ONLY HASTENS THE EVENT.

Protests From the Pacific Coast Forced McKinley's Hand.

CHICAGO, Dec. 16.—A News, Washington special says:

President McKinley decided today to put a quietus on protests formulating on the Pacific coast against Attorney-General McKenna, of California, as judge of the supreme court, and concluded to send in his nomination today. The president is determined to stand by his attorney-general to the end of the fight. He will insist, it is said, that McKenna continue in office as attorney-general until the senate confirms his nomination as associate justice.

TELEGRAPH LINE TO KLONDIKE. The Postal Telegraph Company Proposes to Build It.

NEW YORK, Dec. 16.—After a meeting of the directors of the Postal Telegraph Cable Company, Vice-President Baker said:

"We are going to spend \$1,000,000 in reaching out into new territory. We intend to extend our line in the West, to Ogden and Salt Lake, entering the states of Utah, Wyoming, Montana and Idaho. Moreover, the chances are that we will sooner or later have lines to the Klondike."

Use Happy Thought Salve For Burns.

Two or three applications a day are advised for burns. Make a thin poultice on a piece of cloth, using just enough of the Salve to cover the burn completely. Such injuries treated with Garland's Happy Thought Salve are less liable to leave a scar than if ordinary treatments are used.

dike. We understand that our Canadian company is getting ready to equip a line to Dawson, and it is only a question of time till it will be in operation.

"Our lines now penetrate nearly every state in the Union, but with the extensions contemplated the coming year we shall be able to compete with the Western Union in about every city in the country. We shall build one extension from Leadville to Ogden and Salt Lake, and another to Helena, thus connecting with our Rocky mountain and Canadian Pacific systems."

The Surprise of All.

Mr. James Jones, of the drug firm of Jones & Son, Cowden, Ill., speaking of Dr. King's New Discovery, says that last winter his wife was attacked with La Grippe, and her case grew so serious that physicians of Cowden and Pana could do nothing for her. It seemed to develop into Hasty Consumption. Having Dr. King's New Discovery in store, and selling lots of it, he took a bottle home, and to the surprise of all she began to get better from first dose, and half dozen dollar bottles cured her sound and well. Dr. King's New Discovery for Consumption, Coughs and Colds is guaranteed to do this good work. Try it. Free trial bottles at Blakeley & Houghton's drug store.

A Fatal Collision.

CLINTON, Ind., Dec. 16.—Train No. 3 on the Chicago & Eastern Illinois, which left Chicago at 11:30 last night, ran into an extra train here this morning. Three employes were killed and half a dozen others were wounded, but no passengers were hurt. Both engines were badly wrecked, the baggage car was thrown down an embankment, and the mail car smashed.

Bagley, Hueneme, Cal., are constantly being received: "The best remedy for pain I have ever used is Chamberlain's Pain Balm, and I say so after having used it in my family for several years." It cures rheumatism lame back, sprains and swellings. For sale by Blakeley & Houghton.

How to Prevent Pneumonia.

At this time of the year a cold is very easily contracted, and if left to run its course without the aid of some reliable cough medicine is liable to result in that dread disease, pneumonia. We know of no better remedy to cure a cough or cold than Chamberlain's Cough Remedy. We have used it quite extensively and it has always given entire satisfaction—Olagab, Ind. Ter. Chief.

This is the only remedy that is known to be a certain preventive of pneumonia. Among the many thousands who have used it for colds and la grippe, we have not yet learned of a single case having resulted in pneumonia. Persons who have weak lungs or have reason to fear an attack of pneumonia, should keep the remedy at hand. The 25 and 50 cent sizes for sale by Blakeley & Houghton.

A Flywheel Burst.

PITTSBURG, Dec. 16.—Adam Brodrich was killed and a number of others slightly hurt by the bursting of flywheel at the South Third street plant of the Oliver Steel & Iron Company at an early hour this morning. The accident was caused by an engine becoming ungovernable. The flywheel was fifteen feet in diameter and weighed several tons.

Beware of Ointments for Cataract that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Cataract Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Cataract Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Price 75c. per bottle. Sold by Druggists.
