MR. McKENNA APPOINTED.

President McKinley has seen fit to ignore the protest against McKenna's appointment, and his name was sent yesterday to the senate for confirmation. The protest was made in good faith by those who were acquainted with the new appointee and had met him in official and social capacity, and the remonstrance has had weight among the people of the Pacific coast. However, President McKinley has shown himself to be possessed of good judgment and wise discretion in all that he has done, and in this, as in other matters, the country can leave the affair in his hands, confident that the wisest course would be taken.

A seat on the United States supreme bench is the highest honor a lawyer can covet, and we trust the new associate justice will live to prove that the protest of the Oregon lawyers, however, sincerely it may have been made, yet was founded upon a wrong assumption.

No one would question the humanity of the government's action in sending relief to the imprisoned miners at Dawson City; yet an eastern paper seriously asks if heed should not be paid to the poor and unfortunate at home before going 2000 miles to find them. Portland is raising a large amount of food for the Klondike miners. It is doing it easily, and the contributions seem to work a hardship on no one. Suppose that every year the merchant and wealthy men of Portland would contribute just as liberally to the needy of that city, what hearts would be made easier and faces happier as the long winter drags along. After all, the query of the eastern paper has merit to it, since charity is supposed to begin at home.

The year 1897 has been allowed to pass without seeing an effort put forth in The Dalles looking to the establishment of any industry with a pay roll. The business men of this city should see to it that another year shall not come and go without an attempt being made to build a woolen mill here. Can The Dalles afford to let Pendleton, La Grande, Salem and the other Oregon towns, which are establishing manufacturers, get ahead of them in this important respect? When our citizens once determine to do a thing, success is already assured. All that is needed is the start. When will it come?

Bryan should stay in Mexico and run for president. That's the proper place for him. He suits the people, and the conditions there, according to his mode of thinking, ought to suit him. If Bryan wants to live in a free silver country, he has the opportunity. He will never have a chance in the United States.

The country will respect the period of mourning which President McKinley has decreed for the white house. He needs relief from social cares at all times, and especially in view of the great strain he has just undergone.

The cause of Cuba looks brighter every day. The Spanish soldiers are gaining no victories, while the confidence of the Insurgents is reassuring. Even were Spain to conquer now, Cuba would not be worth the winning. Despoiled as she is by the heavy hand of war, her people would never have the courage to begin anew if Spanish rule is to continue.

On the other hand, with Cuba once free, her inhabitants would again take heart and go to work rebuilding their homes, and face the future cheerfully, happy in the knowledge that whatever they obtain is their's and cannot be exacted as tribute by a selfish nation across the sea.

After meals you should have simply a feeling of comfort and satisfaction. You should not feel any special indications that digestion is going on. If you do, you have indigestion, which means no digestion. This may be the beginning of so many dangerous diseases, that it is best to take it in hand at once and treat it with Shaker Digestive Cordial. For you know that indigestion makes poison, which causes pain and sickness. And that Shaker Digestive Cordial helps digestion and cures indigestion. Shaker Digestive Cordial does this by providing the digestive materials in which the sick stomach is wanting. It also tones up and strengthens the digestive organs and makes them perfectly healthy. This is the rationale of its method of cure, as the doctors would say. Sold by druggists, price 10 cents to \$1.00 per bottle.

Thousands are Trying It.
In order to prove the great merit of Ely's Cream Balm, the most effective cure for Catarrh and Cold in Head, we have prepared a generous trial size for 10 cents. Get it of your druggist or send 10 cents to ELY BROS., 56 Warren St., N. Y. City.
I suffered from catarrh of the worst kind ever since a boy, and I never hoped for cure, but Ely's Cream Balm seems to do even that. Many acquaintances have used it with excellent results.—Oscar Ostrum, 45 Warren Ave., Chicago, Ill.
Ely's Cream Balm is the acknowledged cure for catarrh and contains no cocaine, mercury nor any injurious drug. Price, 50 cents. At druggists or by mail.

Notice.
As I desire to close out my entire stock of stamped linens, consisting of center-pieces and doilies of all sizes and styles, I will sell the same at actual cost.
