PANDO IN PURSUIT

Spanish Forces Assuming an Aggressive Policy.

THE CUBAN ARMY HARD PRESSED

Pando's Commissioners Hanged by Cuban—Weyler's Chilly Reception at Madrid.

NEW YORK, Dec. 13.—A special dated today from Key West says:

It is officially announced that the Spanish column under command of General Pando, in the province of Puerto Principe, has been pushing the insurgent leader, General Gomez, so closely that he was obliged to take refuge in the woods and mountains.

The commissioners sent by General Pando to different parts of the island with instructions to negotiate with the insurgents for their acceptance of the autonomous features of the government proposed by Spain, have not returned in a single case, which seems to confirm the report that some of them have been hanged by the insurgents, and that others are forced to remain with the enemy.

A FRONT FOR WEYLER.

Madrid Populace Falls to Enthusiasm Over the Deposed Commander.

NEW YORK, Dec. 13.—Describing the reception of General Weyler in Madrid, the Herald's correspondent in that city says:

In spite of all Romero Robledo's hard work to insure an enthusiastic reception for General Weyler in Madrid; in spite of the fact that a holiday had been carefully chosen, and the hour of his arrival, 1 o'clock, was a most propitious one, the affair passed off amid almost complete indifference. Between 1000 and 1500 supporters of the various political parties, all of whom expect to secure General Weyler's adhesion, were at the station, but there were few cries and but little enthusiasm. His passage to the house was tame in the extreme.

Solely with a view to prevent hot-headed Robledoists or Weylerists from making any demonstrations, the government took all precautions and sent a detachment to guard the residence of Minister Woodford, who accepted the guard as a courteous but quite unnecessary attention.

The small interest taken in the arrival of General Weyler in government circles is indicated by the fact that a little later in the afternoon the principal members of the cabinet, including Senors Morrell and Gullon, as well as the diplomatic corps, among them Minister Woodford and Mr. McArthur, second secretary of the United States legation, went to the station to bid good-bye to the Marquis de Reversaux, de Rauveray, who was proceeding to his new post at Vienna.

Luetger's Line of Defense.

CHICAGO, Dec. 13.—Attorneys Harmon and Riez, in their defense of Adolph L. Luetger, have decided to base a strong fight on the point of the corpus delicti. They have been making a special study of the law governing this point. They will contend for the principles of com-

I was troubled for a long time with a sore wrist; something the doctors termed an open vein. It would break and the blood would flow in a stream from it, and I could find nothing that would heal it until I tried your Happy Thought Salve. A small quantity healed it up nicely. In fact it has been well and showed no signs of breaking for over three months, so I feel it has done perfect work.

mon law enunciated years and years ago by Lord Hale, that a man cannot be convicted where the corpus delicti and the crime are proven by circumstantial evidence. Either the body must be produced or the murder proven to have been committed, and proved by direct testimony.

The Surprise of All.

Mr. James Jones, of the drug firm of Jones & Son, Cowden, Ill., speaking of Dr. King's New Discovery, says that last winter his wife was attacked with La Grippe, and her case grew so serious that physicians of Cowden and Pana could do nothing for her. It seemed to develop into Hasty Consumption. Having Dr. King's New Discovery in store, and selling lots of it, he took a bottle home, and to the surprise of all she began to get better from first dose, and half dozen dollar bottles cured her sound and well. Dr. King's New Discovery for Consumption, Coughs and Colds is guaranteed to do this good work. Try it. Free trial bottles at Blakeley & Houghton's drug store.

The Day's Doings in the House.

WASHINGTON, Dec. 13.—The blind chaplain of the house in his invocation today referred eloquently and feelingly to the death of the president's mother.

Bingham reported to the house the executive, legislative and judicial appropriation bill, which he gave notice he would call up tomorrow.

Cannon, chairman of the committee on appropriation, secured unanimous consent for the passage of the urgent deficiency bill, which he explained carried but three items—\$5000 for the construction of a building at the naval academy, \$30,000 for payment of temporary employees of the house and senate, and \$150,000 for the payment of mileage of senators and representatives.

Beware of Ointments for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Price 75c. per bottle. Sold by Druggists.

Assigned for a third Hearing.

WASHINGTON, Dec. 13.—In the supreme court today the case of the Boyden Power Brake Company vs. the Westinghouse Company was restored to the docket for reargument and assigned to the first Monday in March. This will make the third hearing.

Olive Pecker Crew Indicted.

NORFOLK, Va., Dec. 13.—The Olive Pecker crew has been indicted and will be tried, notwithstanding recent reports that their case would never be tried.

MAY LOOSE HER EYESIGHT.

Mrs. Oelrich's Accident Threatens to Result Seriously.

CHICAGO, Dec. 13.—A New York special to the Tribune says:

Mrs. Herman Oelrich, it is said, is threatened with total blindness. Her left eye was wounded on December 4th by a tack falling on it while she was superintending the hanging of some tapestry, and withing the last 48 hours the condition of both eyes has become most serious and alarming. There is a hope, of course, that her eyesight may be preserved to her.

Dr. Napp, the famous oculist, and two other physicians are treating her and three trained nurses are kept in attendance.

In the Senate.

WASHINGTON, Dec. 13.—In the Senate today Davis, chairman of the committee on foreign relations, called up the bill prohibiting the killing of fur seals in the North Pacific ocean, but on suggestion of Pettigrew, who desired to present amendments, it went over till tomorrow.

Pettigrew called up the bill granting settlers the right to make second homestead entries of 160 acres, and it was passed.

An agreement was reached by the senate to vote on the immigration bill January 13th, at 3 o'clock, and the Senate adjourned.

How to Prevent Pneumonia.

At this time of the year a cold is very easily contracted, and if left to run its course without the aid of some reliable cough medicine is liable to result in that dread disease, pneumonia. We know of no better remedy to cure a cough or cold than Chamberlain's Cough Remedy. We have used it quite extensively and it has always given entire satisfaction—Olague, Ind. Ter. Chief.

This is the only remedy that is known to be a certain preventive of pneumonia. Among the many thousands who have used it for colds and la grippe, we have not yet learned of a single case having resulted in pneumonia. Persons who have weak lungs or have reason to fear an attack of pneumonia, should keep the remedy at hand. The 25 and 50 cent sizes for sale by Blakeley & Houghton.

Pingree Pardons a "Lifer."

JACKSON, Mich., Dec. 13.—Edward Rogers, sent to the states prison from Saginaw in 1891 for life, has been pardoned by Governor Pingree. Rogers' sister will take him to her home in California. He had a family in New York city, but left them during a drinking spell. At Saginaw he became infatuated with a woman whom he killed because she would not marry him.
