She muat have thrown up almost the
entire amount, else it certanly would entire amount, else it certamly
have proven fatal.
While playing solo in the card room of Swearingen Bros.' saloon, on Main
treet, in Pendleton, early Sunday morning, Frederick Kinder, an employe
at the Pendleton woolen mills, fell over on the table dead. He was happy all
evening, and had jost come from a dance of the Cactus Club at Armory hall. Two
or three hands of a game were played, or three hands of a game were played,
when Kinder suddenly placed his hands
to his hands to his to his hands to his bead, exclaimed,
"My, but J'm dizzy!" He eunk on the My, but J'm dizzy!" He zunk on the
toble, gusped for a moment, and all was toble, gasped for a moment, and anl was
over. He was 26 yeare old, unmarried,
a man of jovial dieposition, and never drank a drop.
Last evening when the Sons of Vete. rans were holding their usual/meeting
thry were aroused by a violent knock. ing on the outer door, and fron the dis-
urbance concluded that they were curbance concluded that they were at-
tueked by the "ewer gang" or a detachhacked by the "gewer gang or a detach-
ment of spaniards. Upon thorough
investigation, however, they were agreeably surprised at ateeing that their
aggresoors were none other than the aggressors were none other than the
Relief Corps and the G. A. R., with well tilled barkets of good thinge. The in.
truders were allowed to enter without ruders were milowed to enter without
the pase word, and a splendid lunch was epread, and delightful time was had by
ill who were fortunate enough to be
$\qquad$ and beat upon the solitarie Brere," thus sang the poet of olden time, but yester-
day there was more truth than poetry day there was more truth than poetry
in this aaying, for old Boreas got frolicin this saying, for old Boreas got frolic-
somes and made Dalles real estate nove
faster than ever did The Dalles Real Es. tate Fxelange. Old Dad Butte, bowever, was up with the pace set by old
Boreas, and while Boreas only moved Boreas, and while Boreas only moved
the surficee Butte moved everything from the surface Butce moved everything from
the iky to the eenter of the earth on one
or two pieces of property. Butts has or two pieces of property. Butts has
the bargains that make property move,

## NEWS NOTES. This morning's bulletin etates that al papers will be expelled from Cuba to-

For a time everyone wondered where
Spain got the neceseary money to purchase ships and make other preparations or war. It has at last leaked
France is furniehing the same. It now looke that not only would
Cuba be looked
but the world's peace seems to be in soon be involved in war. The money narkets of the world are affected in consequence.
Reports
Reports received this morning state that both the United states and Spain
feel that they are not fully prepared feel that they are not fally prepared for
war, and are sparing for time. There is no doubt, as soon as the tovernment is ready, war will begin without loss of The Russian demands upon China have caused the greatest excitement at
he Japanese legation, and the Japanese minister has had several interviews with otficials of the Chinese foreign office,
arging the rejection of the Russian de arging the rejection of the Russian de
mands. In addition, it is reported that Japan has threatened to take vigorous action if the demands of Ruseia are onceded.

## Fancy ribbons promise to lead again

furing the present season, and to be ased more extensively than during last year. The present collections show ribbons in bayadere, plaid, amber and
checked atyles: besides a good variety checked styles; besides a good variety
of stripes. Also mousseline, satin merof atripes. Atso mousseline, satin mer-
velleox and satin taffeta ribhone, in exvilleux and satin taffeta ribhone, in ex-
remely wide widthe. An extenulve avoice of the very newest atylee in ribbons has just been received by A. M. Williame \& 4 Co.
