A Fine School.

St. Mary's academy for ladies, located in this city and under the direction of the Sisters, is one of the best educational institutions on the coast. The building is of brick, large and well ventilated. Besides the regular studies, especial effort is made to instill into the minds of the pupils a desire to form their hearts to virtue, and to fit them to be true and noble women.

Tongue at Portland.

Oregon congressional delegation is today wrestling with mighty matters of state. The arrival of Representative Tongue from his home at Hillsboro last evening completed the triumvirate, Senator McBride and Representative Ellis having preceded him, and today the delegation is keeping open house to their friends and those who are in quest of federal appointments.

AN OREGON KLONDIKE.

Do you want money? If so, catch on to this. A 7-year-old orchard, twenty acre tract, seventeen acres in choice fruits, bearing trees, new house of six rooms, barns, outbuildings, etc., all new; two horses and harness, two wagons, one road cart and one cow. Will sell at a bargain and on easy terms. Call on or address C. E. Bayard or Chas. Frazer, The Dalles, Oregon.

the same end. A formal conference between the members of the delegation will therefore, in all probability, not be held until some time this evening if as early as that. The delegation will give the placehunters and their friends every opportunity to be heard, and as every candidate for office of any importance is in the city the hearing should be concluded today.

It is a question whether the delegation will at this time agree upon appointments other than those most urgent. The offices of U. S. district attorney and U. S. marshal are upon this list by reason of the fact that the terms of the incumbents will soon expire. For this reason most of the interest is centering upon these two offices at this time.

It has been intimated to the members of the delegation that recommendations for offices that will not become vacant before the meeting of congress will not be made for some time to come. The suspense of many of the candidates must therefore be prolonged for some time.—Telegram.

A Good Reason.

The general passenger agent of one of the Chicago trunk lines received a letter from a Kansas man the other day requesting a pass for himself to Chicago and return. There was nothing about the letter to indicate that the writer had any claim whatsoever to the courtesy requested, but the railway man thought that perhaps the Kansas had some connection with the road in some way, possibly as a local freight agent.

The Mount Lebanon Shakers recently performed a great deed of charity, although it was not designed as a charity, being nothing more nor less than an advertising scheme. It however resulted in great good just the same. They gave away 1000 bottles of their Digestive Cordial to those suffering from stomach derangements.

It was so effective in curing those who used the remedy that they were loud in their praises of it and in consequence a large demand for the Cordial was at once created. The druggists of this town have little books that tell all about it. Digestive Cordial creates an appetite, aids digestion and brings about a rapid increase in flesh and strength.

Laxol is the name of a palatable Castor Oil. Just the thing for children.

To Butter Makers.

I have one of the new improved Electric Churns and can do the churning in one to two minutes. I can recommend it to any one. The first day I got mine I sold three; next day six; one day eleven. Every churn sold sells another.

Remarkable Cure of Chronic Diarrhoea.

In 1862, when I served my country as a private in Company A, 167th Pennsylvania Volunteers, I contracted chronic diarrhoea. It has given me great deal of trouble ever since. I have tried a dozen different medicines and several prominent doctors without any permanent relief. Not long ago a friend sent me a sample bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and after that I bought and took a 50 cent bottle; and now I can say that I am entirely cured. I cannot be thankful enough to you for this great Remedy, and recommend it to all suffering veterans.

It is always well to take Dr. King's New Life Pills in connection with Dr. King's New Discovery, as they regulate and tone the stomach and bowels. We guarantee perfect satisfaction or return money. Work of Firebug in Gilliam County.

A firebug, supposed to be the same that fired George Hardie's hay near old Joe Whyte's place some months ago, Wednesday night of last week set fire to Alex. Duthie's barn, about four miles from Condon, in Gilliam county, and before the fire could be put out it had consumed property of the value of more than \$500, says the Fossil Journal. Besides the barn and fifteen tons of hay, a granary and a year's provisions were burned. The incendiary did his work between 10 and 11 o'clock, when the family was asleep, and Mr. Duthie awakened just in time to save the house, which is quite close to the barn. Old Mr. Hardie and Willie Hardie and Mrs. Isabella Whyte were there, besides the family, and by working hard with buckets and a force-pump and hose managed to save the house. The horses were gotten out of the barn in the nick of time.

The Cler Club.

The University Clerf Club which gives one of their concerts next Wednesday evening in the M. E. church, under the auspices of the Epworth League, comes very highly recommended. Hear what Ernest V. Claypool of Payalup, Wash., says of them:

Miss Harriet E. Caughran and the Clerf Club gave us the promised concert

and reading last night. Miss Caughran is a favorite reader in Payalup. Both her dramatic and conversational work on the platform are excellent. The sweetest music the world holds is that of perfectly blended human voices. The music rendered by the Clerf Club is without flaw in harmony, is artistic in expression, and the voices blend like four flutes or four trumpets. We are delighted with the whole program. Fraternaly, ERNEST V. CLAYPOOL.
