The Shakers of Mount Lebanon, a community of simple, honest, God-fearing men and women, have prepared the Shaker Di. estive Cordial for many years, and it is always the same, simple, honest, curative medicine that has helped to make the Shakers the healthy, longlived people that they are. The Shakers never have indigestion. This is partly owing to their simple mode of life, partly to the wonderful properities of Shaker Digestive Cordial. Indigestion is caused by the stomach glands not supplying enough digestive juice. Shaker Digestive Cordial supplies what's wanting. Shaker Digestive Cordial invigorates the stomach and all its glands so that after awhile they don't need help. As evidence of the honesty of Snaker Digestive Cordial, the formula is printed on every bottle. Sold by druggists, price 10 cents to \$1.00a bottle.
