BOTH BRANCHES SAFE

Republicans Will Control the Assembly.

CHAIRMAN HACKETT'S STATEMENT

Rumors of Factional Strife Denied—Citizens' Union Men Will Act With the Republicans.

NEW YORK, Nov. 11.—Chairman C. W. Hackett, of the republican state committee, has given out the following statement concerning the organization of the New York legislature:

"The republicans have elected a substantial majority in the next assembly, and will organize the body. The returns as canvassed officially make it certain that the republican vote in the next house will exceed the democratic by at least 11. A republican will be elected speaker, and republican ideas of legislation will prevail in the sessions. The lower house will be in sympathy with the republican senate and the republican governor. The rumor of factional differences and the claims of democrats which have been circulated with the manifest purpose of confusing the people of the State as to the political complexion of the assembly, are not worthy of serious consideration.

"Eighty-one republicans have been elected to the assembly. Two of them from New York city were nominated by the Citizens' Union. Their affiliations have been always with the republicans. Doubtless on considering and acting upon legislation effecting municipal affairs they will be guided to some extent by the views of those responsible for their nomination and election, but on questions involving party considerations it is as absurd to suppose that they will join the democrats as that the democrats will rally under their leadership.

"There is nothing in the avowed principles of the Citizens' Union as I understand them, which would compel men holding the ideas of either great party to abandon them and take up with their old-time opponents. Even if such an absurdity were possible there are still enough representatives to guarantee that a republican speaker will preside, and that the legislation will be directed along the lines of established republican policy."

X-RAY EVIDENCE CONSIDERED.

Koentgen's Discovery in Court for the First Time.

NEW YORK, Nov. 11.—"X" rays were used in court for the first time in this country in a damage suit before a jury in the Brooklyn superior court. Martin Hutchinson, 9 years old, was subjected to a ray examination for several minutes. He was injured on Christmas night, 1895, by being ejected from a street-car. The plaintiff contends that the head of the left humerus was fractured from the boy's fall from the car when the conductor threw him off.

A dynamo was placed in front of the jury box and near the lawyers' table, and a large Crookes tube was used. Soon after the case had been resumed young Hutchinson's jacket and outside shirt were removed. The arms and shoulders were exposed.

Before the examination the question as to whether any possible injury would result from the examination was discussed. J. Stewart Ross, who represents the plaintiff, insisted that a limit as to the time of the examination should

It was decided that it should be three minutes.

When the boy took his seat with his left shoulder about six inches from the Crookes tube, he smiled at the jury and the lawyers. Dr. William Morton looked at the boy's shoulder through a fluoroscope, and Judge Johnson, who presided at the trial, stood up and timed the proceeding. George L. Fowler then took the fluoroscope and looked at the boy's left arm and shoulder until time was called.

Dr. Morton and Dr. Fowler will tell on the stand the results of the examination. They are witnesses for the defense.

Previous to that made in court there had been examinations of the boy's shoulder. The examinations were made to show the results of the fracture.

Stands at the Head.

Aug. J. Bogel, the leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J. F. Campbell, merchant of Safford, Ariz., writes: "Dr. King's New Discovery is all that is claimed for it; it never fails, and is a sure cure for Consumption, Coughs, and Colds. I cannot say enough for its merits." Dr. King's New Discovery for Consumption, Coughs and Colds is not an experiment. It has been tried for a quarter of a century, and today stands at the head. It never disappoints. Free trial bottles at Blakeley & Houghton's drug store.

A Last Desperate Effort.

SAN FRANCISCO, Nov. 11.—The attorneys for Durrant are making a desperate effort to save the life of the murderer. General Dickenson this morning appeared before United States District Judge Dehaven and asked permission to file a petition for a writ of habeas corpus on behalf of the condemned youth. Judge Dehaven suggested that the matter be taken into the United States circuit court. At 11 o'clock General Dickenson renewed his plea in that court before Judges Morrow and Dehaven.

NOVEMBER 12.—A dispatch received this afternoon states that the petition has been filed and a stay of proceedings granted.

AFFAIRS OF THE PULLMANS.

Robert T. Lincoln Made a Director in the Company.

CHICAGO, Nov. 11.—A meeting of the directors of the Pullman Car Company was held today. Robert T. Lincoln was elected a director. The most important action taken was the appointment of an executive committee, consisting of H. E. Hulber, of New York; Marshal Field and Robert T. Lincoln of Chicago, who will have charge of the general affairs of the company. Lincoln was elected chairman of the committee.

Today's action practically makes Lincoln president of the company.

The three-year-old boy of J. A. Johnson, of Lynn Center, Ill., is subject to attacks of croup. Mr. Johnson says he is sure that the timely use of Chamberlain's Cough Remedy, during a severe attack, saved his boy's life. He is in the drug business, a member of the firm of Johnson Bros., of that place, and they handle a great many patent medicines for throat and lung diseases. He had all these to select from, and skilled physicians to answer to his call, but selected this remedy for use in his own home at a time when his boy's life was in danger, because he knew it to be superior to any other, and famous the country over for its cures of the croup. Mr. Johnson says this is the best selling cough medicine they handle, and that it gives splendid satisfaction in all cases. Sold by Blakeley & Houghton.

Tragic Ending of a Romance.

CYNTIANA, Ky., Nov. 11.—Two weeks ago Lynn Taylor went to Cincinnati instead of appearing at the side of Miss Mary Burns, on which occasion he was to make her his bride. The heartbroken girl took the matter so seriously as to prefer death by suicide to facing life afterward. Yesterday Taylor committed suicide from remorse, adopting the same method as did Miss Burns, his affianced bride; he hanged himself.

A Valuable Prescription.

Editor Morrison of Worthington, Ind., "Sun," writes: "You have a valuable prescription in Electric Bitters, and I can cheerfully recommend it for Constipation and Sick Headache, and as a general system tonic it has no equal." Mrs. Annie Stehle, 2025 Cottage Grove Ave., Chicago, was all run down, could not eat nor digest food, had a backache which never left her and felt tired and weary, but six bottles of Electric Bitters restored her health and renewed strength. Prices 50 cents and \$1.00. Get a Bottle at Blakeley and Houghton's Drug Store.

Situation at Madrid.

NEW YORK, Nov. 11.—A dispatch to the Herald from Madrid says: The outlook as regards the United States is considered to have improved. Greater quiet prevails here.

It is reported here that the papal nuncio at Madrid, who is at present in Rome, has received instructions from the pope to exhort the Spanish clergy against espousing the cause of Don Carlos.

"The worst cold I ever had in my life was cured by Chamberlain's Cough Remedy," writes W. H. Norton, of Sutter Creek, Cal. "This cold left me with a cough and I was expectorating all the time. The remedy cured me and I want all my friends when troubled with a cough or cold to use it, for it will do them good. Sold by Blakeley & Houghton."

A Day of Wrangling.

LOUISVILLE, Ky., Nov. 11.—The second day's session of the general assembly of the Knights of Labor was consumed in wrangling over the contested delegations. It is believed the assembly will be fully organized before the day is finished.

Caused by a Misplaced Switch.

CHICAGO, Nov. 11.—A Chicago & Eastern Illinois passenger train, bound for Chicago collided with a milk train on the Wabash road at Hammond junction today, while both trains were going at a high rate of speed. A misplaced switch caused the wreck.
