## SPAIN SUES FOR PEACE

Negotiations With the Insurgents.

AN ARMISTICE OF FIFTEEN DAYS

Advantageous Terms for the Cubans—Death Sentence and Deportations Abolished.

HAVANA, Feb. 12.—It was resolved at a meeting of the cabinet, to open negotiations with the insurgents, in the belief that the revolution could not be suppressed by force of arms. Anticipating that the insurgents would not accept the new terms, it was resolved that the colonial government should open negotiations, thus saving the Madrid government the responsibility. The following propositions were formally tendered to the insurgents:

"First—The volunteers will be dissolved and a Cuban militia formed.

"Second—The insurgent colonels and generals will be recognized.

"Third—Cuba will be called upon to pay \$100,000,000 of the \$600,000,000 indebtedness due for both wars.

"Fourth—Cuba will pay \$2,000,000 a year to the crown list.

"Fifth—Cuba will make her own treaties without interference by the Madrid government.

"Sixth—Spanish products will have a ten per cent margin of protection over similar products from other countries.

"Seventh—No exiles or deportations will be made, even in war time, to Spain, Africa or penal servitude elsewhere.

"Eighth—Death sentences for rebellion shall be abolished.

"Ninth—Martial law cannot be ordered by the captain-generals without the consent of both the house and the senate, if these bodies are in session, or the assent of the majority of the cabinet, if the house and the senate are not in session.

"Tenth—The archbishop of Santiago de Cuba shall always be a native Cuban.

"Eleventh—The actual insurgent party shall have three seats in the first cabinet.

"Twelfth—An armistice of fifteen days shall be granted for the discussion of the terms of peace."

These terms are accepted by the autonomist party in full, with the exception of Senors Galvez, Montero, Zelayas, and Delonte.

### Inspected Lower Mississippi.

WASHINGTON, Feb. 12.—The Senate members of the committee on commerce who have been on a tour of inspection of the lower Mississippi river, returned today. The party included Senators Vest, Nelson, Gallinger, Berry and Caffery. They went by boat to New Orleans, taking testimony on the way, and after they reached New Orleans made an inspection of both the south and southwest passes. The testimony covered all the various points of floods and the methods of preventing the overflows of levees, reservoirs, etc. It will be printed and a report will be prepared giving the conclusions of the committee.

### The Surprise of All.

Mr. James Jones, of the drug firm of Jones & Son, Cowden, Ill., speaking of Dr. King's New Discovery, says that last winter his wife was attacked with La Grippe, and her case grew so serious that physicians of Cowden and Pana could do nothing for her. It seemed to develop into Hasty Consumption. Hav-

### To Prevent Lynching.

NORTH YAKIMA, Feb. 12.—Thomas Haines, a white man, and Charley Ross, a half-breed, were brought to this city this morning from Fort Simcoe, to prevent their being lynched by the Indians on the reservation. One of both of the prisoners killed Watoose Benson, an Indian, on Wednesday of last week, though the body was not discovered until Thursday. They were given a hearing before the "Indian" supreme court at the fort, the evidence against Ross being very strong. Haines sold whiskey to both of the Indians, and, in a drunken quarrel, Ross broke Benson's back and nearly scalped him. The hair on the top of his head all came out when the body was dressed. Ross was wearing part of Benson's clothes when arrested. Ross' gloves were found by the side of Benson. The trial of Ross and Haines was set for Thursday, when United States Attorney Gay will arrive from Seattle to prosecute the case.

NEW YORK, Feb. 12.—Advices from the Herald's correspondents at Nicaragua and Costa Rica indicate that should President Zelayas, of Nicaragua, finally succeed in suppressing the rebellious spirit at home, there is no reason to doubt that it will be followed by serious international complications, possibly involving war between Nicaragua and Costa Rica.

The Shakers of Mount Lebanon, a community of simple, honest, God-fearing men and women, have prepared the Shaker Digestive Cordial for many years, and it is always the same, simple, honest, curative medicine that has helped to make the Shakers the healthy, long-lived people that they are. ### Guarding the Consulate.

MANAGUA, Feb. 12.—A detachment of forty marines from the United States warship Alert landed a few days ago, and will guard the United States consulate and cable offices so long as the revolution lasts. One British warship arrived at Corinto and two more are expected this week.

In a recent letter from Washington, D. C., to an old friend, Major, G. A. Studer, for twenty years United States Consul at Singapore, says: "While at Des Moines I became acquainted with a liniment known as Chamberlain's Pain Balm, which I found excellent against rheumatism as well as against soreness of the throat and chest (giving me much easier breathing). I had a touch of pneumonia early this week, and two applications freely applied to the throat and chest relieved me of it at once. I would not be without it for anything." For sale by Blakeley & Houghton.

### Secession in Brazil.

NEW YORK, Feb. 12.—Advices from the Herald's correspondent in Rio de Janeiro state that there are some reasons to believe that representatives of the states of Rio Grande du Sul, Parana, Santa Catharina and Minas Geras will soon meet and proclaim their separation from Brazil, and establish an independent republic.
