TWO FACTIONS FIGHT

Bloody Battle Among Polish Miners at Girardville.

NINE KILLED AND SCORES WOUNDED

Mine Operators Issue an Address—National Labor Conference at Chicago.

GIRARDVILLE, Pa., Sept. 27.—At least nine men received fatal injuries and possibly two score others were more or less seriously wounded in the bloody riot here late last night and early this morning. The battle was the outcome of a quarrel over the Hazleton troubles. Thirty-six men are known to have been wounded, and about fifty more are being secreted by their friends, who fear that they will be sent to jail.

Twelve of the ringleaders were brought before Justice Elias Kissinger and ten before Justice H. B. Johnson. All were charged with assault with intent to kill, housebreaking and rioting, and were held in heavy bail for court. Many warrants have been issued, but have not been served as yet.

Dr. Charles Schlessman attended the twenty-two wounded, nine of whom he says will die. Drs. William Monaghan and James Donohue attended fourteen others, and how many the other physicians cared for is not known. Three others have been reported dead, but this cannot be verified.

Several hundred Poles board at William Cullacabbage's hotel, on Second street. Joseph Cavendish is proprietor of the hotel at the east end of town, where several hundred more Poles make their headquarters. Bad blood has existed between them for a long time, and the recent strike troubles at Hazleton embittered them still more. Last night matters came to a crisis.

Cullacabbage, it is charged, and his followers, to the number of several hundred, armed with guns, revolvers, knives, axes and clubs, marched to Cavendish's hotel, where several hundred of their enemies were celebrating payday. The Cavendish men ascertained that their foes were marching upon them, and, arming themselves hurriedly, awaited their arrival. After a demonstrative march, the Cullacabbage contingent arrived, and immediately stormed the saloon.

Then a bloody battle ensued. The men fought like demons, the shooting was fast and furious; axes, knives, clubs and other weapons were used with deadly effect. The battle lasted almost an hour, when the Cullacabbage men were routed, leaving their wounded behind. Everything in the house was smashed and the floors strewn with wounded men. The walls were spattered with blood and shreds of human flesh.

After the rioters had returned to their headquarters, the Cavendish gang armed themselves to the teeth, and marched to their enemies' rendezvous, where a battle, still bloodier than the first, resulted. The police force and the constables of the surrounding region were called to the scene, but were unable to cope with the rioting horde, who continued hostilities until morning.

THE LUTGERT TRIAL.

A Witness Produced Who Saw Mrs. Leutgert May 9th.

CHICAGO, Sept. 28.—In the Leutgert trial this morning Dr. Rutherford, the Leutgert family physician, on the witness stand, said Mrs. Leutgert's health was fairly good. He visited the family twice a month, and never saw any unpleasantness in the family.

Armada Opdyke, a fruitvender from near Janesville, Wis., was shown a picture of Mrs. Leutgert and positively identified it as one of the two women he saw near Lake Zurich, on the night of May 9th.

Maggie Shaughnessy was put on the stand to impeach the evidence of Emma Schimpke. She says they were together at a dance hall opposite the sausage factory May 1st, and went home at 9 o'clock, and that Emma Schimpke could not have seen Leutgert and his wife at 11 o'clock.

TEKAMAH, Neb., Sept. 28.—H. Wade Gillie, an attorney of this place, claims to have seen the wife of A. L. Leutgert, who is now on trial in Chicago for her murder, long after the woman's body is supposed to have been boiled to pieces in the sausage factory. He says the woman came to him in the latter part of May and consulted him about getting a divorce.

Bad!

It is news to you, perhaps, that baking powder can be bad for the insides. Good baking powder, however, is not bad for the insides.

True, it costs more than baking powder at 25 cents or 30 cents a pound; but it does better work, and more work for the money, than "cheap" baking powder does, and it does no harm.

Of the right-price baking powders *Schilling's Best* is the best—your money back if you don't like it—at your grocer's.
