NEW WORLD'S RECORD

Chehalis Paced Two Miles in 4:19 1-4 at Salem.

BEAT W. W. P.'S TIME 3 1-2 SECONDS

He Was Driven by Frank Frazier, and Ten Thousand People Saw Him Go--His Record.

SALEM, Or., Oct. 6.—Chehalis today lowered the world's record 3 1/2 seconds for the two-mile pace at the state fair track, in the presence of 10,000 people. Chehalis, driven by his owner, Frank Frazier, appeared on the track with his full brother, Del Norte, who has a record of 2:08. Both horses were loudly cheered. After scoring through the stretch a few times, Del Norte withdrew. After scoring once, Frazier announced that he was ready to start, and hundreds of watches were held in readiness to record his attempt to make a world's record.

Like a flash the black stallion was down to the wire, and, almost before the spectators could realize it, was on his way, making the first turn, moving easily and proudly. At the three-quarter pole the runner Bonbonniere, ridden by Galbraith, jumped in, but the Oregon pacer needed no prompter. He reeled off the first mile in 2:09 flat.

"Too fast; he'll not make it," was on many tongues as the first mile was finished. But his well-wishers breathed easier when 3:14 was called at the mile and a half.

Thirty-one seconds more saw him at the mile and three-quarters, and in the face of a strong southwestern wind he strode home gamely, creating a fresh record by passing under the wire in 4:19 1/4.

When the time was announced, amid prolonged cheers, Chehalis was crowned with wreaths of flowers, and led off the track, looking but little worse for his world-beating two-mile pace.

Chehalis' record by quarters was: First mile... 0:32 1/2 1:05 1/2 1:37 2:09 Second mile... 2:39 3:14 3:45 4:19 1/4 The best previous time for the two-mile pace was made by W. W. P. against time at Lincoln, Neb., October 31, 1895. W. W. P. made the distance in 4:22 3/4.

On Friday, Chehalis will go against John Staver, bicyclist, who has a record of 2:02, best two in three heats. A hurdle race of 1 1/4 miles will also be run Friday.

This afternoon it was announced from the grandstand that a certified check of \$10,000 would be put up to back the challenge that Chehalis will go against any horse in the world, best three in five heats, that goes in hoppers.

Following is a summary of the other races:

A Sickening Accident.

St. Louis, Oct. 7.—John Jackson, employed in the Tudor iron works in East St. Louis, was terribly burned last night while at work. He was guiding a red-hot bar of iron as it came out of the roll-

Cured by "Happy Thought" Salve.

"I was troubled with an Eczema or eruption on the hands for two years. I spent quite a sum of money without getting a cure. Then I commenced using Garland's Happy Thought Salve. I have used six or eight jars, and am cured. It is a great medicine, and I can fully recommend it to anyone troubled with skin disease." J. M. E. ATKINSON, City Treasurer, Seattle, Wa.

ers. Suddenly the bar twisted and before Jackson could escape, had pushed him against a heavy stand, where, by the force of the rollers it slowly encircled him. The smoke and the odor of his burning body filling the room. Before he was rescued he was terribly burned.

THE NEW SPANISH CABINET.

Havana Newspapers Comment Upon Sagasta's Accession to Power.

HAVANA, Oct. 7.—El Diario Marina, organ of the reform party, commenting on the new Spanish cabinet in its leading editorial, says:

"The fall of the headless and disconcerted conservative party means a transition from a dark night to a sunny day; it means a radical transformation of methods. The list of ministers is a clear indication that the platform of the new cabinet is pure and logical autonomy for Cuba. We have absolute confidence in a prompt re-establishment of peace. The rise in Spanish securities in Europe shows that the public in Spain and abroad has great confidence in Senor Sagasta's cabinet."

The Union Constitutional organ of the conservative party, says: "The change in the Spanish cabinet is of minor importance, as all true Spaniards must have the same patriotism in defending the high ideals of the nation."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:

HEAVY LOSS OF LOSS.

Fires Create Terrible Havoc on the Northern Border.

WINNIPEG, Oct. 7.—The forest fires that have been raging in Manitoba close to the boundary line for the past ten days have broken out more furiously than ever. Ten or twelve persons are reported to have been burned to death, and the fire is rapidly spreading and crossing the boundary into North Dakota. Settlers have been fighting the flames for over a week trying to keep them from getting into the more thickly populated districts.

The flames are driving hundreds of the wolves and coyotes into the open, and flocks of geese and ducks have been seen flying over the burning forests.

Near Whitemouth, H. L. Laundry, a trapper, was burned to death.

A German woman living in a small house, near where the fire was the most furious yesterday is reported to have burned to death and her children are missing.

A dispatch from Whitemouth states the fire is spreading rapidly. Several settlers had close calls for their lives. A heavy wind drove ahead of it a mass of smoke which blinded them, and a long line of flames which consumed everything in their path.

East of Whitemouth the situation is very critical. The section foreman of Darwin and his wife and men were picked up by a freight train and brought to Whitemouth. Roadmaster Horner, on a handcar attempted to run from Darwin with his men, but nearly succumbed through suffocation, and was compelled to take refuge in a passing freight train.

All the telegraph poles for several miles east of the town are down and trains are tied up.

A Broken Head, Manitoba dispatch says the country is on fire there. On both sides of Broken Head river much damage is being done. The smoke is so thick that it is impossible to see twenty yards, though there is no fire nearer than a mile.

"I have never had a day's sickness in life," said a middle-aged man the other day.

"What a comfort it would be," sighs some poor invalid, "to be in his place for a year or two." Yet half of the invalids we see might be just as healthy as he, if they would only take poorer care of themselves, eat proper food—and digest it.

It's so strange that such simple things are overlooked by those who want health. Food makes health.

It makes strength—and strength wards off sickness. The man who had never been sick was strong because he always digested his food, and you could become the same by helping your stomach to work as well as his. Shaker Digestive Cordial will help your stomach and will make you strong and healthy by making the food you eat make you fat. Druggists sell it. Trial bottle 10 cents.

The True Remedy.

W. M. Repine, editor Tiskilwa, Ill., "Chief," says: "We won't keep house without Dr. King's New Discovery for Consumption, Coughs and Colds. Experimented with many others, but never got the true remedy until we used Dr. King's New Discovery. No other remedy can take its place in our home, as in it we have certain and sure cure for Coughs, Colds, Whooping Cough, etc." It is idle to experiment with other remedies, even if they are urged on you as just as good as Dr. King's New Discovery. They are not as good, because this remedy has a record of cures and besides is guaranteed. It never fails to satisfy. Trial bottles free at Blakeley & Houghton's Drug Store. (4)
