 Dawson City to Be Lighted.
 SAN FRANCISCO, Aug. 2.—W. D. Wood, mayor of Seattle, has purchased a small electric plant with which he proposes supplying the city of Dawson with light during the winter months. Mr. Wood has contemplated this for some time, but not until now did he complete his arrangements. He is assured by competent electricians that his plan is perfectly feasible, and that the plant he has bought for the company he represents is of a pattern that has given good results in other places.
 When the barge taken up by the Humboldt arrives at Dawson the one propelled by steam power will be anchored as near the shore as possible, immediately opposite the city and allowed to freeze up in the ice that will take the place of the water soon after their arrival. The electric plant will then be placed on board the barge and the Dawson City Electric Lighting Company will be ready to illuminate the darkness of the long Arctic winter.
 All the appliances necessary to transmit electricity throughout the city will be placed on board the Humboldt, and a staff of experienced electricians will have charge of the work.
 Sheep-killing dogs wrought havoc on the farm of Caleb Davis, west of Corvallis, Wednesday night. From the damage done it is supposed that the dogs kept on their work most of the night. The next morning half a dozen dead animals were found, and the band was scattered up and down the river for a distance of a mile. Many of the sheep had been driven over the river bank, in some places twelve or fifteen feet high, and the whole of Thursday was spent in getting the band together.

Keep Up Your Scott's Emulsion in Summer-time

What are your resources for the summer? Have you an abundance of health stowed away for the long, hot, depleting days, or does summer find you low in vitality, run down, losing flesh, and weak? Scott's Emulsion of Cod-liver Oil will give you the proper reserve force, because it builds up the system on a solid foundation. A tonic may stimulate; Scott's Emulsion not only "boosts," it sustains.
 It is a wise precaution always to have at least a small bottle of Scott's Emulsion in the house. Unopened, it will keep indefinitely. Tightly corked, after using, kept in a cool place, it will remain sweet for weeks.

A Title and a Fortune.
 New York, Aug. 2.—A special to the World from Boston says:
 Carl Cronheildt, who has been employed in heating coal and washing dishes in this country, has been notified of the death of his older brother, Count Henrik Julius Cronheildt of Sweden, without issue, with a request that he return and take possession of the estates as the only living representative of his family, the Cronheildts of Flota. He thus comes into a title, four large properties and an income of \$50,000 a year.
Remarkable Cure of Chronic Diarrhoea.
 In 1862, when I served my country as a private in Company A, 167th Pennsylvania Volunteers, I contracted chronic diarrhoea. It has given me great deal of trouble ever since. I have tried a dozen different medicines and several prominent doctors without any permanent relief. Not long ago a friend sent me a sample bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and after that I bought and took a 50 cent bottle; and now I can say that I am entirely cured. I cannot be thankful enough to you for this great Remedy, and recommend it to all suffering veterans. If in doubt write to me. Yours gratefully, Henry Steinberger, Allentown, Pa. Sold by Blakeley & Houghton.

 What use is there in eating when food does you no good—in fact, when it does you more harm than good, for such is the case if it is not digested?
 If you have a loathing for food there is no use of forcing it down, for it will not be digested. You must restore the digestive organs to their natural strength and cause the food to be digested, when an appetite will come, and with it a relish for food.
 The tired, languid feeling will give place to vigor and energy; then you will put flesh on your bones and become strong. The Shaker Digestive Cordial as made by the Mount Lebanon Shakers contains food already digested and is a digester of foods as well. Its action is prompt and its effects permanent.
 Doctors prescribe Laxol because it has all the virtues of Castor Oil and is palatable.
