The Elgin Recorder has started on its eighth year. It has experienced a rather eventful career during the seven years of its existence, but it has successfully weathered the gales of adversity, including two burn-outs, and now confidently expects to enjoy more prosperous times.

The Regulator had a fine load of freight and quite a number of passengers this morning. If this weather continues the passenger list for this time will increase daily, for a day could not be more spent more pleasantly anywhere than on the Columbia between here and Portland.

Mr. R. H. Lonsdale will leave tomorrow for a trip to Southern California. He will probably go to Los Angeles first,

and may visit his home in Columbia, Missouri, before returning. His recent illness having left him in a weakened condition, it is hoped the change will benefit him and that he will return much improved in health.

Tickets for the football game, to come off on Washington's birthday between the Willamettes and The Dalles team are being printed today and will be offered for sale by the committee tomorrow. Whether we will have a game or not depends on how many tickets can be sold to defray expenses, and we hope that everyone will be liberal in their patronage, as the game will be well worth seeing.

Last night when the train was pulling into Heppner a passenger by the name of James Hall was standing on the platform of one of the cars when the train rounded a bend rapidly and threw him off. He struck against a bluff near the track and was instantly killed. He was an employee of the O. R. & N. Co., but further particulars concerning the man could not be learned. His remains were taken to Arbutus, where an inquest will be held today.

The Democratic central committee held an interesting meeting Saturday. Chairman F. A. Siefert is a gold-standard Democrat, and when, in the course of the meeting, a resolution was introduced endorsing free silver, he frankly stated his opposition to such a measure and ceased to act as chairman. The resolution was adopted, however, practically to a unanimous vote. The date for the primaries was set for March 12th, and the county convention March 19th, the same dates as the Populists have chosen. There is no doubt that the Democrats and Populists in this county will fuse.

Arrangements for the bowling tournament between the club bowlers of this city and the Oregon Road Club's team of Portland have been made, and the tournament will come off in the club rooms Thursday evening. Club—Bradshaw, Tolmie, Filloon, Ballard, Huntington, Dufur; reserves, Hostettler and Phillips.

Another Pioneer Gone.

At 12 o'clock yesterday Mrs. Bridget Fewer, widow of John Fewer, died at St. Mary's Academy in this city.

Mrs. Fewer was born in Kilkenny, Ireland, in 1817, and came to this country when she was about 20 years old. Shortly after her arrival in America she was married to John Fewer, and they moved to California, making their home in that state for a number of years. Later they moved to Oregon, and settled on a farm near Boyd.

About sixteen years ago Mr. Fewer died, leaving his wife entirely alone, with no children and, as far as could be found out, no relatives in this country. Suffering with the palsy and in need of care, she turned over what property she had to the sisters of St. Mary's Academy and took up her abode with them, where for the last fifteen years she has been tenderly cared for.

For a number of years she has been very feeble. However, last Monday she was able to be up and around, but later became worse and was forced to remain in bed continually.

She was a sincere Christian in every sense of the word, and in her worst ill-

ness never uttered a word of complaint. The end came peacefully, and up to five minutes before her death she had perfect control of her senses.

The funeral will take place from the Catholic church at 9:30 Wednesday morning. All friends of the departed are invited to attend.

NEWS NOTES.

Spain has not yet apologized for the De Lome letter.

Two burglars who have been operating in Portland for some time were captured last night.

The steamer Oregon sailed for Alaska last night with a full cargo of passengers and freight.

Another rich find it reported on Copper river. It is said that the place is studded with gold.

It was rumored Sunday that Consul-General Lee has resigned, but no definite information was obtainable.

A secret dispatch was received from Minister Woodford yesterday. The supposition is that it was a report of the action of the Spanish government in the De Lome matter.

The Democrats and Populists in Portland are greatly aroused over the appointment of judges and clerks by the county court. They pronounce it biased and outrageous.

Mrs. Childers Dead.

Yesterday afternoon at 1:40 o'clock, Mrs. Mary Childers, wife of Frank Childers, died at her home in this city, age 24 years, 5 months and 3 days.

About two weeks ago Mrs. Childers had a severe attack of la grippe, which settled in the region of the heart, causing her death. Her maiden name was Mary Millard. She was born in Leonidas, St. Joe county, Michigan, and about twelve years ago came to Oregon with her parents and settled in Sheridan, Yamhill county. In 1894 she was married to F. M. Childers, and since that time has made her home in The Dalles. She leaves a husband, father and mother, and a brother and sister to mourn her loss.

Her funeral will take place from the Christian church tomorrow. The sermon will be preached by Rev. Boltz, and all friends of the deceased are invited to be present.
