THE DALLES, OREGON, TUESDAY, MARCH 8, 1898

NO 360

MEASURE IS PREPARED

Fifty Million Dollars for Defense of the Nation.

DEMAND HAS BEEN WITHDRAWN

Senate and House Leaders and President Favor It—Still in Doubt as to the Means Used.

WASHINGTON, Mar. 7.—Chairman Cannon, of the appropriation committee, today introduced a measure in the house entitled "Making appropriations for the national defense." It runs as follows: "Resolved, That there is hereby appropriated out of the money in the treasury not otherwise appropriated for the national defense, and for each and every purpose connected therewith, to be expended at the discretion of the president, and to remain available until June 30, 1899, \$50,000,000."

It was referred to the committee on appropriations. The Cannon bill, it was learned later, was the outcome of a conference held at the White House this morning at which Cannon, Secretary Long, Dingley, Allison, and Grosvenor were present. The situation was considered so grave it was thought imperative that an immediate appropriation of this character should be made to prepare for the national defense. After the conference Cannon went to the capitol and called a special meeting of the appropriations committee. After this meeting, Cannon introduced the national defense bill in the house. The appropriations committee will meet tomorrow.

New York, Mar. 7.—A Havana dispatch says:

Not many days will be needed for Captain Sampson and his associates to complete the investigation. The wrecking companies are making progress in clearing away through superstructure. During the absence of the board, the naval department divers have been able to extend their examination of the plates of the hull. They found the plates twisted as if from an outside explosion.

Everything previously learned regarding the forward magazine being intact and the existence of large quantities of unexploded ammunition has been confirmed and strengthened.

The Spanish divers have been working slowly. They have been giving more attention to the coal bunkers, apparently, than to any other portion of the wreck. They have made nothing more than a superficial examination of the hull.

It seems to be understood that the Spanish board in its investigation is finding little evidence to give plausible support to the theory of accident. This distinction from positive proof of an external explosion it may be able to ignore. There is clearly less confidence in official circles than during the period when the declarations of accident were made by General Blanco. The Spanish inquiry proceeds in leisurely fashion. It may be a long time before a conclusion is reached. This will be no reason for a long delay on the part of the naval board.

WASHINGTON, Mar. 7.—It is learned that the Spanish objection to Consul-General Lee is based largely upon his sympathy with the Cubans and some of his utterances which have found their way into print. It is learned that the Spaniards also take exception to the friendly relation and companionship ex-

Royal makes the food pure, wholesome and delicious.

isting between Lee and the correspondents of newspapers which have been decidedly unfriendly to Spain.

It is believed De Lome carried information which was calculated to make the Spanish government request the recall of Lee.

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.

OFF FOR THE NORTH.

Canadian Troops at Winnipeg Receive Marching Orders.

WINNIPEG, Minn., Mar. 7.—The Royal Canadian dragoons here have been ordered to prepare to remove to the Yukon at once. They will form a part of the military expedition which the federal government is sending to that part of the dominion. The expedition will be 200 strong.

Hobbed the Grave.

A startling incident of which Mr. John Oliver of Philadelphia, was the subject is narrated by him as follows: I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life and robbed the grave of another victim." No one should fail to try them. Only 50 cents per bottle at Blakeley & Houghton's drug store.

Will Not Go to Cuba.

KEY WEST, Mar. 7.—Orders were received today rescinding the instructions to send the Fern to Cuba with supplies and reiterating the original order naming the cruisers Nashville and Montgomery as the vessels to carry out that mission. There was some excitement in naval circles here over the sudden change in the program, as no explanation was obtainable.

The Discovery of the Day.

Aug. J. Bogel, the leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J. F. Campbell, merchant of Safford, Ariz., writes: "Dr. King's New Discovery is all that is claimed for it; it never fails, and is a sure cure for Consumption, Colds and Coughs. I cannot say enough for its merits." Dr. King's New Discovery for Consumption, Coughs and Colds is no experiment. It has been tried for a quarter of a century, and today stands at the head. It never disappoints. Free trial bottles at Blakeley & Houghton's drug store.

Dogs of War Free at Last.

NEW YORK, Mar. 7.—Advises from San Jose, Costa Rica, via Punta Arena, say the report has reached the capital that an encounter has taken place on the front in the neighborhood of Liberia, between Nicaragua and Costa Rica troops. The result is not known.

The letter states that President Iglesias, of Costa Rica, has gone to the field in person, and that General Estrada will probably be commander of the Nicaragua army.

Costa Rica continues cut off from the outside world, because Nicaragua refuses to permit the cable company to handle its dispatches.

That car has just previously been arranged for and the one previously arranged for has been changed to Thursday. It runs through to St. Louis, via the Mo. Pacific line. The car leaving Portland Tuesday goes through to Boston, and is promoted by the C. R. I. & P. Wednesday's car runs to St. Joseph, Kansas City and St. Louis over the Burlington. Arrivals From Dawson.

SEATTLE, Mar. 7.—Among the passengers on the Farallon were Thomas Graham, of Ontario, and Thomas Elliott, of Monroe, Wash., the latest arrivals from Dawson. They left there in company with H. Peters, of Indiana, and it is alleged they brought out \$20,000.

The Shakers of Mount Lebanon, a community of simple, honest, God-fearing men and women, have prepared the Shaker Digestive Cordial for many years, and it is always the same, simple, honest, curative medicine that has helped to make the Shakers the healthy, long-lived people that they are. The Shakers never have indigestion. This is partly owing to their simple mode of life, partly to the wonderful properties of Shaker Digestive Cordial. Indigestion is caused by the stomach glands not supplying enough digestive juice. Shaker Digestive Cordial supplies what's wanting. Shaker Digestive Cordial invigorates the stomach and all its glands so that after awhile they don't need help. As evidence of the honesty of Shaker Digestive Cordial, the formula is printed on every bottle. Sold by druggists, price 10 cents to \$1.00 per bottle.

Lee Has Little to Say.

HAVANA, Mar. 7.—General Fitzhugh Lee, consul-general of the United States when questioned today regarding the demand for his recall, said: "I shall continue to do my duty, which is to guard American interests."

This remedy is intended especially for coughs, colds, croup, whooping cough and influenza. It has become famous for its cures of these diseases, over a large part of the civilized world. The most flattering testimonials have been received, giving accounts of its good works; of the aggravating and persistent coughs it has cured; of severe colds that have yielded promptly to its soothing effects, and of the dangerous attacks of croup it has cured, often saving the life of the child. The extensive use of it for whooping coughs has shown that it robs that disease of all dangerous consequences. For sale by Blakeley & Houghton.
