The I. O. O. F. boys had a very enjoyable meeting last night. They received one member by card, and two propositions for initiation were handed in. A committee was appointed to prepare an entertainment for next Friday night, and they are sure of success with Adolph Phirman as N. G., and J. H. Blakeney as V. G.

Yesterday the river came to a standstill, and during the night it fell about eighteen inches. Last night the steamer Dalles City landed further up than usual, and this morning her bow was stuck fast in the mud, so that it was with difficulty that the boat was backed off the sand into which it had settled.

A movement is at present on foot to repair Union street from the railroad track to the cut. This is a commendable move and should be encouraged by the property owners. It will take but a trivial sum from each property owner along this street to put in fine shape and it would prove a good investment in the end.

Tonight the last four games of the sixteen game tournament between the club team and that of the Umatilla House will take place at the Umatilla House alleys. Miss Francis E. Willard, president of the Women's Christian Temperance Union, died shortly after midnight, Friday morning, at the Hotel Empire in New York City. She was the founder and for many years president of the W. C. T. U. numerous responsible positions. She has traveled a great deal and was a woman of vast experience and knowledge.

A telegram to the Oregonian yesterday from Chehalis says: "No. 205, the South Bend passenger and freight train, this afternoon ran into a freight train in the yard here. No one was hurt, but the passengers were severely shaken up. Both engines will need repairing before they can be used again. A couple of box cars were smashed. It cannot be determined who is to blame for the accident."

A lively runaway occurred yesterday afternoon. George Kellar's horse, which was hitched to a meat cart, started down Second street from the East End at a lively rate and attempted to take a short cut over the cement walk at the corner of French's bank. In crossing his feet slipped and he fell, causing a general mix-up. The horse was unhitched as soon as possible and the wreck cleared. The cart was badly broken, but otherwise no injury was done, the driver being off the wagon when the horse started.

The Jubilee Meeting Last Night.

A large audience greeted Bishop and Mrs. Cranston at the "jubilee services" last evening at the Methodist church.

The ground of the rejoicing was the success of the past year. The report of the special treasurer, Mr. Smith French, showed that \$2,054.10 had been raised and applied on the indebtedness of the church during the past thirteen months. Furthermore the running expenses are paid in full up to February 1st.

We feel it proper to state that owing to the fact that the bishop did not arrive until the last evening train, giving only a few moments for consultation, and the extreme weariness of the bishop, we were much disappointed in not having a Thanksgiving address. This interfered with the jubilee part of our service. However, we feel that our meeting was a blessed success, and the work for the next year opens grandly.

Resolutions on the Death of Jacob Fritz

HQRS. JAS. W. NESMITH POST, WHEREAS, Our comrade, Jacob Fritz, has finished the weary march through life; laid aside his knapsack and weapons of warfare, and answered to the bugle call from the shore beyond, where those who have fought a good fight receive their reward, be it

Resolved, That as we continue the march toward our last camping ground, we shall miss from our side one who was ever foremost in the ranks, facing shot and shell bravely for the right; and that as we meet in council we shall look in vain for the cheering, kindly smile of our lost comrade.

Resolved, That though unlike our brave General Grant, by whose side he marched in other days, he had not attained to such renown; yet as he performed faithfully the duties of a humbler station, his name shall be immortal, for "to live in the hearts of those we leave behind, is not to die."

Resolved, That while we shall meet and we shall miss him, we do not forget

those who are compelled hour by hour to see the vacant chair of one who was not a comrade alone, but a loving husband and the kindest of fathers. To these we would extend all the sympathy which mortals can express, and commend them to the great General of the universe.

Resolved, That these resolutions be spread upon the minutes of our Post, and a copy be sent to the daily papers of the city; also to the family of our departed comrade.

"Then I'll a Friar Be."—The song, "What! You become a nun, my dear; then I'll a friar be," has been one of the most popular songs for male voices ever written. The tendency to do as others do is strong in many ways in life. Your neighbor has a piano. Why not you? Always a GOOD investment, a piano is a BETTER investment just now than ever before.
