ORDERED TO MADRID

Spanish Ministry's Orders are Emphatic.

BLANCO HAS STARTED FOR CUBA

The New Captain-General Sails For Havana Today--Tuesday.

New York, Oct. 11.—A dispatch to the World from Madrid says:

The minister of war has cabled to General Weyler to embark for Madrid immediately, handing over his command to the Marquis de Ahmuda or General Linares. All high civil officers and the principal lieutenants of Weyler will be replaced promptly.

The government telegraphed an order to cease instantly all vigorous methods of warfare practiced hitherto.

With the exception of conservatives and republicans who persist in courting Weyler, the majority of the press openly applauded the new government for gazing decrees recalling General Weyler and appointing Marshal Blanco governor-general of Cuba.

So determined was the cabinet to act vigorously that immediately after the council of ministers approved the above decrees, Count Xinquena, minister of public works, carried them to the palace. The queen got up from dinner to sign them. The minister of war telegraphed the Transatlantic Company to postpone the departure of the mail steamer to allow General Blanco to embark Tuesday with a numerous staff. Six generals, officers who served under Marshal Campos in the early part of the present war, and 20,000 men as reinforcements, will follow in November. General Blanco is not expected to be in a position to form a correct estimate as to the situation, or to suggest the best course to follow before about the middle of November.

Military operations will continue as soon as fine weather will permit against all insurgents who are not disposed to submit on hearing of the contemplated reforms and the reversal of the policy of the past two years.

General Blanco, now captain-general of Cuba, announces that he will act with great energy against the insurgents, and will employ all political means to restore equality of treatment in various sections of the community. He has the greatest desire to end the war and establish peace by the system adopted in 1879. The inhabitants of Palma, the birthplace of General Weyler, are preparing to give him an ovation on his return from Cuba.

The government has received unfavorable intelligence of the revival of the insurrection in the Philippine Islands. The situation there is serious. Six filibustering expeditions from Japan and China have landed arms and war stores on various parts of the coast. Considerable reinforcements will have to be sent to Manila before the fine season opens, when the rebels are likely to resume offensive operations, because the present governor, Marshal Rivera, has sent home half the European forces, believing the rebellion to be subdued.

Marshal Campos declined to go to the Philippines, believing his presence in Spain more necessary if the eventualities of the colonial wars should make military dictatorship necessary.

A Gillam county boy put a garter snake in his father's private jug. When the old man a little later went to take a snort, the snake poked his head up and lolled his tongue at him. Of course he fainted, but when he "came to" he swore off for good.

Cured by "Happy Thought" Salve.

"I was troubled with an Eczema or eruption on the hands for two years. I spent quite a sum of money without getting a cure. Then I commenced using Garland's Happy Thought Salve. I have used six or eight jars, and am cured. It is a great medicine, and I can fully recommend it to anyone troubled with skin disease." J. M. E. ATKINSON, City Treasurer, Seattle, Wn.

ROYAL BAKING POWDER Absolutely Pure.

ROYAL BAKING POWDER CO. NEW YORK.

A few weeks ago the editor was taken with a very severe cold that caused him to be in a most miserable condition. It was undoubtedly a bad case of la grippe and recognizing it as dangerous he took immediate steps to bring about a speedy cure. From the advertisement of Chamberlain's Cough Remedy and the many good recommendations included therein, we concluded to make a first trial of the medicine. To say that it was satisfactory in its results, is putting it very mildly, indeed. It acted like magic and the result was a speedy and permanent cure. We have no hesitancy in recommending this excellent Cough Remedy to anyone afflicted with a cough or cold in any form.—The Banner of Liberty, Libertytown, Maryland. The 25 and 50 cent sizes for sale by Blakeley & Houghton.

WILL EXPLORE ALASKA.

A Large Expedition Soon to Sail From Seattle.

SAN FRANCISCO, Oct. 11.—The Call says that a party of engineers and surveyors, including Captain Smith, W. J. H. Fagelester, W. A. Blake and J. W. Sheerer, have started for Seattle, where they will be reinforced by about 80 men. A steamer will be chartered to carry them to Chilkat inlet, and from there they will go to Fort Selkirk. One of the objects of the expedition is to determine whether the 300 miles that separate the Yukon at Fort Selkirk from the ocean at Chilkat affords a practicable route for a railroad. It is also proposed to prospect the Yukon country for gold.

The parties who have organized this formidable expedition are from Boston, San Francisco and Puget sound, and to thoroughly equip it \$200,000 has been subscribed and paid in.

"I have never had a day's sickness in life," said a middle-aged man the other day.

"What a comfort it would be," sighs some poor invalid, "to be in his place for a year or two." Yet half of the invalids we see might be just as healthy as he, if they would only take poorer care of themselves, eat proper food—and digest it.

It's so strange that such simple things are overlooked by those who want health. Food makes health.

It makes strength—and strength wards off sickness. The man who had never been sick was strong because he always digested his food, and you could become the same by helping your stomach to work as well as his. Shaker Digestive Cordial will help your stomach and will make you strong and healthy by making the food you eat make you fat. Druggists sell it. Trial bottle 10 cents.

THE SHORT LINE TO BE INSPECTED

Officials Will Make a Trip Over the Road.

DENVER, Oct. 11.—A party of officials of the Oregon Short Line railway has arrived here. The party, all of whom are

from Boston, is composed of Samuel Carr, president of the Short Line; T. Jefferson Coolidge, vice president; Oliver Ames, director; Henry G. Nichols, director and attorney; C. L. Hubbard, controller.

They will start for Glenwood Springs Tuesday morning, leaving there the following morning for Salt Lake. The object of their trip is a general tour of observation from Salt Lake and Ogden over the Oregon Short line.

Their sentiment is that the whole country is generally more prosperous, and the outlook a bright one. The business of the Short Line is reported as having increased in spite of the difference of opinion about the Ogden gateway being opened to all roads.

Mr. Coolidge is a member of the Oregon Improvement Company, which is making strenuous efforts to transport freight to Alaska. This company, he says, is preparing to carry freight at the rate of six tons a day over White pass. The project now under consideration is to use an aerial tramway for the transportation of ore for six miles on each side of the pass. If carried out this will be one of the greatest systems of the world.

THE REBELLION IN GUATEMALA.

Morales Declares the Insurgent Cause Will Triumph.

SAN FRANCISCO, Oct. 11.—Mariano Lopez, one of the prominent citizens of Guatemala, now in this city, has received the following:

"Tapachula, Oct. 9.—We are triumphing, I will communicate to you the details of the battles against the despot, Morales."

Lopez has received other messages, the most important telling of the fusion of the liberals. He says the so-called taking of Quezaltenango was merely an abandonment of that point for strategic reasons, as shown in his dispatches. In regard to the forces at the command of the revolutionary party, the latest information is that there are 17,000 men, all well equipped and wanting for nothing, either in supplies or ammunition.

If strength is what you want, you should study what causes your weakness.

It is practically lack of food. But you eat three meals a day, and all you can eat at a time.

Yes, but do you digest it? Food undigested, is not food. It is not nourishment.

It doesn't create strength. To digest your food take Shaker Digestive Cordial at meals. After a while you will digest your food without it. Then you will get well, and strong and healthy.

Shaker Digestive Cordial cures indigestion and all its symptoms, such as nausea, headache, eructations, pain in the stomach, giddiness, loss of appetite, etc. It makes your food nourish you, and make you strong and fat and hearty. Druggists sell it. Trial bottle 10 cents.

ANOTHER GOVERNMENT VICTORY.

Rebels Defeated and Driven Across the Mexican Border.

NEW YORK, Oct. 11.—A dispatch to the Herald from Guatemala says:

Reports from the front state that the rebels near San Marcos have been defeated and driven into Mexico. It is officially announced that the Mexican government is sending forces to the frontier to prevent the rebels from forming a base of operations on Mexican territory.

The insurgent leaders, it is reported, are now in Tapachula.

General Solares, the minister of war in Barrios' cabinet, has gone to the front to personally direct the operations against the rebels.

The British flag ship Imperieuse is expected at San Jose as well as the Alert. Commander Richards and Passed Assistant Paymaster Lytle, of the Alert, are both ill, and have been removed to a hospital in San Jose. Their condition is not serious.
