In a recent letter from Washington, D. C., to an old friend, Major, G. A. Studer, for twenty years United States Consul at Singapore, says: "While at Des Moines I became acquainted with a liniment known as Chamberlain's Pain Balm, which I found excellent against rheumatism as well as against soreness of the throat and chest giving me much easier breathing. I had a touch of pneumonia early this week, and two applications freely applied to the throat and chest relieved me of it at once. I would not be without it for anything." For sale by Blakeley & Houghton.

NEWS NOTES.

Judge Baileary was stricken with paralysis yesterday.

The Klondike fever is reported to be raging in the East. Iowa has more than its share.

Mr. J. Clohesy is said to be a candidate for mayor of Portland on the Democratic ticket.

Two men were killed in a wreck on the Northern Pacific, near Pasco, Washington, yesterday morning.

At a meeting of the Peoples party central committee held at Oregon City, Saturday, W. S. U'Ren resigned as chairman of the same. He says he prefers to work in the Populist ranks.

The Surprise of All.

Mr. James Jones, of the drug firm of Jones & Son, Cowden, Ill., speaking of Dr. King's New Discovery, says that last winter his wife was attacked with La Grippe, and her case grew so serious that physicians of Cowden and Pana could do nothing for her. It seemed to develop into Hasty Consumption. Having Dr. King's New Discovery in store, and selling lots of it, he took a bottle home, and to the surprise of all she began to get better from first dose, and half dozen dollar bottles cured her sound and well. Dr. King's New Discovery for Consumption, Coughs and Colds is guaranteed to do this good work. Try it. Free trial bottles at Blakeley & Houghton's drug store.

Gun-Plays Frequent.

SPOKANE, Feb. 5.—The lively young mining camp of Eureka, on the Colville reservation, is experiencing an epidemic of gun-plays. There are a number of bad men in town, who drink reservation whiskey and go on the war path. Within a few weeks six men have been shot. A prospector named Wynn, is the latest victim. Wynn and Dick Frizzel were in an immoral resort, when Frizzel shot Wynn in the groin. It is feared the wound will prove fatal.

A question of jurisdiction has contributed to the lawless condition. Now that Judge Hanford, of the United States court, has decided that the Stephens county authorities have full control of the north half of the reservation, it is thought that the lawless characters will be punished and for the most part suppressed.

Chamberlain's Cough Remedy Always Proves Effectual.

There are no better medicines on the market than Chamberlain's. We have used the Cough Remedy when all others failed, and in every instance it proved effectual. Almost daily we hear the virtues of Chamberlain's remedies extolled by those who have used them. This is not an empty puff, paid for at so much a line, but is voluntarily given in good faith, in the hope that suffering humanity may try these remedies and, like the writer, be benefited.—From the Greenville (W. Va.) Pathfinder. For sale by Blakeley & Houghton.

Fusion in Oregon.

WASHINGTON, Feb. 5.—At a conference of Populist and Silver Republican members of the senate and house, the question of an alliance among the several silver parties of the West was considered. Oregon was first taken up, as there is an election in that state in June. It was decided as the judgment of those present that it would be well in Oregon for all parties to unite on a Democrat for senator, a Silver Republican for governor, and two Populists for representatives.

Chairman Towne leaves for Oregon tonight. He is to open the silver campaign in that state with a speech at Portland.

Frank Sherwood was down town today, the first time since he had his tus-

tle with cholera morbus. He says he drove miles after he was taken sick, and never came so near dying in his life. After this when he goes out in the country he will take a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy with him.—Missouri Valley (Iowa) Times. For sale by Blakeley & Houghton.

To Buy Oregon Pine.

MENOMINEE, Mich., Feb. 5.—T. W. Flanagan, Sol Frost, Henry Swart, and C. C. Foster, of Milwaukee, wealthy lumbermen, have gone to Seattle. They will purchase 3,000,000 feet of pine and a sawmill plant in Northern Oregon, near the border line. The deal will involve \$4000,000.

Fred Carney and his son Frederick, with four Chicago capitalists, including Perley Lowe and H. Wilbreck, have left for California, where they will close a deal for a sawmill plant and 6,000,000 feet of pine on a river in the northern part of that state, near the Oregon border. The deal will involve about \$600,000.
