## ASKED LEE'S RECALL

Will Not Comply With the Request.

## THE CUBAN RELIEF EXPEDITION

Spain's Desire that the Warships be Replaced by Merchant Vessels Was Also Denied.

MADRID, Mar. 5.—Senor Gullon, Spanish minister of foreign affairs, recently intimated to United States Minister Woodford that the Spanish government desired the recall of Consul-General Lee and that the American warships which have been designated to carry supplies to the sufferers in Cuba should be replaced by merchant vessels, in order to deprive the assistance sent to the reconcentrados of any official character otherwise possessed.

Minister Woodford cabled the request to Washington, which refused to recall General Lee under the present circumstances or to countermand the order for the dispatch of the war vessels, making the representation that they are not fighting ships.

## Sold Spain the Mines.

LONDON, Mar. 5.—According to the statement of a man whose cards describe him as an electrical engineer, whose name cannot be disclosed, but which has been forwarded to Washington, he sold to Spanish officers in London a number of years ago a large number of mines, eight or ten of which were placed in Havana harbor. He says they were made in a specially and peculiarly constructed cable, which he contends, he can positively identify, if the smallest piece is produced. Some of the mines, the man continues, were fixed so they could be fired from a fort, and two of them had bulbs arranged so that they would explode when a vessel came in contact with them. But the alleged electrical engineer adds that he does not believe that the bulb would be used in water as shallow as that of Havana harbor. He exhibited the plans of one of these mines which, he pointed out, was the most likely to produce the effect described in the wreck of the Maine. It was numbered "2," and was constructed to contain 500 pounds of gun cotton.

This is the story told by the man, who gives one the impression that he has been sergeant of engineers or he has held some similar position. He was apparently thoroughly posted on electrical matters and submarine mines. The man is an Englishman, and he says that he is willing to go to the United States as a witness.

## Luetgert to Make Sausage.

CHICAGO, Mar. 5.—Luetgert has been told his task during his imprisonment for life. It is the intention of the Joliet officials to manufacture sausages for use in the big prison, and Luetgert will be given charge of the work.

The information pleased him. When he was today taken to the penitentiary, seemed at first glad of his release from jail, and laughed and joked on his way to the train. He was quiet, however, when Joliet was reached, and broke down when the prison gates closed upon him. He sat in the warden's office with tears rolling down his cheeks, unable to say a word.

## Reward Offered.

WASHINGTON, Mar. 5.—Postmaster-General Gary today issued a circular formally offering rewards of \$1500 for the arrest and conviction of each person

who participated in the murder of Postmaster Baker, at Lake City, S. C., February 21st. This is in accordance with the decision reached at yesterday's cabinet meeting.

**Deafness Cannot be Cured** by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.

## Robbed the Grave.

A startling incident of which Mr. John Oliver of Philadelphia, was the subject is narrated by him as follows: I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life and robbed the grave of another victim. No one should fail to try them. Only 50 cents per bottle at Blakeley & Houghton's drug store.

## The Discovery of the Day.

Aug. J. Bogel, the leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J. F. Campbell, merchant of Saffords, Ariz., writes: "Dr. King's New Discovery is all that is claimed for it; it never fails, and is a sure cure for Consumption, Colds and Coughs. I cannot say enough for its merits." Dr. King's New Discovery for Consumption, Coughs and Colds is no experiment. It has been tried for a quarter of a century, and today stands at the head. It never disappoints. Free trial bottles at Blakeley & Houghton's drug store. 6

## Microbes Devour Sewage.

A novel disposition of sewage is made at Exeter, England. The method consists of four tanks, a fourth of the sewage passing into each. Light and air are excluded from the tanks; putrefaction and decomposition are rapidly set up; the microbes multiply and the solid portions of the sewage are consumed, and the outflow from the tanks is nothing but slightly colored water, which, after passing through filters, loses all color and taste. No chemical is used and no attention to the tanks of any sort is needed. Each filter bed automatically cleanses itself by being out of use for a short time.

The Shakers of Mount Lebanon, a community of simple, honest, God-fearing men and women, have prepared the Shaker Digestive Cordial for many years, and it is always the same, simple, honest, curative medicine that has helped to make the Shakers the healthy, long-lived people that they are. The Shakers never have indigestion. This is partly owing to their simple mode of life, partly to the wonderful properties of Shaker Digestive Cordial. Indigestion is caused by the stomach glands not supplying enough digestive juice. Shaker Digestive Cordial supplies what's wanting. Shaker Digestive Cordial invigorates the stomach and all its glands so that after awhile they don't need help. As evidence of the honesty of Shaker Digestive Cordial, the formula is printed on every bottle. Sold by druggists, price 10 cents to \$1.00 per bottle.
