Startling merit and novel features sustain the reputation of the great Dante, the most remarkable magician and mystical illusionist and one of the most talented entertainers of the present age.

assisted by the charming Mile. Edmond and a refined company, in the greatest and most novel entertainments ever presented.

There is no performance similar to that of Dante in the country. He has created a new departure in amusements and it is a pleasant relief from the ordinary dramatic or operatic attractions.

His exhibitions are unique, amusing and full of unexpected surprises.
