**Beware of Ointments for Catarrh that Contain Mercury.**

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Price 75c. per bottle. Sold by Druggists.

Sheep marking paint; ready for use. Two colors, black and red. Why you should use our sheep paint. First, because the colors are ground thoroughly in pure linseed oil by fine machinery; second, because it is made of high grade color, with the proper amount of dryers added to give it binding and lasting qualities, which prevent it from washing or rubbing off; third, it is much more economical, because it is always ready for use. We guarantee our sheep marking paints to give satisfaction. Try it and be convinced. Clarke & Falk, agents, The Dalles, Or.

"A word to the wise is sufficient" and a word from the wise should be sufficient, but you ask, who are the wise? Those who know. The oft repeated experience of trustworthy persons may be taken for knowledge. Mr. W. M. Terry says Chamberlain's Cough Remedy gives better satisfaction than any other in the market. He has been in the drug business at Elkton, Ky., for twelve years; has sold hundreds of bottles of this remedy and nearly all other cough medicines manufactured, which shows conclusively that Chamberlain's is the most satisfactory to the people, and is the best. **General Debility and Loss of Flesh**

Scott's Emulsion has been the standard remedy for nearly a quarter of a century. Physicians readily admit that they obtain results from it that they cannot get from any other flesh-forming food. There are many other preparations on the market that pretend to do what

does, but they fail to perform it. The pure Norwegian Cod-liver Oil made into a delightful cream, skillfully blended with the Hypophosphites of Lime and Soda, which are such valuable tonics, makes this preparation an ideal one and checks the wasting tendency, and the patient almost immediately commences to put on flesh and gain a strength which surprises them.
