## THE CUP OVERFLOWS

Fresh Complications Threaten Hayti.

REDRESS FOR OUTRAGE DEMANDED

An Attempt to Enforce Payment Not Improbable—Hayti Likely to Offer Resistance.

New York, Dec. 14.—A Port au Prince special to the Herald says:

More trouble of a kind similar to the recent Luaders affair threatens Hayti, and Port au Prince may have to face another menace of bombardment. Italy has long had claims against Hayti, and these, it is alleged, have never been settled.

One case that has been pending since 1893 was the case of a merchant at Port de Paix, whose vessel and cargo, worth \$80,000, it is alleged, were illegally seized and sold by the government of Hayti.

The other was that of an Italian fisherman who was assassinated here last October, the man who was accused of committing the crime not having been brought to justice yet. Italy, it is reported, will push the settlement of these claims at once, and rumors have reached here that Italian warships are being sent to back up the demands.

The new ministry is looked upon favorably and it is thought the proclamation will have a good effect in quieting the people, who have been threatening an uprising ever since the late ministry surrendered to the demands of the German government.

AS VIEWED AT WASHINGTON.

Hayti Likely to Fight Before Acceding to Italy's Demands.

New York, Dec. 14.—If Italy follows the same course pursued by Germany in collecting indemnity for the murder of an Italian subject and the illegal seizure of an Italian vessel, the belief prevails in Washington that President Sam will be forced by his people to declare war, says a Washington correspondent to the Herald.

Minister Leger said he had received no information in regard to this latest phase of Hayti's international trouble, but he expected that he would be advised, so that he may make suitable representations on the subject to this government.

Mr. Leger has repeatedly asserted that the president of Hayti would oppose a compliance with Germany's demands, and while the Haytians have no fortifications, and a navy hopelessly inferior to that of Italy, members of the Haytian legislature expect their government will not comply with any peremptory demand which may be made by Italy unless it should be shown that there is justice in the claim.

These gentlemen believe their government is not responsible for either of the matters brought to its attention by Italy.

It is expected by the authorities that in case Italy presses her claim against Hayti, the Haytian government will ask this government to use its good offices for the settlement of the incident.

I was troubled for a long time with a sore wrist; something the doctors termed an open vein. It would break and the blood would flow in a stream from it, and I could find nothing that would heal it until I tried your Happy Thought Salve. A small quantity healed it up nicely. In fact it has been well and showed no signs of breaking for over three months, so I feel it has done perfect work.

Until fully acquainted with the facts, the president will probably outline no policy, but should it be shown that the Italian claims are just, the administration will not interfere unless Italy should attempt to make a permanent landing on Haytian soil.

Yellow Journalism in Paris.

PARIS, Dec. 14.—The government, it is announced, contemplates the suppression of newspapers alleged to be systematically inventing stories concerning Dreyfus.

Uses all Accounted For.

DENVER, Dec. 14.—Brigadier-General Otis has received information from the commanding officer at Fort Duchesne, stating that all the Utes had returned to their reservation, there being none now in Colorado.

He also received information from Ports Grant and Huachuca to the effect that cavalry is out looking for the Indians that were reported to have chased some cow boys the other day in that section of the country, but had been unable to find any trace of Indians. The three companies sent out from Fort Grant returned yesterday and those from Fort Huachuca have been instructed to return.

As near as can be learned there are no Indians missing from the reservation in Arizona or New Mexico.

After meals you should have simply a feeling of comfort and satisfaction. You should not feel any special indications that digestion is going on. If you do, you have indigestion, which means indigestion. This may be the beginning of so many dangerous diseases, that it is best to take it in hand at once and treat it with Shaker Digestive Cordial. For you know that indigestion makes poison, which causes pain and sickness. And that Shaker Digestive Cordial helps digestion and cures indigestion. Shaker Digestive Cordial does this by providing the digestive materials in which the sick stomach is wanting. It also tones up and strengthens the digestive organs and makes them perfectly healthy. This is the rationale of its method of cure, as the doctors would say. Sold by druggists, price 10 cents to \$1.00 per bottle.

A Postoffice Burglarized.

TACOMA, Dec. 14.—Burglars entered the Orting postoffice last night, cut open many letters and stole two pension checks, one of \$50, for A. McKenzie, and the other of \$18, for Charles Lindsay, both inmates of the soldiers' home.

Beware of Ointments for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Price 75c. per bottle. Sold by Druggists. 4.
