James Kelly purchased thirty-two head of range cattle today from Al. Burcher, of Klickitat county, Wash., and will put them on pasture until they are in a condition to turn off.

Thirty-eight head of beef cattle were brought in from Camas Prairie yesterday afternoon by R. A. Byrket for the Columbia Packing Co. of this city. They were nice large beef, and in splendid order.

Yesterday about 5000 pounds of pulled wool arrived at the Wasco warehouse from different points. Some of it was shipped in by Sherman county sheepmen, while more was brought in by Indians.

The Condon Globe appears this week in an enlarged form, since the six-column paper published heretofore proved unable to hold the amount of news which its publisher thought its patrons deserved.

An entertainment will be given by the Good Templars at Fairfield school house, Saturday evening, April 9th. The grand secretary will be present and a good time is assured. Admission, adults 10 cents, children free.

Mr. J. Hardwick, proprietor of Uncle Jack's loan office, has finished moving his stock into his new location next door to Fouts' cigar store, and in future will conduct the business the same as before, except that he will carry more new goods, and also do repair work.

The board of directors and members of the Dalles Commercial and Athletic Club are requested by the president, G. C. Blakeley, to be present at a meeting which will be held at the club rooms at 8:30 this evening, as matters of grave importance are to be considered.

Yesterday Bonn Bros., of the Dalles Commission & Grocery Co., purchased the interest owned by Peter Stadelman in that company, and will in future conduct the business under the same firm name and in the same straightforward manner in which it has been managed heretofore.

Mr. Albert Bettingen arrived in the city last night with the remains of his father. An error was made in yesterday's issue concerning the date of the funeral. It should have said on Saturday at 9 a. m., instead of Sunday, as we had it. Friends of the deceased are invited to attend.

Senator McBride says that if he can get his amendment to the sundry civil bill, relating to forest reserves, incorporated into law it will release about 45,000 acres of land in the Cascade reserve in Oregon, which can be used for the benefit of the schools under the land grant of the state.

Our boys are very slow this year in organizing a baseball team. Dalur, Boyd and other smaller towns through

the country have trained nine already and are playing matched games, and there is no reason why a town the size of this should not have an abundance of sport of this kind.

Secretary Long is authority for the statement that there is no truth in the report published Wednesday that Consul-General Lee is dissatisfied with the president's Cuban policy, and has cabled his resignation to the state department, at the same time requesting that he be relieved at once.

Last Sunday night John Gage died at his home near Mitchell, in Crook county, aged about 58 years. Mr. Gage ranked among the most prominent sheepmen of Crook county, and was highly esteemed by all who knew him for his honest dealing and noble character. He left a wife and family.

Today's bulletin says Spain's reply to the president's demand for the liberation of Cuba was received last night, but as yet it has not been made public. It is said to be in a defiant tone, and if such be the case, war may result. Today's dispatches will, in all probability, state whether we will have war or peace.

Nothing has yet been heard of Mat Nydquist and Swan Swanson, the two men who started down the river from this place several weeks ago and whose boat was found at White Salmon a few days later. At present it seems almost a certainty that both men were drowned, else they would have been heard from before this.

At 11:43 Wednesday night San Francisco and the greater part of California were shaken by one of the most severe earthquakes ever experienced there. In San Francisco buildings were swayed violently for fully ten seconds, though reports from other places state that the vibrations continued for from thirty seconds to a minute. Considerable damage to property was created.

The Dalles is to be congratulated on possessing such up-to-date merchants as Pease and Mays. The magnitude and exquisite elegance of their millinery display shows how carefully they have anticipated the wishes of their lady customers. That their enterprise is appreciated must be acknowledged by all. Their store has been literally besieged by the ladies since the opening of the new goods.

The tickets for "King Hallabahoolla II" are selling very rapidly, and it is feared that the Vogt opera house, large as it is, will not be able to accommodate all, with even standing room. No person can reserve more than five seats, and no partiality will be shown in the matter of reserves, since the box office will be open at a certain hour, and those who come first will have the choice of seats.

Attorney Frank Menefee returned from Portland last night, where he and Mr. Dufur have been trying the case of Boyd vs. the Portland General Electric Co., in Judge Shattuck's court. The plaintiff, who was a boy 11 years old, received serious injuries at Woodlawn some time ago by running foul of a broken wire belonging to this company, and at present bears, as a result of the contact, a badly crippled hand and severe wounds about the head, where he was burned by the electricity. He instituted a suit for \$5000 damages and hired Dufur & Menefee as his attorneys. The jury brought in a verdict last night for damages to the full amount of the suit. The case was a hard fight from beginning to end and the result is flattering to our Dalles attorneys.

THE CONCLUDING GAMES.

The Ladies Roll in Hard Luck, But Are Still Ahead.

The bowling match between the ladies and gentlemen at the club rooms last night was a hard contest from start to finish. Most of the ladies played in hard luck, and a large number of centers were taken out, so that their scores fell far below their usual records. A few of the men fell down, but on the whole they played remarkably well, as the following will show:

LADIES' TEAM.			
	1st	2d	3d
Handicap	60	60	60
Mrs Seufert	32	29	17
Mrs Blakeley	23	33	26
Mrs Van Norden	26	34	43
Mrs Nolan	26	26	22
Miss Schanno	23	23	44
Miss Lang	29	28	24
Totals	219	233	236

CLUB TEAM.			
	1st	2d	3d
Bradshaw	52	38	50
Ballard	34	19	25
Sampson	35	40	51
N Sinnott	26	36	41
Houghton	46	21	36
Hcatesler	34	34	41
Totals	226	188	244

As can be seen by the above, the ladies were ahead in but one game out of the four, and as they won both of the games played on a previous evening, each team had three games to their credit. In order to decide the match

pins were counted, and it was found that the ladies had won by thirty-nine pins. They were ahead forty-five pins in the previous games and in the four games of last night the gentleman had an advance of but six, so that the difference showed thirty-nine pins in the ladies' favor.

The match was all the more interesting on account of being close, and as the sympathy of the spectators was with the ladies, everyone seemed to be well pleased with the result.

THEY RIDICULE IT.

MANY PEOPLE RIDICULE THE IDEA OF AN ABSOLUTE CURE FOR DYSPEPSIA AND STOMACH TROUBLE.

Ridicule, However, is Not Argument, and Facts are Stubborn Things.

Stomach troubles are so common and in many cases so obstinate to cure that people are apt to look with suspicion on any remedy claiming to be a radical, permanent cure for dyspepsia and indigestion. Many such pride themselves on never being humbugged, especially on medicines.

This fear of being humbugged may be carried too far; so far, in fact, that many persons suffer for years with weak digestion, rather than risk a little time and money in faithfully testing the claims of a preparation so reliable and universally used as Stuart's Dyspepsia Tablets.

Now Stuart's Dyspepsia Tablets are vastly different in one important respect from ordinary proprietary medicines for the reason that they are not a secret patent medicine, no secret is made of their ingredients, but analysis shows them to contain the natural digestive ferments, pure aseptic pepsin, the digestive acids, Golden Seal, bismuth, hydrastis, and nux. They are not cathartic, neither do they act powerfully on any organ, but they cure indigestion on the common sense plan of digesting the food eaten promptly, thoroughly before it has time to ferment, sour and cause the mischief. This is the only secret of their success.

Cathartic pills never have and never can cure indigestion and stomach troubles because they act entirely upon the bowels, whereas the whole trouble is really in the stomach.

Stuart's Dyspepsia Tablets, taken after meals, digest the food. That is all there is to it. Food not digested or half digested is poison, as it creates gas, acidity, headaches, palpitation of the heart, loss of flesh and appetite, and many other troubles which are often called by some other name.

They are sold by druggists everywhere at 50 cents per package. Address Stuart Co., Marshal, Mich., for book on stomach diseases or ask your druggist for it.

WHEN TRAVELING

Whether on pleasure bent or business, take on every trip a bottle of Syrup of Figs, as it acts most pleasantly and effectually on the kidneys, liver and bowels, preventing fevers, headaches, and other forms of sickness. For sale in 50 cent bottles by all leading druggists. Manufactured by the California Fig Syrup Co. only.

To Cure a Cold in One Day. Take Laxative Bromo Quinine Tablets. All druggists refund the money if they fail to cure. 25c.

An Interesting Story is attractive at all times. No one can afford to let the evenings at home be spent without good reading matter in these days when good books cost so little. Our stock offers some very attractive, up-to-date and standard literature which will interest all.
