RUSSIA REACHING OUT

Troops Occupy Kin Chow, Near Port Arthur.

THE VIEWS OF SENATOR MORGAN

Why Uncle Sam Should Not Stand Idly By and See the Dismemberment of China.

ST. PETERSBURG, Dec. 27.—The Russians have occupied Kin Chow north of Port Arthur.

Uncle Sam Not Disinterested.

NEW YORK, Dec. 27.—According to a Washington correspondent of the Herald, Senator Morgan, of the committee on foreign relations, said tonight that it would be impossible for the United States to remain complacent should European nations undertake the dismemberment of China. Senator Morgan said:

"If partition of China involves the abrogation of treaties, this country would be left to make terms with each European nation separately in the territory to which its sovereignty extended; therefore, unless the powers now ambitious for territorial extension, take into account the character of our commercial relations it will be necessary for the government to intervene in self-defense.

"If the cession is absolute, then American interests must be taken care of through the treaties of America and the country to which the absolute cession is made respectively. If the territory is given up merely for a time, there will be a mixed responsibility, and it is a good time for intervention and the exercise of American diplomacy.

"The German occupation of a part of China and the prospective occupation of other parts by various European nations is an effort to complete a cordon of offenses against American commerce from Vladivostok to Marsailles or to Liverpool. That cordon it being stretched to contract the trade of 600,000,000 people who have direct trade and intercourse with the Pacific ocean.

"There is a great deal in the Chinese problem that vitally interests Americans and demands action by the state department and by congress.

Mrs. Luetgert's Brother.

PUEBLO, Dec. 27.—Herman Bickle, who is said to be a brother of Louisa Luetgert, and who is also said to be an inmate of the state insane asylum here, is not in that institution at present. A man of that name was committed to the asylum in 1888, but was discharged some five months later and is said to be a resident of Pueblo, but diligent search fails to locate him here. At the time of his commitment it was thought that he was rather weak minded, not absolutely insane.

Some communications have been had by the attorneys for Luetgert with Supt. Tombs, of the asylum, but he is not able to throw any light on the case. Nothing definite is known as to whether the man named is a brother to Mrs. Luetgert or not.

Burt in the Lead.

NEW YORK, Dec. 27.—It is officially announced that Horace G. Burt, third vice-president of the Chicago & Northwestern railway, has been selected for the presidency of the Union Pacific. Burt's election as president is expected to carry into effect the policy determined upon by the reorganization committee, when it was supposed Clark would be

able to continue in the management of the property, but which is impossible, owing to Clark's ill-health.

Oliver W. Mink is to be vice-president and will have charge of the New York office.

Consumption Positively Cured.

Mr. R. B. Greeve, merchant, of Chilhowie, Va., certifies that he had consumption, was given up to die, sought all medical treatment that money could procure, tried all cough remedies he could hear of, but got no relief; spent nights sitting up in a chair; was induced to try Dr. King's New Discovery, and was cured by two bottles. For past three years has been attending to business and says Dr. King's New Discovery is the grandest remedy ever made, as it has done so much for him and also for others in his community. Dr. King's New Discovery is guaranteed for Coughs, Colds and consumption. It don't fail. Trial bottles free at Blakeley & Houghton's drug store.

For Chinese Waters.

GIBRALTAR, Dec. 27.—The German warships Deutschland and Gelfon, under command of Prince Henry of Prussia, have arrived at this place on their way to China.

Beware of Ointments for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Price 75c. per bottle. Sold by Druggists.

Train Broke in Two.

LIBERTY, Mo., Dec. 27.—A wreck occurred at the Memphis road depot last night. Local train No. 56 broke in two on the down grade coming into town, and the two sections came together in front of the station. Five persons were injured, two seriously. The injured are as follows:

Miss Tilly Smither, of Liberty; Mrs. Shelton; Col. Jesse Poore, of Golden City and, Floyd Quintard.

Miss Smither is unconscious. The conductor and brakeman were slightly injured.

Appointment by Van Wyck.

NEW YORK, Dec. 27.—Mayor Van Wyck has selected John W. Keller for commissioner of the department of charities. The place is worth \$7,500 a year. Keller was editor of Truth at the time of

the appearance of the famous letters in the Garfield campaign. Later he became managing editor of the Recorder, and when that paper suspended he went to the staff of the Journal and Advertiser, writing a column called "Cholly Knickerbocker."

A Step Toward Co-operation.

WASHINGTON, Dec. 27.—Secretary Alger has received word that Hon. Clifford Sifton, Canadian minister of the interior, and J. A. McKenna, of the same department, by invitation of Alger, will arrive here tonight to confer with the secretary regarding the pending Klondike relief measures. The secretary originally intended to go to Ottawa, but has been deterred by the grip which keeps him closely confined at his home.

Alger hopes with a personal conference with the Canadian officials to arrange for a permit from the Canadian government for fifty United States army men to serve as guards for an expedition to pass through Canadian territory.

Another object of the conference is to adjust some customs subjects involved in the expedition, such, for instance, as remission of duties on food supplies to be sent in. Another object is to secure the co-operation of the Canadian mounted police, which it is not doubted will be cheerfully extended and will be of great value, through their familiarity with the country through which the expedition must pass.

A cablegram was received today by the secretary from Kjellman, the government reindeer-herder, now in Alten, Norway, stating that he is busy collecting the reindeer needed for the transportation of supplies to the Klondike.

How to Look Good.

Good looks are really more than skin deep, depending entirely on a healthy condition of all the vital organs. If the liver be inactive, you have a bilious look; if your kidneys be affected, you have a pinched look. Secure good health and you will surely have good looks. "Electric Bitters" is a good Alternative and Tonic. Acts directly on the stomach, liver and kidneys. Purifies the blood, cures pimples, blotches and boils, and gives a good complexion. Every bottle guaranteed. Sold at Blakeley & Houghton's drug store. 50 cents per bottle. 5

Outrageous Crime.

DES MOINES, Dec. 27.—Robbers last night broke into the house of the aged Mrs. Kimball, ten miles east of Des Moines. She is unconscious and will probably die. The floor and walls are covered with blood, showing that a terrible struggle took place. It is not known whether the robbers secured any booty.

Don't be persuaded into buying liniments without reputation or merit—Chamberlain's Pain Balm costs no more, and its merits have been proven by a test of many years. Such letters as the following, from L. G. Bagley, Hueneme, Cal., are constantly being received: "The best remedy for pain I have ever used is Chamberlain's Pain Balm, and I say so after having used it in my family for several years." It cures rheumatism, lame back, sprains and swellings. For sale by Blakeley & Houghton.

A Tennessee Lynching.

MEMPHIS, Dec. 27.—A telephone message from Glendora says Joe Hopkins, the murderer of two men, was captured by a mob this morning, hanged by the heels and burned to death in that position.
