TAMMANY ON TOP

The Machine Works Well When It Works at All.

NEW YORK STATE DEMOCRATIC

The Results Close in Ohio—The Interest General Light and the Vote Small.

New York, Nov. 3.—The result of the election in Greater New York was a complete victory for Tammany city, borough and county tickets. Robert Van Wyck was elected mayor by a plurality of 85,308, receiving 235,800 votes.

Seth Low, the citizens' union candidate for mayor, carried several assembly districts and polled a large vote, but all the boroughs returned pluralities for the Tammany forces.

Mr. Low was well ahead of General Tracy, the republican nominee, who was third in the race. Low polled 149,873 votes, Tracy, 101,833.

Henry George polled 20,832 votes, and the combined votes cast for Gleason, Wardwell, Sanial and Cruickshank, the candidate of the prohibition, social labor and united democracy, polled less than 5000.

Indications are that with exception of six of the twelve assemblymen in Brooklyn and nine of thirty-five in New York, all the Tammany candidates are elected. In Queens four of the assemblymen are democrats. The citizens' union elected two assemblymen in New York county.

The result of the first municipal election in Greater New York completely reverses the conditions of 1896, when McKinley's plurality in the same territory was 56,865. The plurality of Van Wyck is about 85,000, and the entire Tammany ticket is elected by a majority ranging from 70,000 to 100,000. Coler's plurality over the machine republican (for controller) is over 100,000. Both Van Wyck and Coler were free-silver adherents in 1896. Alton B. Parker, democrat, for judge of the state court of appeals, carried Greater New York by 100,000, insuring his election and democratic success in the state.

Such a rush to the polls has never been known except in presidential years. Rainy weather failed to dampen the civic patriotism.

The vote for Van Wyck is about 44.25 per cent of the total vote cast, or less than the 45.21 per cent cast for Bryan in 1896 in the same territory.

THROUGHOUT THE STATE.

All the Large Outside Cities Elected Democratic Mayors.

ALBANY, Nov. 3.—Returns from the State, which are coming in slowly, demonstrate that the republican landslides of the past two years have been reversed, if not by giving as large a majority for the democrats, at least by changing something like 240,000 votes. The greater surprise of returns is great gain made in the assembly by the democrats, many of them being in counties and districts where there was no expectation on the part of the democratic managers of winning. The republicans will still control the assembly, although by a largely decreased majority.

More surprising perhaps than the returns on the state and assembly district tickets were the results of the municipal campaigns in the large cities. New York, Buffalo, Rochester, Syracuse, Utica, Albany, Troy, Binghamton and Schenectady all elected democratic mayors.

been brought here from Susanville, a mining camp about 15 miles above this place, in the Greenhorn mountains, by Robert Marshall, an old miner of that place, of an accident that occurred in that district, a few days ago. Though no lives were lost, considerable damage was done to property.

Sloan & Haskell had been operating a hydraulic placer during the past season, and had just completed a large reservoir, the dam of which was 30 feet high. The apparatus for raising and lowering the floodgate was not sufficiently strong to do the work, and the reservoir overflowed. The immense dam gave way, sending such a torrent of water, logs, stumps and other accumulated debris down the race that nothing could withstand it. The volume of water was so great that the second dam, just below, was washed away as clean as if it had never existed. The water thus unrestricted spread over the valley below, completely inundating the placer works, for the operation of which the reservoir had been constructed. Several hundred feet of flume was destroyed, and the giant used in operating the water was knocked out of position, but only slightly damaged.

Mr. Marshall says that men were put to work as soon as the force of the water was spent, rebuilding the dams and flume, but the work will be necessarily slow on account of the damaged condition of things. He estimates the damage to Sloan & Haskell's property at about \$1000, to say nothing of the delay to the works and the time required to repair them.

A LANDSLIDE IN OLD IOWA.

Shaw's Plurality for Governor Over Twenty Thousand.

DES MOINES, Ia., Nov. 3.—Reports received from 50 counties give Shaw a plurality of 20,320. It is expected by Chairman McMillen that the plurality

will be increased by from 12,000 to 14,000 when the returns are received from the entire state. The republicans claim 63 in the house, out of 100, and 40 out of 50 in the senate.

The returns early last night showed a net democratic gain of 37 to the precinct. Later, this was reduced to 21½, and is expected to go as low as 14 or 15.

REFORM PARTY GOT THE MAYOR

Result of the Municipal Contest at Salt Lake.

SALT LAKE, Utah, Nov. 3.—The citizens' reform party has elected mayor, auditor and three members of the council. The democrats have elected the recorder, attorney, treasurer and eight members of the council. The republicans elect four councilmen. The vote for mayor was: Clark, citizens' reform, 4380; Dale, democrat, 4288; Doremus, republican, 3230; Lawrence, populist, 1171; Hasbrouck, socialist-labor, 166.

The Result at Ogden.

OGDEN, Utah, Nov. 3.—The democrats have elected the mayor by 20 majority. The republicans elected all the other city officials, including six of 10 members of the council.

Heritt Probably Re-elected.

DENVER, Nov. 3.—State returns are meager, but indicate the re-election of Charles D. Heritt, republican, as supreme judge, by 1500 majority over Gabbert, populist-democrat. The entire silver republican ticket was elected in this county.

Democrats Carried All.

RICHMOND, Va., Nov. 3.—It is estimated on full and partial returns that the democrats elected 13 out of 21 senators and 74 out of 100 members of the house. McCaul, the republican candidate for governor, will carry his own precinct.

Fusion Carried All.

LINCOLN, Neb., Nov. 3.—Additional precinct returns from the state do not change the figures given last night indicating a fusion plurality exceeding that of 1896, which was about 11,000.

Republican Victory Here.

SIoux FALLS, S. D., Nov. 3.—In eight judicial circuits of the state the republicans elect five judges, the democrats one and the populists two. The republican victories come as a surprise to the republicans as well as to the opposition.

Gorman Will Probably Win.

BALTIMORE, Nov. 3.—With semi-official returns from all the counties in the state, except St. Mary's and Calvert, and fairly good estimates from there, the democrats appear to have elected enough members to the legislature to give them a majority of five on joint ballot and to insure them a United States senator to succeed Gorman.
