Born.—In Portland this morning, February 21st, to Mr. and Mrs. W. S. Cram, formerly of this city, a son. Leave your orders for fish, poultry, game, produce and groceries at Dalles Commission and Grocery Co. The Old Folk's concert tomorrow evening at the Vogt. Admission 50 cents. Tickets at the Snipes-Kinersly Drug Co. Yesterday the early morning train and the Spokane flyer were delayed by a slide, up the road, and did not go through to Portland until about 9 o'clock. Today Judge Bradshaw issued final citizenship papers to Valentine Nebener, a native of Germany, and Joe Denny and Fred Trudell, subjects of Great Britain and Ireland. Tonight the last rehearsal for the Old Folk's concert will take place at the opera house at 7 o'clock, and all are requested to be present promptly on time, as many wish to leave early. At the club alleys for the past week the high scores were as follows: Monday, Hostetler 61; Tuesday, Chas. Frank 55; Wednesday, Maetz 60; Thursday, Bradshaw 61; Friday, Maetz 62; Saturday, Liebe 67; Sunday, Jobson 61. At the Umatilla House alleys during the week the daily high scores were as follows: Monday, Benton, 56; Tuesday, Wilder, 60; Wednesday, Benton, 57; Thursday, Pundt, 68; Friday, Maetz, 52; Saturday, Lytle, 61; Sunday, Benton, 55. This evening Friendship Lodge, No. 9, K. of P., will celebrate the 25th anniversary of that order in Castle hall. A program will be rendered, after which dancing will be indulged in. All having invitations are respectfully requested to be there at 7:45, as the program commences at that time. The river still continues to drop at a lively rate, and in a short time it will be back to its normal low water mark. In all probability there will be no rise of importance until the time for the spring freshet. Its going down greatly relieves the minds of those who had

large quantities of cordwood piled along the beach, as they had fears for a time that if the river continued to rise as it did for last week, their wood would be washed away.

Tomorrow evening the Regulator will take all who care to attend the wharf ball at White Salmon to that place and return free of charge. Tickets for the ball will be honored by the boat company, and as a large number has been sold at this place, a full boat load of excursionists is expected to go.

The great hypnotist and mesmerist, Prof. Ben J. Dillon will open a series of entertainments in the Vogt opera house, commencing Wednesday evening February 23d. Tomorrow afternoon he will have a developing class in the opera house at 4 o'clock, and offers inducements to good subjects who will serve in his class during the engagement.

A report was circulated Saturday that Henry Boyen, who went to Alaska several months ago, was among the passengers who were drowned on the ill-fated Clara Nevada. It is said that he was not favorably impressed with the Arctic climate, and intended returning home; but there is no reason to believe that he took passage on the Clara Nevada, and nothing, as far as we could learn, to confirm the report, as it is not yet known who took passage on that boat.

A large concourse of people lined the streets this afternoon to view the school children as they paraded from the school buildings to the Vogt opera house to hold their exercises in honor of the birthday of the father of their country—George Washington. The procession consisted of over 700 children from the different grades, accompanied by their teachers, and a finer collection of patriotic pupils would be hard to find. Their entertainment was largely attended, but it is impossible to give a description of the same, owing to our going to press before it was over.

John J. Marshall, of the firm of Marshall Bros. of Goldendale, died at his home in that city at midnight Friday, after a week's illness, of pneumonia. Mr. Marshall was born in Montana, June 14, 1864. A few months later the Marshall family moved to Oakland, Or., where in 1865 Charles N. Marshall, father of deceased, died. The family moved to Klamath county in 1879. He was insured for \$1000 in the order of the Knights of Maecabees, being a charter member of the Goldendale lodge. He was also a member of the K. of P. and I. O. O. F. lodges. He leaves a wife and two small children.

At present a motion is on foot to build a railroad from The Dalles up 5-Mile creek, by Floyd's place and across the Deschutes at about two or three miles above its mouth, which will connect with the Columbia Southern at a point above Biggs. A branch line will also be built, up 15-Mile creek to Datur. The names of E. E. Lytle, D. C. O'Riley and other officials of the Columbia Southern are connected with the same. A great deal depends on the support which The Dalles gives to such a project

as to whether or not it will be successful. This is a grand opportunity, and should not be overlooked by our people. If they will but unite their forces there is not a shadow of a reason why the project will not be successful.

Mr. F. Jobson, father of Frank Jobson, of the O. R. & N. Co., arrived in the city on the Spokane flyer this morning, and will visit his son. Mr. Jobson has extensive mining interests in Sandon, British Columbia. Mr. Jobson says that British Columbia is one of the finest mining countries in the world, and that this assertion will be proven in a short time, when the country is better developed. English syndicates are aware of the value of the British Columbia mines and are buying them up as fast as possible. When Mr. Jobson left Sandon, there were eight feet of snow in that place, and a little farther up there were twelve feet. Mr. Jobson says that it is cold enough for him and he has no desire to seek a more frigid climate in Klondike.

LAI D TO REST.

The Remains of Edith Schmidt Placed in a Bed of Flowers.

Yesterday afternoon the remains of Miss Edith Schmidt were laid to rest in Sunset cemetery. From the hour of noon up to the time that the funeral started from the residence, crowds of friends of the deceased called to pay last respects to the amiable and beloved young lady.

The funeral services were conducted by Rev. Curtis, of the Congregational church, whose address was very eloquent and touching; and the choir sang "In Heavenly Love Abiding," "Softly and Tenderly," and "God Be With You Till We Meet Again," the title of the latter hymn being among the last words of the deceased to the sorrowing family.

The pall-bearers were selected from among the friends and associates of the young lady, and were Messrs. Ed. Wingate, Joseph Bonn, Gus Bonn, Fred Weigel, Harry Liebe and Ralph Rowland. The funeral was a large one, the number of young people present being especially noticeable. The floral tributes were beautiful, as well as numerous; so much so that when the young ladies who remained to arrange them above the grave of their lost companion, looked back to bid her a last farewell, not a trace of the earth which covered her was visible; but a bed of beautiful flowers.

The Football Game.

All arrangements have been completed for the football game and the Willamette team will be up on the Regulator tonight. A petition has been circulated among the business houses and they have decided to close at 12 o'clock and remain closed during the entire afternoon, and for this reason it is expected that an immense crowd will attend the game.

The teams are evenly matched in weight and both are in fine shape so that a close and interesting game is looked forward to.

The Dalles team will consist of the following players:

- Allard, c, 182 lbs; Brown, r g, 200; Smiley, l g, 180; Fisher, l t, 175; Burnette, r t, 168; Bartell, l e, 149; Mays, r e, 135; Barrett, q b, 128; Kelley, r b, 150; Clarke, capt., l b, 170; Fields, l b, 140.

G. A. Clarke, Manager. Subs—McCowan, 140; Ronney, 165.

The following is a list of the players of the Willamette team:

- Clune, center, 185; North, r g, 170; Schoemaker, l g, 165; Allen, r t, 105; Borger, l t, 160; DeHall, r e, 140; Hamilton, l e, 140; Dawling, q b, 130; Beatty, r b, 157; Cowan, l b, 130; McKinnon, l b, 149.

Joe Smith, the Willamette's coach, is recognized as one of the best athletes on the coast, while many of their players have also gained quite a reputation on the gridiron.

The game will be called at 2:30, the

price of admission being 25c for ladies and gentlemen, children under 12 years being admitted free with escorts, but not otherwise.

NEWS NOTES.

Reports of yesterday state that the Canadian government has decided to grant a right-of-way to the American railroads in Alaska.

At present there are grave doubts as to whether or not the Snow and Ice Transportation Company will get away at all with their train.

It is learned from what is considered a reliable source that all the branches, rolling stock, depots and grounds of the Washington & Columbia River Railroad Company from Pendleton to Hunt's Junction, have been transferred to the Northern Pacific.

Reports from Colfax state that the Whitman county jail is being guarded night and day to prevent a repetition of the lynching of Chadwick Marshal, alias "Blackey." "Dakota Slim," the alleged accomplice of "Blackey," is now in the jail, pending an appeal to the supreme court on a point of law. Public sentiment is against him and it would be no surprise if he should meet with the same fate as did his accomplice.

Notable preparations are being made throughout the country. Guns and ammunition of war are being put in readiness and the troops are under marching orders. The big guns on the fortresses have been manned by extra men and everything goes to prove that Uncle Sam has grave doubts about the amicable settlement of the affairs with Spain. Late reports state that evidence against the Spanish government is accumulating and everyone waits with impatience the result of the investigations now being made by the divers.

The Bowling Tournament.

Four more games of the bowling tournament between the Umatilla House team and the D. C. and A. C. bowlers were rolled at the Umatilla House alleys Saturday night, and resulted in a victory for the former team of three games out of the four. As the tournament now stands, the club boys have five games to their credit, to their opponent's three; while the Umatilla House boys are slightly ahead on pins. The D. C. and A. C. bowlers did not come up to their usual excellence in rolling, which may be attributed to the fact that they were not accustomed to the alleys.

The totals for the four games are as follows:

UMATILLA.	D. C. & A. C.
251.....	178
241.....	225
241.....	177
204.....	186

The last eight games of the tournament will be played after the club team returns from playing the Portland, but the date has not been fixed as yet.

Primaries Will Be Held March 26.

The Republican county central committee met Saturday afternoon and fixed March 26 as the date for holding the primaries. The county convention will be held on April 9. The meeting was largely attended by Republicans from all parts of the county, who brought cheering reports of the situation in the different precincts. The apportionment is one delegate-at-large for each precinct and one delegate for every twenty-five votes cast for T. T. Geer for presidential elector every fraction of thirteen or over. This apportionment will make the convention the largest Republican one ever held in this county. The meeting was harmonious.

"Then I'll a Friar Be."—The song. "What! You become a nun, my dear; then I'll a friar be," has been one of the most popular songs for male voices ever written. The tendency to do as others do is strong in many ways in life. Your neighbor has a piano. Why not you? Always a GOOD investment, a piano is a BETTER investment just now than ever before.
