CAMPAIGN IN OREGON.

The campaign of 1898 in Wasco county may be said to be fairly commenced. The free silver forces have held their primaries and elected delegates to the county convention. Just what the result of this concerted movement may be yet to be determined; but it is perfectly evident that the idea of fusion is uppermost in the minds of the Populists and Democrats. The Free Silver Republicans—the name is a gross misnomer—are hunting for some place in which they may cast their lines, and undoubtedly they will find some sort of refuge among the Populists and Democrats.

Not since the close of the war has the issue been more direct and unequivocal than it is at this time. The Democrats no longer preach free trade; the Populists seem to have abandoned all their cherished tenets of political belief except their undying attachment to free silver, and all have united in opposition to the monetary system advocated so strenuously by the Republican platforms. It is cheap money against sound money, with no equivocation of terms. The unparalleled prosperity which the nation has experienced since the inauguration of President McKinley seems to count for nothing in the minds of the blind worshippers of the silver god, and the lines are drawn in the same places as they were in 1896.

The last presidential campaign was remarkable for the great interest taken by the business men of the country. The politicians—so called—were in the background, and the representatives of the business world went to the front and carried the banners of sound money and the maintenance of a stable currency system.

As far as Oregon is concerned, the same thing must be done again. Whatever reason a year or so ago there may have existed in the minds of some people for going to a silver basis, there is none now. The calamitous predictions so confidently made by Populists and Democrats have been unverified, while the assurances made by the Republican party that prosperity would return with the election of McKinley, has proven true. Oregon cannot afford that its fair name suffer by the defeat of the Republican party and the cause of sound money.

The duty of every good citizen is plain. Politics must be sent to the background, while good judgment and patriotism predominate. A sweeping victory in June will be a splendid advertisement for this state, and the end is well worth the employment of all legitimate means.

Candidates for the legislature this year should be chosen with particular caution. There should be no room for men of the Brownell type. To be a member of the legislative assembly is an ambition worthy any honorable citizen; but it isn't every voter who is fit for the position. Political parties treat this matter too lightly; but the people are becoming aroused to the necessity of having cleaner representation, and it would be well for the nominating convention to consider well before making nominations.

If the Republican party is defeated in Oregon, such a result would be due, in large measure, to the internal

dissensions of the party. There is a need for broad-minded statesmanship at the head of the organization—such a leadership as the Oregonian and Joe Simon have not given.

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.

The Discovery of the Day.
Aug. J. Bagel, the leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J. F. Campbell, merchant of Saffords, Ariz., writes: "Dr. King's New Discovery is all that is claimed for it; it never fails, and is a sure cure for Consumption, Colds and Coughs. I cannot say enough for its merits." Dr. King's New Discovery for Consumption, Coughs and Colds is no experiment. It has been tried for a quarter of a century, and today stands at the head. It never disappoints. Free trial bottles at Blakeley & Houghton's drug store.

Sheep marking paint; ready for use. Two colors, black and red. Why you should use our sheep paint. First, because the colors are ground thoroughly in pure linseed oil by fine machinery; second, because it is made of high grade color, with the proper amount of dryers added to give it binding and lasting qualities, which prevent it from washing or rubbing off; third, it is much more economical, because it is always ready for use. We guarantee our sheep marking paints to give satisfaction. Try it and be convinced. Clarke & Falk, agents, The Dalles, Or.

I have been afflicted with rheumatism for fourteen years and nothing seemed to give any relief. I was able to be around all the time, but constantly suffering. I had tried everything I could hear of and at last was told to try Chamberlain's Pain Balm, which I did, and was immediately relieved and in a short time cured. I am happy to say that it has not since returned.—Josh Edgar, Germantown, Cal. For sale by Blakeley & Houghton.
