Sheep marking paint; ready for use. Two colors, black and red. Why you chould use our sheep paint. First, be-cause the colors are ground thoroughly in pure linesed oil by fine machinery; second, because it is made of high grade color, with the proper amount of dryers added to give it binding and lasting qualities, which prevent it from washing or rubbing off; third, it is much more economical, because it is always ready for use. We guarantee our sheep marking paints to give satisfaction. Try it and be convinced. Clarke & Falk, agents, The Dalles, Or.

The Shakers of Mount Lebanon, a community of simple, honest, God-fearing men and women, have prepared the Shaker Digestive Cordial for many years, and it is always the same, simple, honest, curative medicine that has helped to make the Shakers the healthy, longlived people that they are. The Shakers never have indigestion. This is partly owing to their simple mode of life, partly to the wonderful properities of Shaker Digestive Cordial. Indigestion is caused by the stomach glands not supplying enough digestive juice. Shaker Digestive Cordial supplies what's wanting. Shaker Digestive Cordial invigorates the stomach and all its glands so that after awhile they don't need help. As evidence of the honesty of Snaker Digestive Cordial, the formula is printed on every bottle. Sold by druggists, price 10 cents to \$1.00 per bot-

WILD

I was a sufferer for cight years from Eczema, but now am entirely cured. The paims of my hands were covered and builty inflamed; little white blisters appeared, then would peel off, leaving a red, amouth surface, which would burn like fire and itch. On the inside of the upper part of my limbs, great red blotches would appear, and as soon as I became warm, the burning and itching would begin. Night after night I would lie awake and scratch, and almost go wild. I got a box of Guracuma, and a bottle of Curacuma Resouremy, and after a few applications I noticed the reduces and inflammation disappear; before I had used one box there uses not a sign of Eccema left. I can truthfully assert that ELO worth of Curacuma Ramaners sured me.
