NO 306

TO BEAT MARK HANNA

Results of the Fight Cannot be Foretold.

THE OUTLOOK IS VERY DUBIOUS

Neither Side Has Sufficient Support Pledged to Elect a Senator—Hanna Two Short.

COLUMBUS, Jan. 4.—Previous to the assembling of the legislature today there were conferences on both sides on the senatorial contest. The Hanna men claimed pledges from Representatives Griffith and Joyce, who voted for Mason yesterday for speaker, but with these doubtful accessions they are still short two votes of enough to elect. While Hanna's friends are working here, the Republican clubs, committees and other organizations at the homes of doubtful combination men have been enlisted, and many delegations of visiting statesmen are arriving.

The combined opposition to Hanna is still uncertain as to their candidate. The opposition claims enough votes to defeat Hanna, but has not yet claimed enough votes for any senatorial candidate mentioned by the combine to elect. Their trouble is not only to hold all their present forces in line against Hanna, but to get them to agree upon their man for senator. The work today was devoted by the combine to holding their forces, and manage them for the senatorial contest as was done yesterday for the organization of both branches of the legislature.

The work of the Hanna men has been devoted to skirmishing for two or more votes.

In the house all sorts of bills were introduced against corporations. The measures were regarded as threats at Hanna, whose affairs are of varied interests.

While these measures were being thrown in, a delegation from Springfield, the home of Governor Bushnell, marched into the statehouse, wearing Hanna badges, and called on Bushnell. In response to the protest the governor made a speech, in which he said his republicanism had never been questioned, and he reserved the right to his individual opinions and preferences.

The house adjourned until tomorrow. There is much unfinished business, but the combine does not intend to announce any of the standing committees until after the joint senatorial caucuses are held tomorrow night.

The senate at noon took a recess until 1:30, without announcing any of its committees.

The proceedings in both houses showed plainly that everything possible would be done by those who held the fort to beat Hanna. During the noon recess the conferences and justification meetings of the combine were continued.

During the noon recess there were several fist fights. Surprise was created at the announcement that the Hanna men had changed their plans for a joint senatorial Republican caucus tomorrow, but the fight will go on without any caucus decrees on either side.

Robbed the Grave.

A startling incident of which Mr. John Oliver of Philadelphia, was the subject is narrated by him as follows: I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend

advised trying 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life and robbed the grave of another victim." No one should fail to try them. Only 50 cents per bottle at Blakeley & Houghton's drug store.

When your stomach begins to trouble you, it needs help. The help it needs, is to digest your food, and until it gets it, you won't have any peace. Stomach trouble is very distressing, very obstinate, very dangerous. Many of the most dangerous of diseases begin with simple indigestion. The reason is that indigestion (not digestion, not nourishment) weakens the system and allows disease germs to attack it. This antidote is Shaker Digestive Cordial, strengthening, nourishing, curative. It cures indigestion and renews strength and health. It does this by strengthening the stomach, by helping it to digest your food. It nourishes you. Shaker Digestive Cordial is made of pure herbs,

plants and wine, is perfectly harmless and will certainly cure all genuine stomach trouble. Sold by druggists, price 10 cents to \$1.00 per bottle.

Was Badly Burned.

SALEM, Jan. 3.—Late this evening, Addie Brown, domestic, aged 19, was frightfully burned at the home of her employer, John Green. She had been washing all day, and, being tired, lay down near the kitchen stove for a rest. The wood used in the stove was too long for the firebox, and burned in two. The projecting ends fell from the stove, igniting her clothing while she was asleep. When she awoke her clothes were on fire and she rushed into the yard, frantically trying to tear them from her person. Fright rendered her efforts futile, and she fell to the ground in agony, from which she became unconscious, the flames still doing their work. Neighbors, noticing her horrible predicament, rushed to her rescue, smothering the flames, but not until her arms, limbs, chest, abdomen, face and neck were nearly roasted. She was removed to the Salem hospital. She will probably die.

Sudden Death.

LA GRANDE, Jan. 3.—Eleanor, the 5-year-old daughter of Mr. and Mrs. Turner Oliver, died suddenly last night. She complained of feeling ill Sunday morning. It was only a short time before her death that her condition was considered serious. It is believed that the rupture of a blood vessel in the head was the cause of her death.

The Discovery of the Day.

Aug. J. Bogel, the leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J. F. Campbell, merchant of Saffords, Ariz., writes: "Dr. King's New Discovery is all that is claimed for it; it never fails, and is a sure cure for Consumption, Colds and Coughs. I cannot say enough for its merits." Dr. King's New Discovery for Consumption, Coughs and Colds is no experiment. It has been tried for a quarter of a century, and today stands at the head. It never disappoints. Free trial bottles at Blakeley & Houghton's drug store. 6

Clark County Commissioners Meet.

CLACK COUNTY, Wash., Jan. 4.—The board of county commissioners began its regular January session here today. The day was chiefly occupied in receiving reports and petition, and disposing of routine matters.

He was bothered greatly with shooting pains from hip to knee until he used this liniment, which affords prompt relief. B. F. Baker, druggist, St. Paris, Ohio. For sale by Blakeley & Houghton.

The recent "hard times" have made people cut on expenses. This has encouraged the invasion of "cheap" baking powder—baking powder which sells for a small price, but which either does not do the work, or is bad for the insides, or both.

Honest baking powder cannot be made to sell for 25 or 30c. a pound. There are a few honest baking powders at higher prices. Of these *Schilling's Best* is the right one, partly because it goes farthest.
