COWED BY A MOB

American Consul at Barcelona in Fear.

THE AMERICAN FLAG MENACED

Make-up of General Blanco's New Cabinet—Cuban Situation as Viewed by Palma.

NEW YORK, Dec. 29.—A special to the Journal and Advertiser from New Haven, Conn., says:

Captain George L. Kelsey, of the schooner Wallace Ward, which has just arrived here from Barcelona, states that the American consul at that place fears mob violence, and is unable to keep the American flag on Uncle Sam's vessels. He put into port there September 15th, remaining three days.

At first the stars and stripes floated proudly from the masthead, but Spanish loiterers were attracted by it and gathered by the vessel, threatening violence. The American consul heard of the rumor that the crowd purposed burning the vessel, and he sent word to Captain Kelsey to haul down the flag. Captain Kelsey defied the Spaniards, but the next day the consul repeated his advice, and Captain Kelsey was reluctantly persuaded to store the stars and stripes below deck during the remainder of his stay.

Blanco's New Cabinet.

NEW YORK, Dec. 29.—Considerable interest was manifested among Cubans at the junta headquarters at the reported make-up of General Blanco's cabinet for the colonial government of Cuba under the decree of autonomy. Jose Maria Galvez, said to be slated for president of the cabinet, is the leader of the autonomist party and was formerly a prominent lawyer.

"But," said one of the Cubans, "He has been ruined by gambling."

Rafael Montoro, Marquis of Montoro, was at one time, they say, leader of the autonomists. He is a lawyer and an eloquent speaker. He is said to have been named for minister of finance.

The reputed selection for minister of the interior, Antonio Govin, is a lawyer and for years was a member of the provisional council.

Francisco Zayas, mentioned as appointee for minister of education, is a leading physician of Havana.

Arduo Amblaro, the proposed minister of commerce is a Spaniard and was until recently bitterly opposed to autonomy and the proposed reforms.

For minister of posts and telegraphs the man selected is said to be Rafael Fernandez Castro, a lawyer, a professor in the university and the owner of large sugar plantations. He is the wine contractor for the army and has great influence.

Members of the junta have no comments to make on the cabinet, as a whole. It was not certain, it was said, that the cabinet report was correct, and it really mattered little to the insurgents who were interested in absolute independence.

The Views of Palma.

NEW YORK, Dec. 29.—"Governor-General Blanco's acceptance of McKinley's request that American people be permitted to relieve the suffering of the concentrados in Cuba is tantamount to an acceptance of the offer of intervention by the United States in the conflict so long in progress between the Cuban people and the Spanish government."

Royal makes the food pure, wholesome and delicious.

ROYAL BAKING POWDER CO., NEW YORK.

said Thomas Estrada Palma, chief of the Cuban junta in this city, to an associated Press reporter today, "and as the administration believes peace in Cuba can be restored only by political intervention, it cannot reject the favorable opportunity that presents itself to intervene for the purpose of ending the war in Cuba."

Consumption Positively Cured.

Mr. E. B. Greeve, merchant, of Chilhowie, Va., certifies that he had consumption, was given up to die, sought all medical treatment that money could procure, tried all cough remedies he could hear of, but got no relief; spent nights sitting up in a chair; was induced to try Dr. King's New Discovery, and was cured by two bottles. For past three years has been attending to business and says Dr. King's New Discovery is the grandest remedy ever made, as it has done so much for him and also for others in his community. Dr. King's New Discovery is guaranteed for Coughs, Colds and consumption. It don't fail. Trial bottles free at Blakeley & Houghton's drug store.

Trouble is Probable.

DENVER, Dec. 29.—A Washington dispatch to the Times says:

Indications are today stronger than they have been at any previous time of trouble between the administration and the silver advocates in the Republican party. The reason for this change is found in a declaration made by Senator Fairbanks at Indianapolis yesterday that the president had assured him of his determination to stand by the gold standard. Fairbanks is very near to the president, and the Republican bimetallicists no longer make any secret of their strong fear that McKinley will forsake them.

Don't be persuaded into buying liniments without reputation or merit—Chamberlain's Pain Balm costs no more, and its merits have been proven by a test of many years. Such letters as the following, from L. G. Bagley, Hueneme, Cal., are constantly being received: "The best remedy for pain I have ever used is Chamberlain's Pain Balm, and I say so after having used it in my family for several years." It cures rheumatism lame back, sprains and swellings. For sale by Blakeley & Houghton.

Postal Savings Bank Plan.

NEW YORK, Dec. 28.—The postal savings bank plan is not a popular one in New York banking circles. A canvass

of presidents of prominent institutions develops that fact clearly. At the same time, very few presidents were willing to express opinions for publication. All practically agreed with President E. S. Mason, of the Bank of New York, in statement that there are already so many banks that rates for money have been cut to such a point that there is little profit in banking.

M. Carvalho Dead.

PARIS, Dec. 29.—M. Carvalho, director of the Opera Comique, is dead. He became a director in 1876. His management was marked by the great fire of May 15, 1888, when about 131 persons lost their lives.

Beware of Ointments for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Price 75c. per bottle. Sold by Druggists.

By Decree of the Kaiser.

VIENNA, Dec. 29.—An imperial decree has been gazetted authorizing the government during the prorogation of parliament to levy taxes and provide for state expenditures from January 1st to January 30th, next.
