An endless variety of exquisite holiday gifts can be found at the Jacobsen Book and Music Co.'s, Vogt block.

Be up to date in whatever you do. Therefore, when you smoke try Fouts' Prize Medal, the best cigar money can buy.

Passers-by on Second street have been attracted by the neat and cleanly manner in which the Prize Medal, Guarantee and Rose Queen cigars are being made by S. F. Fouts.

Fred Van Norden has the agency for hand-painted portrait buttons. Call and see his samples, they are elegantly finished and are guaranteed to be satisfactory in every regard.

A solitary unfortunate graced the city jail this morning. He was charged with being drunk and disorderly, and as he readily put up the required five dollars, he was discharged.

The ladies of the Good Intent will have for sale, in the New York store on Thursday and Friday, all sorts of pastry. All friends of the society are invited to contribute cooking.

A report from Wasco states that on Sunday night the safe in Marsh & Medler's drugstore at that place was blown open and \$900 stolen. No arrests are reported, and nothing definite could be learned.

Yesterday one of those disagreeable errors escaped the eye of the proof reader. In speaking of the Bonn Bros. going in as partners in the commission house, it should have read that they would do so on January 1st instead of 21st, as the account had it.

W. H. Wilson returned from a trip to Baker City this morning. He states that Baker is by far one of the loveliest towns in Oregon, and that he has great expectations from the mines in that vicinity, and asks no longer than next summer to have his statement verified.

Rev. Wm. Baltz and wife arrived in this city from Dakota this morning. Mr. Baltz is the gentleman who will in future be pastor of the Christian church in this city, and he will begin his labors next Sunday. He comes highly recommended and there is no doubt that he will give entire satisfaction.

Yesterday Constable Hill went out after the children of R. F. Wickham. Their case will be put before the county court, and should it so decree, they will be sent to the Boys' and Girls' Aid Society in Portland. It seems that the parents have separated and that the

children are not getting proper care or training. At the time of going to press Mr. Hill had not returned, and there is a probability that he may have trouble to get possession of the children.

Yesterday at Oregon City, George Gibson had the honor of beating the world's record in bowling, says the Telegram. He bowled two games of cocked hat on a regulation sixty-five foot hardwood alley, scoring seventy-two the first game and ninety the second, beating the world's record, which was eighty-seven, held by a Tacoma bowler.

Last night Nightwatchman Wiley arrested the man who assaulted John Dufey with a dangerous weapon, which which was probably a hammer, and placed him in the city jail. He gave his name as Daniel Barclay, and seemed to think that he was not guilty of any offense. He will have a hearing at 3 o'clock this afternoon before Justice Filloon. A. A. Jayne appearing for the state, while Roger B. Sinnott will be the attorney for the defense.

Mr. Geo. Liebe received from his son, Theodore, who is attending the Parson's Horological Institute in Peoria, Ill., an escapement which was made by him, and required nine weeks careful labor. This is a contrivance which connects the train of wheel work in the clock with the balance, giving to the latter the impulse by which it is kept in motion. It is an exceptionally neat and artistic piece of work, the bridge representing a steel horseshoe and anvil, while the rest is made of brass, set with jewels, and reflects great credit on the young mechanic.

The men who have secured the use of the rock crusher are getting out rock and making other preparations to begin work in a short time. Property owners who desire to improve the streets can secure this crushed rock at a very reasonable rate, and by such improvements do a great service to the city. Much has been said about the useless expense that was put upon the city when the rock crusher was purchased. Give it a fair chance, however, and it will prove to be a better investment than anyone thought, and our city will be benefitted by the experiment.

Some fault was found last night at the way the Excelsior Dramatic Co. rendered the "Ticket of Leave Man." We must, however, consider that the company was handicapped in a number of ways. While in Portland they had trouble with one of their leading characters, and almost an entire change had to be made when he was let out. Since that change they have not had sufficient time for practice, so that the plays could not be put on properly. Besides the attendance was such as to thoroughly discourage them and keep them from playing their best. We must admit that last night's play was not exactly as good as it might have been, but allowance should be made for the actors taking parts with which they were not familiar.

In Honor of Fred Drews.

A pleasant party was given last evening in honor of Fred Drews at the residence of his parents. The rooms were beautifully decorated with ivy, ferns and flowers. Games were indulged in till 11 o'clock, when a dainty lunch was served, which they all enjoyed. Bean bag and pinning the tail on the donkey were played, the first prize for bean bag being won by Frank Sandrock, the booby by Miss Bertie Glenn. Fred Burchdorf knew where the donkey's tail belonged, and captured the first prize, while Mamie Goetz of Portland won the booby by being the farthest away.

The party broke up in the wee sma' hours, all well pleased and happy. Those present were as follows: Misses Bertie and Edna Glenn, Minnie and Nola Gosser, Christine Phirman, Lizzie Ehrick, Lizzie Bates, Mamie Goetz, Agnes Bates of Portland, Pauline Drews, Mrs. E. C. The Bowling Contest.

In the four games of the bowling contest played at the club alleys last night, the Umatilla House team won for the second time the palm of victory by a larger number of points than on Saturday afternoon. The totals for each of the four games were as follows:

Umatilla	Club
213.....	First Game.....
217.....	Second Game.....
255.....	Third Game.....
219.....	Fourth Game.....

Making an average of 904 for the Umatilla House and \$34 for the club, and according to this the Umatilla House has a victory of seventy pins to their credit.
