## PERSONAL MENTION.

Mr. G. D. Snowden left for Rufus last night.

Bill Wiseman left for Juneau, Alaska, this morning.

George Johnston and wife of Dufur are in the city today.

Harry Mahear of 8-Mile was on the streets this morning.

Emerson Williams of Kingsley was in the city last evening.

F. N. Crofton of Centerville is at the Umatilla House today.

Mr. Henry Bolton of Portland is visiting relatives in the city.

Mr. and Mrs. Goin of Albany are visiting Mrs. George Ferguson in this city.

Mrs. A. K. Dufur and daughter, Daisy, of Dufur are registered at the Umatilla House today.

Mr. and Mrs. Russell Sewell and Miss Pearl Williams returned to Portland on this morning's passenger.

Miss Ricks of Arlington came down this morning. She intends taking a position as operator in the O. R. & N. depot.

Mr. Eastwood, of the D. P. & A. N. Co., has an attack of fever which prevents him from attending to his duties on the dock.

B. S. Huntington, E. B. Dufur and W. H. Wilson returned from Sherman county last night, where they have been attending court.

"I have never had a day's sickness in life," said a middle-aged man the other day.

"What a comfort it would be," sighs some poor invalid, "to be in his place for a year or two." Yet half of the invalids we see might be just as healthy as he, if they would only take poorer care of themselves, eat proper food—and digest it.

It's so strange that such simple things are overlooked by those who want health. Food makes health.

It makes strength—and strength wards off sickness. The man who had never been sick was strong because he always digested his food, and you could become the same by helping your stomach to work as well as his. Shaker Digestive Cordial will help your stomach and will make you strong and healthy my making the food you eat make you fat.

Druggists sell it. Trial bottle 10 cents.

**A Fine School.**

St. Mary's academy for ladies, located in this city and under the direction of the Sisters, is one of the best educational institutions on the coast. The building is of brick, large and well ventilated. Besides the regular studies, special effort is made to instill into the minds of the pupils a desire to form their hearts to virtue, and to fit them to be true and noble women. Gratuitous lessons are given in all kinds of plain and fancy needle work, knitting, embroidery, etc. Pupils will receive the same watchful care that would be given them by conscientious parents. It is in fact an ideal school and a pleasant home. Those who have girls to send to school should write to St. Mary's academy for terms.

**The True Remedy.**

W. M. Repine, editor Tiskilwa, Ill., "Cheif," says: "We won't keep house without Dr. King's New Discovery for Consumption, Coughs and Colds. Experimented with many others, but never got the true remedy until we used Dr. King's New Discovery. No other remedy can take its place in our home, as in it we have certain and sure cure for Coughs, Colds, Whooping Cough, etc." It is idle to experiment with other remedies, even if they are urged on you as just as good as Dr. King's New Discovery. They are not as good, because this remedy has a record of cures and besides is guaranteed. It never fails to satisfy. Trial bottles free at Blakeley & Houghton's Drug Store.

Married ladies should see Dr. Mullinix. They will learn something that they have always wanted to know.
