the presidency of the republic and the governorship of six provinces. In addition every rebel who has been dismissed from the army is to be reinstated under the new movement, and all those exiled on account of the revolution are to be allowed to return.

Pedro Jose Ramirez has been practically decided upon for the new president, though the details of how and when he is to take the office have not yet been decided upon.
