The "Red Light"

A good audience at the Methodist church last night. The pastor and people had thought that because of the general interest in the club entertainment there might be an appreciable falling off in attendance, but such was not the case; all the seating capacity of the auditorium was occupied.

Mr. Miller sang with much assurance "Mighty to Save," the audience joining in the chorus. His second song entitled "The Tempest" was a very poetic ballad, descriptive of a wreck at sea.

As announced, he used the "Red Light" as his theme. He began by saying every engineer knows the value of the red light. No railroad is operated without proper regard for its use. It is a signal of danger and authority. Should the engineer disregard the signal and drive on his train and it meets destruction, is it the fault of the man who displayed the red light? None would be so unreasonable as to think this. God's warnings are red lights swung out all along the way our feet must pass in this life. For the young this signal appears more as invitations and admonitions. Listen! "I love them that love me. They that seek me early shall find me." The large audience listened with the deepest interest. Some new seekers were at the altar and professed their faith in Christ. All left the church feeling "God is in this place."

The "Trial by Jury" will be the character of the service this evening. A cordial invitation to all by pastor and people.

Such is our theme.
All events arranged regarding the Jan. 3, 1904, will be in the office. Interest comes after the 20th.

RATES FOR THE ENCAMPMENT.
Lines on Which Rates Have Been Reduced on Round-trip Tickets.

Rates to the encampment over the Southern Pacific road and its branches will be one and one-third fare for the round trip. Each purchaser will pay full fare for a ticket one way and take a receipt from the agent for the same. These receipts will contain a certificate to be signed by the assistant adjutant-general, and will entitle the holder to return for one-third fare. The parties failing to secure these receipts at the time of purchasing tickets will lose the benefit of the reduced rates. These certificates must be presented at Portland as early as Saturday, the 21st, at No. 134 Third street, and grand central station for the main line on East Side and Woodburn Springfield branches, also West Side division main line. On the Yamhill division certificates will be presented to the agent at the foot of Jefferson street.

Rates over the Oregon Railroad and Navigation Company's lines will be one and one-fifth fare for round trip on all their lines, except from Portland to The Dalles, where a special rate of \$8 for the round trip has been made, and in the case of the Southern Pacific, the purchaser of a ticket will pay full fare one way and get a receipt and certificate, which, when signed by the assistant adjutant general, will entitle the holder to return for one fifth fare.

The Corvallis and Eastern Railroad Company will give a rate of one and one-third fare for round trip on the railroad and one and one-fifth fare on the river. They will make arrangements with The Dalles, Portland and Astoria Navigation Company, so that tickets may be purchased clear through if desired, with conveniences for transfer at Portland.

Rates on the Oregon City Transportation Co.'s boats will be one and one-fifth fare for the round trip. Boats leave Independence and Salem on Monday, Wednesday and Friday; leaves Portland at 6:45 a. m., Tuesday, Thursday and Saturday.

Rates on the Regulator Line will be \$1 for the round trip from Portland to The Dalles; boats running daily leave Portland at 7 a. m. from foot of Oak street. Tickets will be on sale at the office, Oak street dock, and must be purchased before going on board, as this rate will not be made by pursers except from way points. Parties who have never seen the celebrated locks at the Cascades can take advantage of this opportunity to do so at a very low rate.

I was reading an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the Worcester Enterprise recently, which leads me to write this. I can truthfully say I never used any remedy equal to it for colic and diarrhoea. I have never had to use more than one or two doses to cure the worst case with myself or children.—W. A. THE PRIZE KANSAS CITY BABY OF NO.

By the CUTICURA REMEDIES

Cured of Disfiguring ECZEMA

Our baby when three weeks old was badly afflicted with Eczema. Her head, arms, neck, limbs, and nearly every joint in her body was raw and bleeding when we concluded to try CUTICURA REMEDIES. We began with CUTICURA ointment and CUTICURA SOAP, and after the 6th application we could see a change. After we had used them one week some of the sores had healed entirely, and ceased to spread. In less than a month she was free from scales and lumps, and today has as lovely skin and hair as any child. She was shown at the Grand Fair, and took a premium as the prettiest baby, over sixteen others.
