## REFUSES TO GIVE IN

Resolves to Adhere to Previous Decisions.

ARMISTICE WILL NOT BE DECLARED

The War Feeling Throughout Spain is Increasing—Will Not Consider the Release of Cuba.

MADRID, April 7.—1:30 a. m.—A semi-official note just issued says the cabinet adheres to all its previous decisions without modification and has adopted resolutions to that effect. The war feeling runs high.

It has been explained that decisions to which the Spanish government adheres are those which were outlined at the last conference between General Woodford and the Spanish ministers.

MADRID, April 7.—12:35 p. m.—After the meeting of the cabinet and issue of the semi-official note, previously cabled, which was regarded as a serious announcement, there was much excitement and a bellicose talk in the city. The cafes were crowded with people, all eagerly discussing the situation, and generally approving the attitude of the cabinet. The newspapers today are very violent in their utterances against the United States.

### NO ARMISTICE PROCLAMATION

MADRID, April 6.—11:30 p. m.—A hitch had occurred in the peace negotiations. The Cuban armistice proclamation will not be issued Thursday as was expected.

Great disappointment is expressed at the United States legation at the hitch which is pronounced to be serious, and which seems to have occurred tonight (Wednesday).

The Spanish cabinet met at 5 o'clock and was in session several hours, but the meeting ended without the announcement of a Cuban armistice proclamation for tomorrow. The Austrian ambassador had another conference with Minister Woodford late tonight.

### MYSTERIOUS EVENTS.

MADRID, April 7.—1:30 a. m.—There appears to be much mystery connected with last night's events. It seems that after the regular cabinet meeting adjourned and Premier Sagasta had returned home, the papal nuncio, Monsignore Nava, in company with Minister of Foreign Affairs Gullon, arrived with a communication from Rome.

This was considered of so much importance that the other ministers were consulted and remained in session until 1:30 a. m.

It is believed that the result of their

deliberations was telegraphed to Rome, whence it is to be cabled to the United States. No explanation has been furnished of this procedure, but these facts are furnished on official authority.

### WOODFORD PREPARING TO LEAVE

MADRID, April 7.—The morning papers are unanimous in expressing the opinion that the situation is very grave. Several papers announce that Minister Woodford will leave Madrid tomorrow. He has taken up his residence at the British legation.

### Beats the Klondike.

Mr. A. C. Thomas, of Marysville, Tex., has found a more valuable discovery than has yet been made in the Klondike. For years he suffered untold agony from consumption, accompanied by hemorrhages; and was absolutely cured by Dr. King's New Discovery for Consumption, Coughs and Colds. He declares that gold is of little value in comparison with this marvelous cure; would have it, even if it cost a hundred dollars a bottle. Asthma, Bronchitis and all throat and lung affections are positively cured by Dr. King's New Discovery for Consumption. Trial bottles free at Blakeley & Houghton's drug store. Regular size 50 cents and \$1.00. Guaranteed to cure or price refunded.

### Rush Unabated.

NEW YORK, April 7.—A Havana cable says:

When it became known that the president's message would not go to congress, the excitement here quickly disappeared. Establishments that had closed, including that of Lawton Childs, reopened.

Hundreds of Mexicans, Americans and Cuban citizens will leave the island in the next few days. The public is now awakened to the fact that war is close at hand, and only can be avoided by statesmanship of the wisest and most vigorous kind.

The Shakers of Mount Lebanon, a community of simple, honest, God-fearing men and women, have prepared the Shaker Digestive Cordial for many years, and it is always the same, simple, honest, curative medicine that has helped to make the Shakers the healthy, long-lived people that they are. The Shakers never have indigestion. This is partly owing to their simple mode of life, partly to the wonderful properties of Shaker Digestive Cordial. Indigestion is caused by the stomach glands not supplying enough digestive juice. Shaker Digestive Cordial supplies what's wanting. Shaker Digestive Cordial invigorates the stomach and all its glands so that after awhile they don't need help. As evidence of the honesty of Shaker Digestive Cordial, the formula is printed on every bottle. Sold by druggists, price 10 cents to \$1.00 per bottle.

### A FLOOD OF PROTESTS.

Spanish Queen Implored Not to Surrender Cuba.

NEW YORK, April 7.—A Madrid cable says:

Distinguished Spanish generals and other members of the cabinet have waited upon the queen to protest against the surrendering of Spanish rights in Cuba. There is visible agitation in military and naval circles in Madrid, Barcelona, Cadiz, Ferrol and other places, where are large garrisons and arsenals.

The feeling among military men is so strong that at the council of ministers the heads of the military and marine departments, General Correo and Admiral Bermejo, will join Count Xiquina

and Senor Gullon in making strong objections to the granting of further concessions to the United States.

Premier Sagasta, according to his custom, will try to conciliate the objectors in his cabinet, his intention being to endeavor to keep all his present colleagues until the cortes meets.

Weyler, with his military and political following, and Senor Robledo have been very active lately in criticizing the conduct of Sagasta with reference to Cuba and the Spanish relations with the United States.

"A word to the wise is sufficient" and a word from the wise should be sufficient, but you ask, who are the wise? Those who know. The oft repeated experience of trustworthy persons may be taken for knowledge. Mr. W. M. Terry says Chamberlain's Cough Remedy gives better satisfaction than any other in the market. He has been in the drug business at Elkton, Ky., for twelve years; has sold hundreds of bottles of this remedy and nearly all other cough medicines manufactured, which shows conclusively that Chamberlain's is the most satisfactory to the people, and is the best. For sale by Blakeley & Houghton.

### Two Hundred Have Gone.

Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them.
