A BOOM ON THE COAST

Present Conditions a Reminder of the Days of '49.

THE KLONDIKE RUSH CAUSES IT

Seattle Newspaper Man's Views—Thirty Millions in Gold Expected From Alaska Next Year.

CHICAGO, Aug. 19.—C. M. Nettleton, of the Seattle Post-Intelligencer, who is visiting in Chicago, says the conditions on the Pacific coast remind the old settlers of the palmy days of California in 1849. He has a number of specimens of Klondike gold.

"I believe, said Mr. Nettleton, "that without question, \$30,000,000 of the yellow metal will be taken from Alaska next year, and it is confidently believed that the steamer Portland, which is due to arrive in Seattle on August 25th, will bring \$3,000,000 in nuggets and dust.

"One peculiar thing is that the miners upon landing, seldom are willing to tell the truth in reference to their success. Nearly all of them expect to return, and for this reason do not give the facts as to the amount of gold they have in their possession. I asked one miner how much gold he had secured. He replied that he had \$3000 or \$4000, when the truth was he had about \$112,000 worth with him. Their idea seems to be that if they underestimate the amount of gold they had found, it will have a tendency to keep other people out.

"Only about forty square miles of territory have been thoroughly prospected, whereas there are hundreds of square miles of territory which it is believed contain gold in large quantities. The surroundings are the same as those of the ground which has been gone over and the conditions are the same. Nevertheless, people should not attempt to go to the gold fields this season, but should postpone their trip until next spring, when conditions will be more favorable to travel and prospecting."

CO-OPERATION CAUSED TROUBLE

Gold Hunters Quarreled at Skaguay Over Unloading Goods.

SEATTLE, Wash., Aug. 19.—Next Friday the steamer Queen leaves for St. Michaels with lumber. The A. S. Kerry Lumber Company sends the frame and lumber all fitted to build a hotel there to accommodate 150 people. The Queen will reach there in three weeks.

Deputy Sheriff Calderhead has a letter from ex-Deputy Adam Baker, dated Skaguay, August 7. He complains of the hardship of getting freight from the ship to land. He went on the Rosalie. The passengers formed a company to unload. Trouble ensued by one man assuming to boss. The miners draw guns and then took their individual goods ashore.

The river but a mile from camp is 500 feet wide and swift, and there is continued loss of goods by horses falling in the current. Packs must be cut away to save the horses. Several horses were drowned August 6th and 7th. Tired men are selling outfits at less than cost. Thirty men are building a bridge half a mile up. It is a private snap. All would be well if the prospectors would work together.

PREPARING FOR THE DESCENT.

Gold Hunters Building Boats on Lakes Linderman and Bennett.

SEATTLE, Aug. 19.—The Associated Press correspondent writes from Lake Linderman as follows:

LAKE LINDERMAN, N. W. T., Aug. 7.—On Lakes Linderman and Bennett are nearly 500 people actively making preparations for the descent.

Sunburn and Tan . . .

For Sunburn, Tan, etc., Garland's Happy Thought Salve is the most satisfactory, prompt and sure remedy ever placed within public reach. Make a simple application of the Salve in the evening. In this, as in all other cases, it "cures while you sleep." Only a few applications are necessary, even in extreme cases.

Arations and building boats for the descent to the Klondike.

The Skaguay trail is open and the first contingent reached the Tagish lake on Thursday last, numbering 200 people. The trail is nearly fifty miles long.

Nearly 1000 people are in camp at Skaguay, and it is expected they will reach the lakes in ten days. That route will take nearly all the travel from Dyea route, except during the winter and spring months. Boatloads of people are leaving here and Lake Bennett every day for the mines.

OFFICERS KILLED.

Details of the Mutiny on the Olive Packer.

NEW YORK, Aug. 19.—A dispatch to the Herald from Buenos Ayres says:

Telegraphic advices from the Herald's correspondent in Rio de Janeiro are to the effect that a vessel of the Atlantic Squadron has picked up and holds at Bahia John Lend and other members of the crew of the American schooner Olive Packer who mutinied at sea. They murdered the captain, J. W. Whitman, and the first mate, William Sanders, after having had trouble. The crime was committed about 125 miles from Buenos Ayres.

The six prisoners have made confession of their part in it, and have attempted little concealment. They say that after the murders they set the vessel on fire and took to the boats. The schooner was laden with lumber and burned very quickly. The men had rough experiences before they were picked up.

The details of the mutiny have not been given out yet, but the men say there had been ill-feeling on the whole voyage, and the captain and the second mate had made strong enemies of all the members of the crew.

The United States consul will take charge of the men, and they will probably be sent to Boston on a merchant vessel for trial.

What

do you suppose is that missing word? We tell you this: it isn't very hard; it isn't easy; it's about middling.

The tea isn't middling though: your money back—at your grocer's—if you don't like it better than any you ever had before.

THREATS BY RATCHFORD.

Strikers Will Retaliate Against the Operators.

COLUMBUS, O., Aug. 19.—The national executive committee of the miners' association was called to meet here today. The board adjourned until 1 p. m. to await the arrival of absent members.

Being asked to foreshadow the proposed action of the board, President Ratchford said:

"The conservative policy adopted by our board at the beginning must necessarily be departed from because of the extreme radical policy of the other side. We would much prefer a battle along peaceable lines, as we have been doing, but our board will be obliged to adopt the tactics of the other side and also to take steps to extend the fight in other fields. We will have to adopt other methods to meet the injunctions. We do not propose to have the injunctions break up this strike."

Violence in West Virginia.

COLUMBUS, O., Aug. 19.—A special dispatch from Wheeling says unknown parties concealed in the brush near the Cleveland, Loraine & Wheeling track at Baion last night, attacked the passing northbound coal train. As the train passed the spot a volley of stones was hurled at the trainmen. Firemen Little was badly hurt. Later another train at the same place collided with a pile of empty oil barrels which had been put on the track and fastened with a heavy rail.

The strike situation is decidedly mixed in West Virginia today. The news that the Pittsburg operators have decided to resume at all hazards, and reports that Dolan and representatives of the operators have asked President Ratchford to come to Pittsburg with a view to settling the strike had a depressing influence upon the West Virginia miners. In the New River region five mines were closed yesterday, and in Kanawha valley but one miner went to work.

California Mines.

CARRVILLE, Cal., Aug. 18.—William Truax and his partner, an actor named Dillon, have struck what is said to be one of the richest ledges that have been found in this district. The men only arrived here about noon on Monday, and before sundown Truax, who is a miner recently from Cripple Creek, had found what will probably mean a fortune for both.

This latest find is situated on Morrison creek just below the Graves brothers' claim and about the Davis placer mine. The two men were up at daylight yesterday morning, and by noon had stripped enough to show them a ledge two feet wide of wonderful richness. Dillon came from Sacramento, where he was stopping. He is known on the variety stage as a partner of Lynch.

A March at Plum Creek.

PITTSBURG, Aug. 19.—The campers at Plum Creek marched at 5 o'clock this morning, but were stopped by deputy sheriffs and turned back to their camps. No strikers were allowed to be on the road, even though they were in pairs and 100 yards apart.

It is reported that about 200 farmers from Plum Creeks and Wilkins township will make a sympathetic demonstration today. They will form at New Texas and march to the strikers' camps at Plum Creek and Turtle Creek. Speeches will be made by leading farmers.

Ratchford Calls It A "Bluff."

COLUMBUS, O., Aug. 19.—A rumor that certain Pittsburg operators have made the statement that they intend to resume even if Gatling guns have to be and Pinkerton men employed, is characterized by President Ratchford as a "bluff."

Something to Depend On.

Mr. James Jones, of the drug firm of Jones & Son, Cowden, Ill., in speaking of Dr. King's New Discovery, says that last winter his wife was attacked with LaGrippe, and her case grew so serious that physicians at Cowden and Pana could do nothing for her. It seemed to develop into Hasty Consumption. Having Dr. King's New Discovery in store, and selling lots of it, he took a bottle home, and to the surprise of all she began to get better from the first dose, and half dozen dollar bottles cured her sound and well. Dr. King's New Discovery for Consumption, Coughs and Colds is guaranteed to do this good work. Try it. Free trial bottles at Blakeley & Houghton's Drug Store. (5)
