## THE STRIKE ENDS

The Miners Have Accepted a Compromise

RECENTLY MADE BY OFFICERS

They Will Return to Work Soon--  
Twenty-one Corpses at Hazelton, Pennsylvania.

COLUMBUS, O., Sept. 11.—The miners' strike, which was declared on July 4th, was brought to an end this evening so far at least, as Western Pennsylvania, Ohio, Indiana and West Virginia are concerned, by the action of the convention of miners, who have been in session since Wednesday. After a day of voting and wrangling, the convention voted to accept the proposition of the Pittsburgh operators. The vote was 495 for, and 317 against, accepting the terms of settlement, and eleven votes were not cast. The delegation from Illinois, which had 250 votes, was unanimously against the settlement, and Indiana and West Virginia voted solidly to accept the proposition, but there were scattering votes among the Ohio and Pennsylvania men, against it. The resolution is as follows:

"Resolved, That we, the miners of Pennsylvania, West Virginia, Ohio, Indiana and Illinois, in convention assembled, do hereby agree to accept the proposition recommended by our national executive committee, viz: sixty-five cents in the Pittsburgh district, and all places in the above named states, where the relative price can be obtained, to resume work and contribute liberally to the miners who will not receive the advance, over which the fight must be continued to the bitter end.

"Resolved, That the officers of the executive board and the district president, act as advisory board for the purpose of providing ways and means for the carrying on of the strike where necessary, provided, however, that no district resume work for ten days, for the purpose of giving the miners in other districts time to confer with the operators and get the price if possible."

While ten days is provided for the miners to resume work, it is probable that many Ohio and Pittsburgh mines will be reopened on Monday. The Illinois men will be called in convention at Springfield, on September 19th, to determine what shall be done in that state. A resolution was adopted denouncing the action of the deputies in firing into the striking miners at Hazelton.

### The Wounded and Dead.

HAZELTON, Pa., Sept. 11.—Twenty-one corpses lie tonight in the frame shanties scattered about this hilltop town. Forty maimed, wounded and broken figures are lying on the narrow cots of the Hazelton hospital. Of these it is almost a certainty that five will be added to the death list before another day dawns. Such was the execution done yesterday, by the deputies sheriff, armed to the teeth, upon about 150 ignorant foreigners, whose total armament consisted of two little penknives. These facts are undisputed.

### A Proclamation.

HARRISBURG, Pa., Sept. 11.—On account of the horrible slaughter yesterday afternoon at Latimer, in the coal region, Governor Hastings tonight issued a proclamation, calling on all good citizens to preserve peace.

### MORE GOLD FROM ALASKA.

Steamer South Coast Has Returned With a Crowd of Lucky Miners.

SEATTLE, Sept. 11.—The steam schooner South Coast, from St. Michaels, arrived this afternoon. She brought down

## Salt Rheum

Two applications of Garland's Happy Thought Salve daily cures Salt Rheum. First wash with warm water and pure Castile soap. Rub well with the Salve, and cover with rubber gauge to keep the moisture in.

"Garland's Happy Thought Salve cured me in sixty days of Salt Rheum that I had for ten years. It's worth \$10 a jar to a man who has suffered as I have."  
E. E. VAN OLINDA,  
Vashon Island, Wash.

twenty-six passengers, but most of them went ashore at Port Townsend, and took boats for different sound points. Captain Zaddart places the amount of gold brought down by the South Coast, at \$350,000, but from information gathered from miners, returning here, it is believed that this amount is to high by at least \$200,000. The miners will not say how much their clean-up has been, but it is safe to place the amount aboard the South Coast, at less than \$100,000.

The most important news brought by the South Coast, is the safe arrival at St. Michaels, of the river steamer P. B. Weare, which stuck on a sand bar for over two weeks below Circle City. The arrival of the Weare will be good news to the people of Dawson City, who are threatened with a famine this winter. When the South Coast left the Weare was loading supplies, and it was expected she would leave up the river in a day or two, with a 500-ton cargo. Her voyage should not consume more than twenty-five days, which would put into Dawson City by September 25th. The Weare's cargo consisted almost entirely of provisions and the 500 tons she will take in, will materially assist in relieving the threatened famine.

C. T. Rupel, one of the South Coast passengers, brought down \$8,000 in dust and nuggets. J. H. Light \$18,000. Rupel says, not one man in a hundred, of those who have gone in this season will get claims as all the country is staked off. One of the passengers on the South Coast was J. T. Lea, of this city. Speaking of the amount of money which the South Coast brought down he said:

"The actual amount has been greatly exaggerated. I am acquainted with every man on board, and had a good knowledge of what they brought back, and I am certain the total amount is not over \$60,000. There were not four men on board who had as much as \$5000 each. In fact, the most of the passengers were men who had worked small claims, and a majority had from \$300 to \$1000 in gold."

### A Small Craft.

PORT TOWNSEND, Sept. 11.—At 7 o'clock this evening the schooner Janus, an eight-ton craft from Astoria, tied up at the wharf here. She carries twelve men and seven tons above her registered capacity of provisions, and is bound for Copper river. The passengers all hail from San Francisco and Oakland, and are outfitted with provisions for a two years' stay.

### The Eliza Anderson Safe.

SEATTLE, Sept. 11.—Captain J. B. Libby, manager of the Puget Sound Tugboat Co., today received a letter on the South Coast from Capt. Frank W. Clinger, of the tug Holyoke, who has in tow the barge Polifoski, bound for St. Michaels. The letter is dated Dutch harbor, August 31st. Regarding the sidewheel steamer Eliza Anderson, which was in company with the Holyoke and reported to be in distress, the letter says: "The Anderson reached St. Paul harbor in perfect safety, and her detention is occasioned by her taking on coal there."

## THE EMPORIA TRAIN WRECK.

The List of Victims in the Wreck Numbers Sixteen.

EMPORIA, Kan., Sept. 11.—Tonight it is believed that the number of deaths due to the train wreck of Wednesday will be sixteen. Engineer Frisbee died in the hospital at Topeka today. Tonight, a force of 100 men engaged in the work of removing the debris of the wreck, recovered the charred remains of two more bodies. They were found not far from where the body of a woman was found this morning. Owing to the stench coming from the wreck, it is thought more bodies may be there. One of those found today was burned beyond identification, but with the other body was found a short bosom pin and a stud. This is thought to be the body of an emigrant from the East who was riding in the cab of the westbound train.

Indigestion is often taken for consumption. The word consumption means wasting away, and dyspeptics often waste away as badly as consumptives.

The reason people waste away is because either they don't get enough to eat, or they don't digest what they do eat.

If the latter is your trouble, take Shaker Digestive Cordial. This will help you to digest your food and stop your loss of flesh.

Shaker Digestive Cordial is made from herbs, barks and the juices of fruit, by the well-known Shakers at Mount Lebanon. It possesses great tonic and digestive powers.

Shaker Digestive Cordial has cured many supposed consumptives (who were really dyspeptics), by simply helping their stomachs to digest their food, thus giving them nourishment and new strength.

Sold by druggists. Trial bottles ten cents.

### The Greatest Remedy.

Mr. R. B. Greeve, merchant of Chilhowie, Va., certifies that he had consumption, was given up to die, sought all medical treatment that money could procure, tried all cough remedies he could hear of, but got no relief; spent many nights sitting up in a chair; was induced to try Dr. King's New Discovery, and was cured by the use of two bottles. For past three years has been attending to business, and says Dr. King's New Discovery is the greatest remedy ever made, as it has done so much for him and also for others in his community. Dr. King's New Discovery is guaranteed for Coughs, Colds and Consumption. It don't fail. Trial bottle free at Blakeley & Houghton's Drug store. (2)

### Something to Know.

It may be worth something to know that the very best medicine for restoring the tired out nervous system to a healthy vigor is Electric Bitters. This medicine is purely vegetable, acts by giving tone to the nerve centres in the stomach, gently stimulates the Liver and Kidneys, and aids these organs in throwing off impurities in the blood. Electric Bitters improves the appetite, aids digestion and is pronounced by those who have tried it as the very best blood purifier and nerve tonic. Try it. Sold for 50c or \$1.00 per bottle at Blakeley & Houghton's Drug Store. (2)

"My boy came home from school one day with his hand badly lacerated and bleeding, and suffering great pain," says Mr. E. J. Schall, with Meyer Bros. Drug Co., St. Louis, Mo. "I dressed the wound, and applied Chamberlain's Pain Balm freely. All pain ceased, and in a remarkably short time it healed without leaving a scar. For wounds, sprains, swellings and rheumatism I know of no other medicine or prescription equal to it. I consider it a household necessity." The 25 and 50 cent sizes for sale by Blakeley & Houghton.
