IT LOOKS THAT WAY

Officers Take a Gloomy View of It.

NOW ON ITS WAY TO WASHINGTON

Merix and His Companions arrive at Miami, Florida, en route for Washington.

MIAMI, Mar. 23.—Lieutenant-Commander Merix, of the Maine court of inquiry, arrived here in company with a small party of officers this morning. A few minutes later the left by the East Coast railway, en route for Washington.

Merix was very reticent, but when the correspondent said, "It looks like war," he replied, "It surely does."

Others of the party in answer to the same question were more emphatic in their replies, one of them saying: "I cannot see how war can possibly be averted."

Another said: "There will be war." His face was as genial and bright as sunshine, but suddenly a change came over his countenance, his eyes flashed fire, and when asked when the report would be made, the reply was: "As soon as we reach Washington. There will be no delay." A strong impression left was that the board's report would be against the accident theory.

A MORNING TRAGEDY.

A Police Lieutenant Shot and Killed by a Maniac.

SAN FRANCISCO, Mar. 23.—Police Lieutenant W. F. Burke was shot and killed by Frank Haynes, alias the "Irish tinker," a maniac, this morning, while attempting to arrest him for disturbance of the peace.

Haynes and a neighbor quarreled about a fence between their lots this morning, and the former became so abusive that the police were summoned. Two officers responded, but Haynes flourished a revolver and acted in such a threatening manner that they withdrew and summoned Lieutenant Burke who went at once to the scene of the disturbance.

Haynes waved Burke off with a pistol and as the latter continued to advance, fired two shots at him, both taking effect in the abdomen. Burke fell and Haynes ran into his house, where he proceeded to barricade himself. The officers fired a volley at him, but he returned it with a Winchester.

Burke was carried to the hospital where he died in a few minutes. Haynes finally surrendered after exhausting his ammunition. He is now in jail awaiting a hearing of the case.

AN OMINOUS SIGN.

War Clause Inserted in Ship Charters in England.

NEW YORK, Mar. 23.—A London cable says:

An ominous sign that the strained relations between the United States and Spain will result in war is furnished by English shipowners, who cabled to their agents that all charters must contain a war clause. This clause which is posted in the maritime exchange, reads as follows:

"It is understood this steamer is to be employed in strictly neutral trade, is not to carry contraband cargo or trade with ports declared under blockade; also in event of war being declared by or against Great Britain by a maritime power this charter is to be null and void at the end of the current voyage."

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.

RIVERS ON THE RAMPAGE.

Floods Create Havoc in Ohio and Indiana.

DAYTON, O., Mar. 23.—Dayton is in worse danger than at any time since 1866, when the central part of the city was flooded. North Dayton is completely under water, and about three hundred houses are almost covered. There were several narrow escapes, but no lives are reported lost. Back-water is doing great damage below the city. Three trolley lines are blocked, and steam railroads north of the city are paralyzed. The levees at Miami and Riverdale are in danger. The water is in the cellars in the central portion of the city and large and valuable stocks of merchandise will undoubtedly suffer.

RICHMOND, Ind., Mar. 23.—Heavy floods are doing incalculable damage. A large bridge over Whitewater river has been destroyed by fire and water. The city electric light plant is drowned out. The Starr piano factory and the Nixon paper mill suffered a heavy loss. Many people have been driven from their homes and the streets are badly damaged.

The Shakers of Mount Lebanon, a community of simple, honest, God-fearing men and women, have prepared the Shaker Digestive Cordial for many years, and it is always the same, simple, honest, curative medicine that has helped to make the Shakers the healthy, long-lived people that they are. The Shakers never have indigestion. This is partly owing to their simple mode of life, partly to the wonderful properties of Shaker Digestive Cordial. Indigestion is caused by the stomach glands not supplying enough digestive juice. Shaker Digestive Cordial supplies what's wanting. Shaker Digestive Cordial invigorates the stomach and all its glands so that after awhile they don't need help. As evidence of the honesty of Shaker Digestive Cordial, the formula is printed on every bottle. Sold by druggists, price 10 cents to \$1.00 per bottle.

Clark Guilty of Murder.

PAPA, Cal., Mar. 23.—Geo. W. Clark has been found guilty of the murder of his brother, William, and on Monday will receive sentence. The jury was out nearly an hour.

Beats the Klondike.

Mr. A. C. Thomas, of Marysville, Tex., has found a more valuable discovery than has yet been made in the Klondike. For years he suffered untold agony from consumption, accompanied by hemorrhages; and was absolutely cured by Dr. King's New Discovery for Consump-

tion, Coughs and Colds. He declares that gold is of little value in comparison with this marvelous cure; would have it, even if it cost a hundred dollars a bottle. Asthma, Bronchitis and all throat and lung affections are positively cured by Dr. King's New Discovery for Consumption. Trial bottles free at Blakeley & Houghton's drug store. Regular size 50 cents and \$1.00. Guaranteed to cure or price refunded. 2

An Officer of the Maine.

LASALLE, Ind., Mar. 23.—Lieutenant G. A. Blow, one of the officers of the ill-fated battleship Maine, has arrived in Lasalle. The lieutenant expressed his regret at being unable to divulge anything in connection with the Maine disaster, as his instructions are particularly stringent. The lieutenant will remain in this city a few days and expects to report for duty in Washington the latter part of the week.
