DEATH THEIR FATE

Short Shrift for Bearers of Autonomy Proposals.

OFFERS KEPT FROM THE SOLDIERS

Insurgent Chiefs Fully Determined to Hold the Army Together at Whatever Cost.

NEW YORK, Dec. 15.—A Havana dispatch to the Herald says:

The Cuban leaders in the field are adopting every possible method to prevent even the thin edge of the wedge of autonomy from entering their ranks. They not only absolutely refuse to discuss autonomy themselves, but they are determined in their efforts not to allow Spain's offers of self-government to be laid before the insurgent troops.

All emissaries who dare to carry the olive branch to the field are hung if caught. Seventy per cent of the rebel soldiers are kept in ignorance of the liberal terms offered by Spain.

There is reason for the reliance on the part of the Cuban chiefs. There are rebels and there are subordinate rebel officers who are tired of war and its accompanying hardships, and who would lay down their arms if liberal home rule was guaranteed.

There are not many of these it is true, but some, and their desertion would have a far-reaching moral effect. General Gomez and his generals realize this, and hence will tolerate no consideration of autonomy.

It is asserted that this attitude on the part of Gomez and other leaders accounts in a measure for the mystery surrounding the recent meeting of the Cuban assembly to elect a president and other officials.

There is circumstantial evidence at hand to prove that the news published last September of Senor Capote's election as president was correct. After acting three months Senor Capote was replaced by Senor Maso because the former was a man of peace and a far-seeing lawyer, and as such might be inclined to listen to proposals of autonomy.

SANGUILLI NOT A TRAITOR.

On the Contrary He Returns to the Cuban Army at Once.

NEW YORK, Dec. 15.—General Julio Sanguilli, instead of being a traitor, as recent reports from Havana would indicate, returns to the island at once in obedience to the commands of his chief, General Gomez. This statement is made on the authority of a physician, a Cuban, who stands high among the members of the junta here.

Sanguilli is in Washington, where it is said he will call on Secretary Sherman and renounce his American citizenship in order to absolve himself from the pledge he gave when the secretary secured his release from a Spanish prison, that he would not again take up arms against Spain.

A Veteran Sport in Luck.

SACRAMENTO, Dec. 15.—Charles C. Brown, a veteran sport, has fallen heir to an estate in New Orleans valued at \$100,000. The estate belonged to his step-

I was troubled for a long time with a sore wrist; something the doctors termed an open vein. It would break and the blood would flow in a stream from it, and I could find nothing that would heal it until I tried your Happy Thought Salve. A small quantity healed it up nicely. In fact it has been well and showed no signs of breaking for over three months, so I feel it has done perfect work.

ter, Fanny Hinckley Mills, who died in New Orleans a year ago. The estate has been in litigation since the death of Brown's sister. Brown has received word from New Orleans that he has won the case on its merits.

The Surprise of All.

Mr. James Jones, of the drug firm of Jones & Son, Cowden, Ill., speaking of Dr. King's New Discovery, says that last winter his wife was attacked with La Grippe, and her case grew so serious that physicians of Cowden and Pana could do nothing for her. It seemed to develop into Hasty Consumption. Having Dr. King's New Discovery in store, and selling lots of it, he took a bottle home, and to the surprise of all she began to get better from first dose, and half dozen dollar bottles cured her sound and well. Dr. King's New Discovery for Consumption, Coughs and Colds is guaranteed to do this good work. Try it. Free trial bottles at Blakeley & Houghton's drug store.

Good Sealing Outlook.

SAN FRANCISCO, Dec. 15.—The schooner Kate and Anna will be the only sealer to go out of San Francisco this year. The sealing schooners Geneva and Libbie have already sailed from Victoria, and the remainder of the British fleet will follow the first week in January. They will all come south, and a good season is expected. This year's seals will have brought twenty per cent more in London than did similar skins in December 1896.

After meals you should have simply a feeling of comfort and satisfaction. You should not feel any special indications that digestion is going on. If you do, you have indigestion, which means not-digestion. This may be the beginning of so many dangerous diseases, that it is best to take it in hand at once and treat it with Shaker Digestive Cordial. For you know that indigestion makes poison, which causes pain and sickness. And that Shaker Digestive Cordial helps digestion and cures indigestion. Shaker Digestive Cordial does this by providing the digestive materials in which the sick stomach is wanting. It also tones up and strengthens the digestive organs and makes them perfectly healthy. This is the rationale of its method of cure, as the doctors would say. Sold by druggists, price 10 cents to \$1.00 per bottle.

Reindeer for the Klondike.

TRONDHEIM, Norway, Dec. 15.—An agent of the United States government named Kjelberg has arrived here to buy reindeer for the Klondike relief expeditions.

Senor Morel's Sympathy.

MADRID, Dec. 15.—As an act of personal sympathy, according to the Independent, Senor Morel has cabled his condolence to President McKinley in his bereavement through Minister Woodford.

How to Prevent Pneumonia.

At this time of the year a cold is very easily contracted, and if left to run its course without the aid of some reliable cough medicine is liable to result in that dread disease, pneumonia. We know of no better remedy to cure a cough or cold than Chamberlain's Cough Remedy. We have used it quite extensively and it has always given entire satisfaction—Olegah, Ind. Ter. Chief.

This is the only remedy that is known to be a certain preventive of pneumonia. Among the many thousands who have used it for colds and la grippe, we have not yet learned of a single case having resulted in pneumonia. Persons who have weak lungs or have reason to fear an attack of pneumonia, should keep the remedy at hand. The 25 and 50 cent sizes for sale by Blakeley & Houghton.

Disputes His Wives Story.

CHICAGO, Dec. 15.—Victor Silverman is a prisoner at the Maxwell-street station charged with abandonment. He was arrested on a warrant sworn out by David Wylie, a lawyer, representing Mrs. Silverman, who lived at Eighteenth and Lorimer streets, Denver. The attorney says that Silverman left his wife six months ago and since that time has contributed nothing to her support.

Silverman tells a different story. He says he kept a store in Denver. On his return from a business trip he found his wife had sold his store and pocketed the proceeds. Silverman says their domestic relations then became strained and he came to Chicago.

Beware of Ointments for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Price 75c. per bottle. Sold by Druggists.

Don't be persuaded into buying liniments without reputation or merit—Chamberlain's Pain Balm costs no more, and its merits have been proven by a test of many years. Such letters as the following, from L. G. Bagley, Haeneme, Cal., are constantly being received: "The best remedy for pain I have ever used is Chamberlain's Pain Balm, and I say so after having used it in my family for several years." It cures rheumatism lame back, sprains and swellings. For sale by Blakeley & Houghton.

Election in Massachusetts.

Boston, Dec. 15.—Municipal elections were held today in thirteen cities of the state, thus completing the list, with the exception of Boston and North Adams, which do not choose their municipal officers till next week. Not one of these cities reversed the license vote of last year, seven of them voting in favor and six against.
