The following are the high scores for the week ending Sunday night, at the Umatilla House bowling alleys: Monday, Birgfeld, 63; Tuesday, Birgfeld, 62; Wednesday, Maetz, 56; Thursday, Ogden, 51; Friday, Birgfeld, 58; Saturday, Manning, 54; Sunday, Birgfeld, 55.

In a few days an addition to the rear of the building occupied by Blakeley & Houghton, will be begun by French & Co. Owing to the increase in business, and consequently the increased stock of goods which this firm is compelled to carry, this addition is very necessary.

The lambing season is on in Morrow county, and, if the present fine weather continues, very little loss in lambs will be suffered. Everything at present indicates that the flockmaster will, the coming year, enjoy an era of prosperity unprecedented in the history of the country.

What might have been a very disastrous fire started yesterday morning in the residence occupied by Mrs. Withem, on the corner of Fifth and Court streets. The blaze originated from a defective flue, and when discovered the roof was afire. An alarm was immediately turned in and in a remarkably

short time a powerful stream was playing on the roof and the blaze got under control. It was very fortunate that the firemen were so prompt in responding to the alarm, for if the fire gained an headway in such a high wind, it would have been next to impossible to save the buildings on the south side of Fifth street, east of the scene of the blaze.

Judging from the cool threatening weather we had yesterday afternoon, and the thin covering of snow which fell during the early hours of this morning, one would think that winter was not yet over. The bright sunshine today dispelled this fear, however, and we find ourselves in the full enjoyment of spring weather.

Yesterday the morning passengers had a trouble in getting through the sand east of this place. The early morning train got stalled near Biggs, and the engine from the Spokane local uncoupled and went ahead to help them out. In returning, this engine got off the track, but no serious damage was done. The trains passed through several hours late.

The La Grande Chronicle says that one of the physicians there reports that there is danger of an epidemic of diphtheria at Alice, in Union county, as a young son of Henry Ruhl died of the disease a few days ago, and during the illness was visited by many neighbors. The 4-year old child of J. H. Herford is now down with the disease, and the case is considered critical.

Sheepmen in Grant county are counting on a heavy crop of wool this year, their flocks having been kept in good condition during the past winter. Should spring weather prevail, shearing would soon be general in that county, as sheepmen are anxious to get their wool ready for market and then wait till the mountain roads between them and the railroad become passable.

The original farce comedy, "King Hallabahoila II," is surpassing the expectations of everyone concerned, and it is indeed encouraging to see with what good spirit they boys all throw themselves into their respective parts. In all probability it will be put on immediately after the lenten season, and unless some changes are made later, the date will be Tuesday evening, April 12th.

During the week ending yesterday at the club alleys the following scores were made: Monday, Nolan, 66; Tuesday, Houghton and Tolmie, 63; Wednesday, J. F. Moore, 54; Friday, Sampson, 55; Saturday, N. Sinnott, 53; Sunday, Bradshaw, 72. On Thursday Mrs. Charles Stephens held the board with a score of 38, while on Wednesday and Friday Mrs. Theo. Keufert scored 49 and 56 respectively.

The bowling tournament between the ladies of the Commercial Club and the regular club team will take place tomorrow evening. The ladies' team consists of Mrs. T. J. Senfert, captain; Mrs. G. C. Blakeley, Mrs. M. T. Nolan, Mrs. Fred Van Norden, Misses Annie Laug and Alma Schanno. A handicap of ten pins will be given each lady, or

sixty for the game. But one game will be played Tuesday night, owing to the fact that there are many ladies who do not have an opportunity to bowl on other days, and those bowling in the tournament do not wish to take up the alleys longer than it takes to bowl one unatched game.

Memorial Service for Miss Willard.

A large number of people gathered at the Methodist church last evening to join with the members of the W. C. T. U. in honoring the memory of their late leader, Frances E. Willard. Artistic hands must certainly have had charge of the decorations, for they were beautiful and appropriate. Over the large vocalion was an arch painted white, on either side of which was draped the stars and stripes. In the center were the gates ajar, through which could be seen a pure white cross, surmounted by the crown. At the top of the arch was hung a picture of the one who has received her reward. Draped on either side of the platform were American flags, while hung in a conspicuous place was a motto, the dying words of Miss Willard, "How Beautiful to Be With God." At one side of the church was the motto of the W. C. T. U., "For God and Home and Native Land," and on a white easel on the platform was a life-like picture of her whose memory they revered. Potted plants and cut flowers were in profusion, but it was noticeable that not a sign of mourning marred the beauty of the picture, for she had requested that for her no mourning be put on.

The services were presided over by Mrs. C. T. Donnell, acting president of the local W. C. T. U., and each paper read was a beautiful tribute to their lost general and brave advocate. Mrs. W. H. Biggs read the call for memorial services issued by the Union, and the early life of Miss Willard was taken up by Mrs. Dean; her life work by Mrs. E. M. Wilson; Rev. Wood spoke of her Christian character, and Mrs. S. French of her noble defense of the home. The papers were each well written, and gave to the audience a clearer insight into the wealth of her character and the greatness of her work.

Mrs. Reynolds recited in a touching manner "He Giveth His Beloved Sleep," and Miss Myrtle Michell sang "One Sweetly Solemn Thought," while the anthem by the choir, "In Heavenly Love Abiding," and the hymns were particularly suited to the occasion.

Rev. Curtis dismissed the audience with the benediction, and everyone left with the conviction that the members of the W. C. T. U. were not discouraged, but determined to work with new zeal.

SATURDAY'S CONVENTION.

The Three Parties Unite - Candidates Nominated to Different Offices.

After a conference which lasted about five hours, the committees from the Silver Republican, Democratic and Populist parties agreed to the following terms: That the Democrats should have the nominating of the sheriff, commissioner, coroner and constable. The Silver Re-

publicans had the county clerk, while the Populists were given the treasurer, assessor and school superintendent. The following were the nominees: Sheriff—I. D. Driver, of Wainic. Commissioner—F. M. Jackson, of Hood River.

Coroner—J. H. Jackson, The Dalles. Constable—F. N. Hill, The Dalles. Justice of the Peace Dalles district—J. P. Schutz.

County clerk—J. M. Anderson, of Dufur.

Treasurer—W. H. Arbuckle, The Dalles. Assessor—J. H. Aldrich, Cascade Locks.

School superintendent—P. P. Underwood, Boyd. The Democratic delegates to the state convention, which meets in Portland on the 23d were A. S. Bennett, J. A. Douthit, S. E. Van Vactor, J. L. Henderson, D. R. Cooper, W. N. Wiley, W. K. Temple, J. H. Chastian. Those from the Silver Republican party were: Thomas Harlan, D. S. Dufur, W. C. Adams and A. J. Brigham.

It was further decided by the conference committee, that the Democratic candidate for circuit judge and the Populist nominee for district attorney should be supported. The Populists were given one joint representative and the Silver Republicans one, though these candidates must be chosen at the state convention.

The three parties adopted resolutions favoring the free coinage of silver.

As a great deal of business had to be transacted, the convention did not close until 11 p. m. How well satisfied the delegates are with the proceedings of the convention is hard to say. Grumbling, however, was heard among a number of the delegates.

SIMPLICITY ITSELF.

A SIMPLE, HARMLESS REMEDY.

Yet it cures the Worst Cases of Dyspepsia and Indigestion.

Dr. Jennison, who has made a life study of stomach trouble, says: All forms of indigestion really amount to the same thing, that is, failure to completely digest the food eaten: no matter whether the trouble is acid dyspepsia or sour stomach, belching of wind, nervous dyspepsia or loss of flesh and appetite; a person will not have any of them if the stomach can be induced by any natural, harmless way to thoroughly digest what is eaten, and this can be done by a simple remedy which I have tested in hundreds of aggravated cases with complete success. The remedy is a combination of fruit and vegetable essences, pure aseptic pepsin and golden seal put up in the form of pleasant tasting tablets and sold by druggists under the name of Stuart's Dyspepsia Tablets. One or two of these tablets should be taken after meals and allowed to dissolve in the mouth and mingling with the food in the stomach, digests it completely before it has time to ferment, decay and sour.

On actual experiment one grain of Stuart's Dyspepsia Tablets will digest three thousand grains of meat, eggs and similar wholesome foods.

It is safe to say if this wholesome remedy was better known by people generally, it would be a national blessing, as we are a nation of dyspeptics and nine-tenths of all diseases owe their origin to imperfect digestion and nutrition.

Stuart's Dyspepsia Tablets are not a secret patent medicine, but a fifty cent package will do more real good for a week stomach than fifty dollars worth of patent medicines and a person has the satisfaction of knowing just what he is putting into his stomach, which he is putting into his stomach, which he does not know, when widely advertised patent medicines are used.

All druggists sell Stuart's Dyspepsia Tablets, full sized packages, 50cts.
