## POLICY OF ENGLAND

British Rights in China will be Upheld.

RUSSIAN RIGHTS NOT RECOGNIZED

If the Czar's Warships Winter at Port Arthur, British Vessels Must Have the Same Right.

MANCHESTER, Jan. 3.—The Manchester Guardian says:

"The government has categorically stated that Great Britain will refuse to recognize any special rights granted at any Chinese ports to any particular power. Any port opened to anyone power must be open to all or open to none. If Russia has been granted the right to winter ships at Port Arthur, Great Britain will enforce her rights to the same privilege, and her ships will winter there whether China concedes or does not concede them the right to do so.

"If Germany obtains naval stations at Kaio Chou, Great Britain insists on having a lease of ground for a naval station at the same port, and she will support every other power in the same claim. The contention of the government is that the most favored nation clause in British and all other treaties with China forbids any special concessions of the nature contemplated by Germany at Kaio Chou, and prevents the nation from acquiring special benefits in which other nations do not have a share.

"The government has also declared that the same principle applies to such transactions as railway and mine monopolies. Taking her stand on the treaties, Great Britain refuses to recognize such concessions and will insist upon similar railway and mine rights and will use such force to secure or defend them as is necessary. This declaration does not apply to concessions of territory to which existing treaties do not refer, but relative to this contingency, the dispatch sent by the government to China says that when it occurs, a graver question will arise.

"It is reported a similar declaration has been delivered to the Chinese and other governments by Japan."

Grasping at Straws.

SAN FRANCISCO, Jan. 3.—Theodore Durrant's attorneys will again seek to obtain the aid of the federal courts and will ask Judge Morrow for a writ of habeas corpus. While this legal contest is being conducted another appeal to Governor Budd will be perfected in the hope that he will be induced to grant Durrant a reprieve until all the legal points at issue have been fully determined.

which is expected, his father will be at the foot of the gallows to hear his son's last words and to witness his death. Mrs. Durrant will be with her son to within half an hour of the end. She will not witness the closing scene.

When You Have a Cold

You want the best medicine that can be obtained, and that is Chamberlain's Cough Remedy.

You want a remedy that will not only give quick relief but effect a permanent cure.

You want a remedy that will relieve the lungs and keep expectoration easy.

You want a remedy that will counteract any tendency toward pneumonia.

You want a remedy that is pleasant and safe to take.

Chamberlain's Cough Remedy is the only medicine in use that meets all of these requirements. This remedy is famous for its cures of bad colds throughout the United States and in many foreign countries. It has many rivals, but for the speedy and permanent cure of bad colds, stands without a peer and its qualities are everywhere admired and praised. For sale by Blakeley & Houghton.

Weyler's Organ Rampant.

BIARRITZ, Jan. 3.—According to mail advices sent here from Madrid, in order to escape censorship, the Nacional, General Weyler's organ, published a defiant article pointing out that although the government has seized the general's protest, it would not prevent its being read in every barrack-room.

The Nacional, it further appears, attacks President McKinley and Minister Woodford in unmeasured terms. It has been twice confiscated, but the manager of that paper is a deputy, and therefore cannot be prosecuted.

Robbed the Grave.

A startling incident of which Mr. John Oliver of Philadelphia, was the subject is narrated by him as follows: I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life and robbed the grave of another victim." No one should fail to try them. Only 50 cents per bottle at Blakeley & Houghton's drug store.

Defies His Government.

LONDON, Jan. 3.—A special from Madrid says:

Weyler has defied the government to take proceedings against him. As he is a senator, a special vote is necessary to deprive him of immunity from prosecution and the cabinet is embarrassed, as the army appears to side with Weyler in his attacks upon the United States.

When your stomach begins to trouble you, it needs help. The help it needs, is to digest your food, and until it gets it, you won't have any peace. Stomach

trouble is very distressing, very obstinate, very dangerous. Many of the most dangerous of diseases begin with simple indigestion. The reason is that indigestion (not digestion, not nourishment) weakens the system and allows disease germs to attack it. This antidote is Shaker Digestive Cordial, strengthening, nourishing, curative. It cures indigestion and renews strength and health. It does this by strengthening the stomach, by helping it to digest your food. It nourishes you. Shaker Digestive Cordial is made of pure herbs, plants and wine, is perfectly harmless and will certainly cure all genuine stomach trouble. Sold by druggists, price 10 cents to \$1.00 per bottle.

A Mississippi Tragedy.

JACKSON, Jan. 3.—News has just been received from the Algorn agricultural and medical college for colored people, near Rodney, Miss., that the president of the college, E. G. Triplett, was shot and fatally wounded last evening while on his way to prayer meeting by an unknown assassin.

The Discovery of the Day.

Aug. J. Bogel, the leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J. F. Campbell, merchant of Saffords, Ariz., writes: "Dr. King's New Discovery is all that is claimed for it; it never fails, and is a sure cure for Consumption, Colds and Coughs. I cannot say enough for its merits." Dr. King's New Discovery for Consumption, Coughs and Colds is no experiment. It has been tried for a quarter of a century, and today stands at the head. It never disappoints. Free trial bottles at Blakeley & Houghton's drug store.

Ring Made of Diamonds.

Being recently exhibited at Antwerp was the admiration of diamond cutters and merchants, because it was the first successful attempt to cut a ring out of a single stone. There are a great many difficulties in this method of cutting diamonds, as the stones have a certain cleavage and particular veins, all of which have to be carefully studied in order to prevent splitting just as success seems within reach. After several years' labor the feat has been accomplished by the patience and skill of M. Antoine, one of the best-known lapidaries of Antwerp. The ring is about six-eighths of an inch in diameter. In the Marlborough cabinet there is a ring cut out of one entire and perfect sapphire.

In Older Times.

People overlooked the importance of permanently beneficial effects, and were satisfied with transient action; but now that it is generally known that Syrup of Figs will permanently overcome habitual constipations, well informed people will not buy other laxatives, which act for a time, but finally injure the system. Buy the genuine made by the California Fig Syrup Co.

Americans Dance Well.

Americans are the best dancers in the world, says Carl Marwig. The Russians come second and the Spaniards third. The French and Germans do not count. When Americans dance abroad everyone else stops dancing to watch them. A leader of cotillions, Mr. Marwig believes, is born, not made. He must have a certain mental cleverness and quickness. His figures must be developed as the dance progresses. They must be simple, as well as attractive, and the man who is not a born cotillion leader will not make the dance a success.

According to an eminent Italian hygienic expert, official medical returns show that in Italy 200,000 persons die every year from infectious—that is, from preventable—maladies, most of them being young, "the hope of families."

Mr. Elieha Berry, of this place says he never had anything do him so much good and give such quick relief from rheumatism as Chamberlain's Pain Balm. He was bothered greatly with shooting pains from hip to knee until he used this liniment, which affords prompt relief. B. K. Baker, druggist, St. Paris, Ohio. For sale by Blakeley & Houghton.

The Paradise of Ferns.

The island of Jamaica, owing to its peculiar situation and climate, is said to possess a greater variety and abundance of ferns than any other known place on the globe. No less than 500 species of ferns grow there, and Mr. Gilbert said recently, at a meeting of the Torrey Botanical club, that probably no other equal area produces half that number of ferns.—Youth's Companion.
