

PERSONAL MENTION

Mr. T. Balfour is up from Lyle. Mr. Ad. Keller's family went to White Salmon this morning. Mr. H. S. McDaniel of Moro arrived home from California last night. Mrs. J. E. Jacobsen came up from White Salmon last night, returning this morning. Theodore H. Liebe left last night for Peoria, Illinois, to attend Parson's Horological Institute. Miss Mary Fraser, who has been visiting friends here for some time, returned to Portland this morning. Mr. W. R. Mascall and family of Grant county are visiting Mr. Henry Hudson's family near Dalfer. Mrs. J. B. Coon, J. S. Michell and wife and Prof. Brown of Grass Valley went to Falls City this morning for a two weeks' outing. Dr. Sturdevant, Messrs. V. Mardeu, S. Frank and W. Bruen, who have been camping over in Washington, returned yesterday afternoon. E. H. Sterling left last night on the steamer Columbia for San Francisco, where he will join his sister, Mabel. They will visit that city about two weeks.

Better Design.

The Tacoma Ledger says: "Deceived by a trusted reporter, the Ledger published Sunday morning an article based upon an interview with one F. P. Riley, who claimed to have brought \$85,000 in gold dust and nuggets from Dawson City. Later developments and investigation show that the story was without foundation. As the Ledger purposes only printing reliable news, this explanation is due its readers. The reporter has been summarily dismissed from the Ledger force." If the Ledger follows its hand, inside of three weeks the editor, business manager, reporters and press association will be fired. When a man's job depends on getting the truth from the Klondike, he might as well resign.

A Fine School.

St. Mary's academy for ladies, located in this city and under the direction of the Sisters, is one of the best educational institutions on the coast. The building is of brick, large and well ventilated. Besides the regular studies, special effort is made to instill into the minds of the pupils a desire to form their hearts to virtue, and to fit them to be true and noble women. Gratuitous lessons are given in all kinds of plain and fancy needle work, knitting, embroidery, etc. Pupils will receive the same watchful care that would be given them by conscientious parents. It is in fact an ideal school and a pleasant home. Those who have girls to send to school should write to St. Mary's academy for terms.

Cayuses at \$40.

N. A. Miller, an Athena business man, passed through Pendleton Sunday on his return from Seattle. He says the Alaskan excitement there is exceedingly interesting to a man not afflicted with Klondikeitis. He saw six-bit cayuses sold at \$40 each to gold-seekers, and the humble burro was also in demand for a pack animal. This ignoble brute, however, is apt to sink up to its ears in the mud on the passes, and when he does he can't be lifted out with a derrick. He will not help himself, and remains where he is. "stuck." Oxen are said to be successful pack animals, and they command a good price.—East Oregonian.

Remarkable Cure of Chronic Diarrhoea. In 1892, when I served my country as a private in Company A, 167th Pennsylvania Volunteers, I contracted chronic diarrhoea. It has given me great deal of trouble ever since. I have tried a dozen different medicines and several prominent doctors without any permanent relief. Not long ago a friend sent me a sample bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and after that I bought and took a 50 cent bottle; and now I can say that I am entirely cured. I cannot be thankful enough to you for this great Remedy, and recommend it to all suffering veterans. If in doubt write to me. Yours gratefully, Henry Steinberger, Allentown, Pa. Sold by Blakeley & Houghton.

Chamberlain's Colic, Cholera and Diarrhoea Remedy always affords prompt relief. For sale by Blakeley & Houghton.

Keep Up Your Scott's Emulsion in Summer-time

What are your resources for the summer? Have you an abundance of health stowed away for the long, hot, depleting days, or does summer find you low in vitality, run down, losing flesh, and weak? Scott's Emulsion of Cod-liver Oil will give you the proper reserve force, because it builds up the system on a solid foundation. A tonic may stimulate; Scott's Emulsion not only "boosts," it sustains.

It is a wise precaution always to have at least a small bottle of Scott's Emulsion in the house. Unopened, it will keep indefinitely. Tightly corked, after using, kept in a cool place, it will remain sweet for weeks.

The Mount Lebanon Shakers recently performed a great deed of charity, although it was not designed as a charity, being nothing more nor less than an advertising scheme. It however resulted in great good just the same. They gave away 1000 bottles of their Digestive Cordial to those suffering from stomach derangements.

It was so effective in curing those who used the remedy that they were loud in their praises of it and in consequence a large demand for the Cordial was at once created.

The druggists of this town have little books that tell all about it. Digestive Cordial creates an appetite, aids digestion and brings about a rapid increase in flesh and strength.

To Butter Makers. I have one of the new improved Electric Churns and can do the churning in one to two minutes. I can recommend it to any one. The first day I got mine I sold three; next day six; one day eleven. Every churn sold sells another. I cleared \$182 in 36 days. To show it, is to make a sale. I advise any one wishing a churn or a good paying business of their own to write to the U. S. Novelty Mfg. Co., 1517 Olive Street, St. Louis, Mo.
