### In Olden Times.

People overlooked the importance of permanently beneficial effects, and were satisfied with transient action; but now that it is generally known that Syrup of Figs will permanently overcome habitual constipations, well informed people will not buy other laxatives, which act for a time, but finally injure the system. Buy the genuine made by the California Fig Syrup Co.

Dr. Lannerberg wishes to inform his patrons that he will be in the city for a short time and can be found in his office at the usual hours. Anyone desiring to have their eyes examined will do well to call on him.

Two carloads of fine stall-fed beef cattle are in the stockyards today awaiting shipment. They were bought from Robert Mays by the Union Meat Co., of Portland, and will be shipped to their packing house at Troutdale, tonight.

Today Jim Benton left for Dufur, where he will be employed for some time in doing the plumbing in the club rooms at that place. We understand that the rooms are about completed and that they reflect much credit on the town.

The Christian church was again taxed to its utmost capacity last night. At the close of the sermon four were added to the church, making twenty-seven in two weeks. Tonight Elder Boltz will take for his theme "Mind Your Own Business."

Attention is called to the fact that in all school districts throughout the county special meetings for levying school tax, under the new law, must be held during the month of January and the returns sent to the county clerk on or before February 1st.

The Ontario News says that A. J. Quackenbush dug a well on his ranch in Malheur county, a short time ago. He dug 32 feet and struck gravel. After going down three feet in the gravel he unearthed the remains of a prehistoric animal. The bone was examined, and it was concluded to be the second bone of

the thumb of a man; if so, the man was at least 23 feet tall.

The high scores for the past week at the Umatilla House alleys were as follows: Monday, F. Pundt 60; Tuesday, J. Benton 59; Wednesday, F. Pundt 54; Thursday, N. Sinnott, 50; Friday, A. Johnson 46; Saturday, J. McCoy 54; Sunday, Estebennet 58.

Parties who attended the meeting of the Northwestern Fruit Growers Association state that Wasco county had the finest display of fruit on exhibition. This is flattering for our county and should encourage our fruit-growers in their effort to raise fruit second to none in the land.

Workmen are putting in the stone crosswalk between French's bank and the Commission Co.'s today, and from all appearances it will be a great improvement over the old style plank walks. They cost about \$75 each, but they last much longer and are in need of little or no repairs, making them cheaper in the end.

The attendance at the M. E. church yesterday, both morning and evening services, were very good. The subject of the evening discourse was, The second coming of Christ to judge the world in righteousness. This coming will be in all His glory, attended by His heavenly hosts. The eternal destiny of all men will then be fixed according to their works, whether they be good or evil. Three persons were received into the church. The meetings will continue during the week, commencing at 7:30. A most cordial invitation and welcome is extended to all persons.

#### Highest Taxed Country.

Roumania is the highest taxed country in the world. Every bottle of foreign wine has to pay a shilling duty. A case of whisky went from the army and navy stores the other day. The transport tax stamps and other duties amounted to more than the price of the whisky. There is a tax even on female servants.
